Annexation of Texas

Academic Book

Smith, Justin Harvey. *The Annexation of Texas*. Corrected ed. Barnes & Noble, inc., 1941.

This book was written to describe and bring meaning to the importance of the Annexation of Texas. He is not out to justify history, he is out to correct and explain it in today's minds. He describes the Annexation as patriotic and while somewhat personal, was also backed by a profound sense of loyalty to the people and bravery against those who seek to limit freedom. He used information directly from those who lived during this time to reveal insight as to how great tensions were at this time.
