Testimony to Otherwise Walter Brueggemann, 2001-11-01 The Bible and its preaching are for every generation urgent and indispensable but they are especially urgent today Within the preaching of Elijah and Elisha lie the possibilities and inspiration for the church to recover its voice in a way that is unfettered and unencumbered by old habits It is the chance and the responsibility of this new voice to replicate in the present life of the church alternatives underway in the biblical text itself to show that life could be otherwise and to make it so Considering these narratives canonically Walter Brueggemann shows how the memories of Elijah and Elisha took on a quality and authority of lasting testimony They exhibit a world profoundly open to the gifts energies and visions given by God Brueggemann shows how such prophetic narratives summon listening Israel to a radical either or decision endlessly insisting that there are choices to be made that hold options for the world as otherwise

In his forty plus years of work as a biblical scholar Dennis Thorald Olson has illumined the meaning of the Bible for his readers and hearers in diverse ways Among the topics he has taken up in his scholarship and teaching are the nature of leadership life in community the relation of science and theology Jewish Christian relations repentance and forgiveness and many many more In this essay collection a number of Dennis s students colleagues and friends respond to the profound values and seminal ideas at the heart of his work and take up the profound question of truth as it pertains to Scripture a question that Olson himself urged biblical scholars to consider in his inaugural address from over twenty years ago The Practice of Homefulness Walter Brueggemann, 2014-03-19 Contents 1 The Practice of Homefulness 2 A Myriad of Truth and Reconciliation Commissions 3 Bragging about the Right Stuff 4 A Culture of Life and the Politics of Death 5 Elisha as the Original Pentecost Guy 6 The Stunning Outcome of a One Person Search Committee 7 The Non negotiable Price of Sanity 8 The Family as World Maker embed container position relative padding bottom 56 25% height 0 overflow hidden max width 100% embed container iframe embed container object embed container embed position absolute top 0 left 0 width 100% height 100%

**Jeremiah 48 as Christian Scripture** Julie Woods, 2011-01-01 All Scripture is God breathed and yet some parts seem rather less God breathed than one might imagine or even like The prophecy concerning Moab in Jeremiah 48 is one such text since it appears to equate the Lord s work with bloodshed and curses those who withhold their swords How if at all might such a passage inform the Christian community of faith In this sophisticated study Julie Woods identifies some salient features of Jeremiah s Moab oracle by means of a careful analysis and comparison of both the Septuagint and the Masoretic Text of Jeremiah 48 She also explores the implications of links between the Moab oracles in Jeremiah 48 and Isaiah 15 16 The focus then moves to theological hermeneutics via an examination of some recent Christian interpretations of the oracle from Walter Brueggemann Ronald Clements Terence Fretheim Douglas Jones and Patrick Miller Building on the observations of these scholars and the conclusions reached from her own textual analyses Woods provides an innovative Christian reading of the oracle including two imaginative film scripts to bring the text to life Perhaps one of the more surprising proposals is that Easter is the ultimate horizon of Jeremiah 48

**Evil and the Problem of Jesus** Gary Commins, 2025-01-30 Approaching the problem of evil from an alternative angle Evil and the Problem of Jesus offers a Christ centred approach as an antidote to traditional theodicy Gary Commins discussion provides original insights into divine power presence and love allowing readers to reengage with the God whom Jesus reveals and the evil that Jesus challenges In this study Jesus stands as a model for full humanity crafting new ways to imagine personal relationships with God and with evil

Evil and the Problem of Jesus draws on pastoral experiences of tragedy suffering and evil alongside philosophical and biblical insights and Jesus own complex interactions with evil Commins offers thoughtful conceptual frameworks to help the reader live more faithfully compassionately wisely and justly in response to evils around us and within us     **The Violent Gift**

David Janzen,2012-10-10 The Violent Gift traces the narrative of the exilic author of the Deuteronomistic History a narrative that provides an explanation for the trauma that the Judean community in Babylon suffered As the book follows this explanation through the History however it also reads Dtr through the lens of trauma theory Massive psychic trauma is not something that can be captured within narrative explanation and trauma intrudes into the narrative s explanation of the exiles trauma Trauma challenges the claims upon which the narrative s explanation is based thus subverting this attempt to make sense of the exile The author argues that we can trace a single coherent narrative throughout the Deuteronomistic History that is an attempt to explain to its original readers why the exile occurred The narrative offers two reasons for the exile and these form the two main themes of Dtr s narrative the people failed in their covenantal loyalty to God and their leadership also failed to enforce this loyalty These themes can be traced consistently through all of the component books of the History     The Encyclopedia of Christianity Erwin Fahlbusch,Geoffrey William Bromiley,1999 Containing more than 300 articles covering the alphabetical entries P Sh this book also includes articles on significant topics ranging from Paul political theology and the Qur an to religious liberty salvation history and scholasticism     **Truth Speaks to Power** Walter

Brueggemann,2013-01-01 World renowned biblical interpreter Walter Brueggemann invites readers to take a closer look at the subversive messages found within the Old Testament Brueggemann asserts that the Bible presents a sustained contestation over truth in which established institutions of power do not always prevail But this is not always obvious at first glance A closer look reveals that the text actually contradicts the apparent meaning of an innocent face value reading Brueggemann invites the reader into this thick complexity of the textual reading where the authority of power is undermined in cunning and compelling ways He insists that we are as readers and interpreters always contestants for truth whether we recognize ourselves as such or not     Lament That Generates Covenant Walter Brueggemann,2025-03-03 This collection of essays pertains to matters that urgently concern our faith My work consists in recognition that our various systems of meaning power and control are decisively penultimate even though we conduct ourselves as though they are ultimate Thus our articulation of theology and faith are momentary and require endless rearticulation Our various expressions of nation race class and gender are momentary arrangements that give us assurance but that are sure to be yet again unsustainable claims The idiom in which biblical faith is given us is inescapably poetic an exercise in imagination elusive imagery and playful phrasing The long history of the church consists in the seductive practice of trying to catch such poetic utterance in settled prose that we parse with logic and precision Such efforts are always less than adequate as the poetry of testimony always surges beyond our best prose Thus as a case in point the church has engaged much energy in parsing the creeds But

in the end the creeds are poetry designed for liturgic affirmation rather than reduction to cold rationality bereft of context For much too long the church has focused on private spiritual other worldly matters In fact the biblical reportage and advocacy concern the continuing struggle for an alternative economy that is governed by neighborly generosity an economy that eschews private accumulation by the powerful at the expense of the vulnerable On all counts it is my hope that this collection of essays will serve all those who do the continuing work of faithful study faithful worship and faithful action in the world

*Reduced Laughter* Helen Paynter, 2016-05-30 In this book Helen Paynter offers a radical re evaluation of the central section of Kings Reading with attention to the literary devices of carnivalization and mirroring she demonstrates that it contains a florid satire on kings prophets and nations Building on the work of humorists literary critics and biblical scholars the author constructs diagnostic criteria for carnivalization seriocomey and identifies an abundance of these features within the Elijah Elisha and Aram narratives showing how literary mirroring further enhances their satirical effect This book will be of particular interest to students and scholars concerned with the Hebrew Bible as literature but will be valued by those who favour more historical approaches for its insights into the Hebrew text

Francois Tolmie, 2010-06-29 This book is dedicated entirely to the interpretation of Paul s Letter to Philemon The letter is approached from a wide variety of perspectives thus yielding several new insights into its interpretation In a first essay the tendencies in the research on the letter since 1980 are outlined This is followed by essays devoted to the epistolary analysis and to a rhetorical psychological
