A Parent's Heart Cry Maureen Thomas, exceptional provides a biblical framework for prayers Juanita Sales Lee Retired Supervisory Attorney US Army The concept of praying through Scripture is one that many people have become acquainted with but using this concept may be a different story Author Maureen Thomas has taken this concept to heart and prepared this devotional style book as an example of praying through the Bible Each day's prayers are focused on a specific book of the Bible A pattern rotates through prayers for yourself Personal and your family Children Son and Daughter The idea for this book came as a result of the author being awakened during the night with the urgent impression to pray for her adult daughter A couple of days later her daughter was tragically killed in a car accident Knowing that many parents agonize in prayer for their children whether young or grown she set about to compile 229 prayers drawn from each of the sixty six books of the Bible Dear parent is your heart burdened over the waywardness of your child or children Is it constantly afflicted by worry and concern over their noncommittal attitudes toward their Maker Then pray Intercede with God for He is able to do exceedingly more abundantly than we can think or ask Meditate on Isaiah 49:25 But thus saith the Lord Even the captives of the mighty shall be taken away and the prey of the terrible shall be delivered for I will contend with him that contendeth with thee and I will save thy children Claim it and believe it

Dove of Gold, and Other Signposts of the Spirit Leslie Hardinge, 1996 This book Dove of Gold approaches the vast subject of the Holy Spirit by viewing His functions through illustrations He Himself has selected as vehicles for the revelation of His character and work In both the Old and the New Testaments several carefully chosen and highly suggestive symbols

picture His activities They have to do with natural objects and through them the mind can easily pass from the known to the lesser known Imagine each symbol to be a many faceted gem Lift it up and allow the light of the Sun of Righteousness to fall upon it Turn it around and observe the flashing of light from each facet Such study requires leisure and careful thought As one observes the related aspects of the nature and function of the natural object used as a symbol the work of the Holy Spirit will become clearer and His disposition of concern and affection much more appealing *From Pro-life to Pro-choice: The Dramatic Shift in Seventh-day Adventist's Attitudes Towards Abortion* Nic Samojluk,2011-08-28 A study of Adventist literature showing the dramatic shift by the Seventh day Adventist North American Church attitude towards one of the most fundamental rules designed by God for the protection of human life the Sixth Commandment which forbids the murder of innocent human beings A careful research indicating that financial profit moved the church leadership to tolerate the offering of abortion on demand services to the patients of several hospitals owned and managed by the Adventist organization

Jesus Only Ernan Norman,2011-11-01 The focus and theme of this book is Jesus only The eternal verity taught in Scripture is that Jesus alone saves Therefore the central focus of the church must be on Jesus Christ the One crucified risen ascended interceding and coming again This was the secret to the life and power of the apostolic church Everything about the early church as recorded in the book of Acts was due to the presence and power of the Lord in His church The Scriptures clearly speak about their passion but also about the One who was central to their preaching teaching and living as a body of believers And daily in the temple and in every house they ceased not to teach and preach Jesus Christ Acts 5 42 Unfortunately the church no longer measures up to the life that God intended for it In these final and closing days of earths history Jesus is anxiously awaiting for a portrait of Himself in His church The spirit and power of the apostolic period must return The central focus of Jesus Christ as Lord and Savior must return The dynamic Holy Ghost empowerment of the church must return The daily growth of the church must return The self sacrificing spirit that should mark the life of a true disciple must return There is no question that we must return to primitive godliness and for that to happen the church will have to return to her first love which is a central focus on Jesus *Comprehensive Index to the Writings of Ellen G. White, Co-founder of the Seventh-day Adventist Church Roy E. Graham,1985 Seventh day Adventism is inextricably linked with the life and ministry of Ellen G White This study examines her role in the church both in her lifetime and since her death in 1915 through her voluminous writings The passage of time and the general ecumenical climate of today make possible a more dispassionate study of White s work and insights which hold value for the whole Christian Church especially in the eschatological emphasis which lies at the center of her work **Joyas de los**
