Testing Christianity's Truth Claims:

Testing Christianity's Truth-claims Gordon Russell Lewis,1976-01-01 Testing Christianity's Truth Claims Gordon R. Lewis,1980-02 **Testing Christianity's Truth Claims** Gordon Russell Lewis,1990 In this outstanding defense of Christianity the author compares and contrasts six methods of reasoning used by philosophers during the resurgence of evangelical beliefs in the latter half of the 20th century He looks at the empirical rational presuppositional mystical existential and verificational methods that stimulate critical thought about God as seen in the Jesus of history and in the teachings of Scripture Originally published in 1976 by Moody Press **Truth Decay** Douglas Groothuis,2000-05-01 Douglas Groothuis sees the basic tenets of postmodernism as intellectually flawed and here unveils how truth can be defended in the postmodern era in the vital areas of theology apologetics ethics and the arts **Christian Apologetics** Norman L. Geisler,2013-05-15 World famous apologist Norman Geisler offers a new edition of his bestselling apologetics text which has sold consistently for over thirty years over 125 000 copies sold This edition has been updated throughout and includes three new chapters It offers readers a systematic approach that presents both the reasons and the methods for defending the claims of Christianity Topics covered include deism theism Christ's authority and the inspiration of the Bible *Mapping Apologetics* Brian K. Morley,2015-02-10 How and why do people believe This comprehensive guide provides an overview of Christian apologetic approaches and thinkers in a way that even the nonspecialist can understand and practically apply Even handed and respectful of each apologist and their contribution this book provides the reader with a formidable array of defenses for the faith Developing a Christian Apologetics Educational Program Douglas E. Potter,2010-02-18 Many are expressing concern about the future of Christian youth today What can we do to help ensure they will keep their evangelical faith once they graduate from high school Can Christian apologetics provide an educational solution Developing A Christian Apologetics Educational Program explores issues certain to be encountered by secondary school educators who want to teach apologetics as a distinct subject of study either as a part of a Christian institutional or home school curriculum This book helps the apologist and educator blend their skills to soundly integrate the two subjects A solution is sought by providing a background and rationale for implementing an age level appropriate apologetics course at this critical level of Christian education This book is designed as a text to supplement those used in Christian education or applied apologetics courses each chapter successively builds upon the other to help develop an educational philosophy that supports the inclusion of apologetics in the curriculum A model is explained and materials are given to support the development of a curriculum in Christian Apologetics Education at the secondary level Practical ideas are explored and a sample unit of instruction is supplied to help the educator develop an evangelical approach to education that is in the classical apologetic tradition The Logic of Intersubjectivity Darren M. Slade,2020-08-27 To survey harsh criticisms against Brian Douglas McLaren 1956 readers gain the inaccurate impression that he is a heretical relativist who denies objective truth and logic While

McLaren's inflammatory and provocative writing style is partly to blame this study also suspects that his critics base much of their analyses on only small portions of his overall corpus The result becomes a caricature of McLaren's actual philosophy of religion What is argued in this book is that McLaren's philosophy of religion suggests a faith based intersubjective relationship with the divine ought to result in an existential appropriation of Christ's religious ethical teachings When subjectively internalized this appropriation will lead to the assimilation of Jesus kingdom priorities thereby transforming the believer's identity into one that actualizes Jesus kingdom ideals The hope of this book is that by tracing McLaren's philosophy of Christian religion future researchers will not only be able to comprehend and perhaps empathize with McLaren's line of reasoning but they will also possess a more nuanced discernment of where they agree and disagree with his overall rationale

The Big Book of Christian Apologetics Norman L. Jurgensmeier, 2012-08-22 What is God's purpose for human reason About 2000 years ago the crucifier of the truth asked Jesus What is truth John 18:38 Such questions are fundamental to human life and make up the field of epistemology It reminds us that there is a human being between us and God Epistemology has been a hot topic in Christian theology because of how our postmodern culture has questioned the very foundations of knowledge and truth It is also an important part of a systematic theology as it is helpful to understand how we know what is true before deciding what is true This is why Calvin began his Institutes discussing the knowledge of our self before the knowledge of God Thomas Oden has said No study of God is complete without dealing with the limits and resources of human reasoning in God's presence While many modern Christian philosophers are neglecting the God-given place of human reason in the process of divine revelation we defend it here and offer several critiques of popular views **John Warwick Montgomery's Legal Apologetic** Ross

Clifford, 2016-01-22 Dr Montgomery is one of our leading Christian apologists His writings have influenced several generations of apologists from around the globe His debates are legendary This book purports to break new ground apologetically as it assesses Dr Montgomery's work It focuses on his legal historical apologetic and in the process reframes it for both the tough minded and the tender hearted It shows not only the rationality of Montgomery's work but also that his writings pave the way for an apologetic to New Age followers and to those who place experience before reason A special feature of this analysis concerns Montgomery's apologetic insights on the occult and paganism This book also breaks new

ground as the legal apologetic model has not been previously assessed it illustrates that a juridical apologetic style has a rich history dating back to the Gospels themselves The present work should thus be of particular interest to apologists theologians philosophers of religion pastors and all who are concerned to share the legal historical fact of the Resurrection of Jesus together with its relevance in a secular age To Everyone an Answer Francis J. Seminary Cliff has rescued the discipline from the elite circle of the intelligentsia and returned it as a biblical theology of truth communication to the common people i e to all believers This volume will be of great help in the restoration of the practicality of biblical apologetics as it was exemplified in the early Church Hopefully todays readers will be able to understand and put into practice the true nature of Peters command in 1 Peter 3 15 as it is strategically situated in its defining context George J Zemek Academic Dean The Expositors Seminary Jupiter Florida **Christian Apologetics** Douglas Groothuis,2022-02-08 The Christian faith offers people hope But how can we know that Christianity is true How can Christians confidently present their beliefs in the face of doubts and competing views In this second edition of a landmark apologetics text Douglas Groothuis makes a clear and rigorous case for Christian theism addressing the most common questions and objections raised regarding Christianity **The SCM Press A-Z of Evangelical Theology** Roger E. Olson,2005 The SCM Press A Z of Evangelical Theology is a comprehensive critical survey of the main persons events controversies concepts and institutions of twentieth century evangelical theology It will introduce readers to and be a reference work for the study of evangelicalism s distinctive theological vision in its unity and diversity Olson explores evangelical theology through five lenses The Story of Evangelical Theology Movements and Organisations Related to Evangelical Theology Key Figures in Evangelical Theology Traditional Doctrines in Evangelical Theology and Issues in Evangelical Theology Here is a unique compact narrative description of the origins rise and significance of evangelical theology today About the Author Roger E Olson is Professor of Theology at George W Truett Theological Seminary Baylor University USA [Seeking Science-Friendly Christianity](#) Harwood Hoover,2023-11-17 This book brings together lessons from three journeys The first journey began with my acceptance of Jesus at a young age together with my growing recognition of the differences between the scriptural record and scientific understanding It continued with a young man s adventure a retreat into nature and an encounter with war War and life s darker side convinced me that even as nature brings awe and opens us to religious experience we need morality The second journey began as I inquired into the ministry When the church transferred the guide they had assigned to me Bob Wessman became my mentor Bob was an ordained pastor with a doctorate in theology For twenty years we read and discussed theology including the Catholic ideas that I had discovered while teaching with the Dominican Sisters Bob is in hospice care as I write this and my library is full of the books that he gifted to me Thank you Bob I now had many ideas from my first two journeys but they floated about in my head without an organizing form The challenge was to find a form that would allow the ideas to come together and speak in harmony Differences between Scripture and science had troubled me since my youth and I could not ignore science It was simply too good at finding truth to ignore So science would have to help me Science cannot touch all that religion touches but science and technology can be in correspondence with theology Researching and writing this book could explore that relationship The result was to have remained personal but then I thought that a reader might find an idea or two useful A

person who is literate in science might see why trusting Jesus is both good and reasonable This book is the story of the third journey an odyssey through science and Christian theology *Culture and Biblical Hermeneutics* William J.

Larkin,2003-08-05 No issue now occupies contemporary evangelicals more than the role of culture in biblical interpretation In *Culture and Biblical Hermeneutics* the author not only analyzes the current debate but also makes a significant contribution to it This volume grapples with what the author calls the challenge that historical and cultural relativism poses to the hermeneutical process when applied to the authoritative Scripture He accomplishes his goal admirably by exploring both the origin and the current state of biblical hermeneutics and by developing a biblical theology of hermeneutics and culture *Systematic Theology/Historical Theology Bundle* Wayne A. Grudem,Gregg Allison,2015-10-27 A collection that includes two of our most exemplary textbooks *Systematic Theology* and *Historical Theology* The ebook will provide an introduction to Biblical and Christian doctrine
