# Texas Navy

**Jim Dan Hill**

## **Texas Navy:**

*The Texas Navy* Estados Unidos Naval History Division,1968      **The Texas Navy** United States Navy Department,History Division Naval History Division,2004-10-01 Most of the early settlers came by way of the sea embarking at Mobile and New Orleans Because of their innocence or because of a certain love of independence they entered through whatever ports on the Gulf seemed most expedient The ports of entry which Mexico attempted to establish for the collection of customs duties were an early cause of friction which contributed to the Texas Revolution And during the Revolution the tiny Texas Navy built around three sloops of war under Commodore Hawkins was able to establish control of the Gulf of Mexico These ships were the Independence the Invincible and the Brutus With them Hawkins controlled the sea approaches to Texas blocked reinforcements to Santa Anna and contributed in large part to the many difficulties which beset the Mexican Army in its long overland march to the Alamo Goliad and San Jacinto Battles of 1836 So it was that Texas established a Naval tradition to stand alongside the brilliant military record achieved on land Fleet Admiral Chester W Nimitz

**The Texas Navy** United States. Naval History Division,1968      **Notes on the Republic of Texas Navy, Marine Corps, Coast Guards, and Their Vessels** S. A. Thompson,2021-03-15 Most Texans don t know that the Texas Revolution began and ended with naval battles They don t know that though small the Texas Navy was the most advanced in the world in 1839 Many also don t know that Texas had a first rate uniformed Navy Marine Corp and Coast guards This book will enlighten both the average Texan wanting to know more about an important part of Texas history and many who have read other books on the subject It also delineates the intense dislike Sam Houston had for the Texas Navy and especially its Commodore Edwin Ward Moore whom he saw as a rival for attention Originally intended to be notes for a historic novel the author soon realized they were more valuable as both a data source for researchers and also an exciting true narrative of the exploits of the Texas Navy As such it is written and arranged for two distinct audiences the lay reader and the researcher It corrects some of the errors and discrepancies between other books and presents new data from primary sources in the Zavala Museum behind the Capitol Building in Austin      **The Texas Navy** Jim Dan Hill,1962      *Fighting Texas Navy 1832-1843* Douglas V. Meed,2001-07-23 For more than a century and a half Texans have honored the heroes of the Texas fight for independence But the courageous seamen of the Texas navy have been all but forgotten The fought the fury of the Gulf storms and braved the guns of a powerful fleet for more than a decade all the while reviled as outlaws by their president Sam Houston But against all odds they triumphed They dominated the third coast of North America the Gulf of Mexico from New Orleans to the Yucatan Their control of these waters was critical to the very existence of the struggling republic This is the heroic story of those seaborne Texans who were often outnumbered usually outgunned but never outsailed and never ever outfought      *The Texas Navy in Forgotten Battles and Shirtsleeve Diplomacy* Jim Dan Hill,1937      *Lone Star Navy* Jonathan W. Jordan,2006 The little known naval force that helped Texas gain independence from Mexico      *God Favors the*

*Bold* Michelle M. Haas, 2013-07 Flogging mutiny captured islands maverick commodores and cabinet members lack of funds and nasty political rivalries welcome to the two Texian Navies God Favors the Bold gathers previously unpublished journals of Texian Navy sailors for the first time to give a true and genuine voice to an arm of the Texas Revolution woefully neglected by students of Texas history It serves as a reminder that Texas did not win her independence from Mexico by land battles alone Remember the Alamo Remember Goliad But don't forget the Battle of the Brazos or the likes of Commodore Edwin Ward Moore and Secretary Samuel Rhoads Fisher each viciously attacked and dragged through the mud by the anti navy Sam Houston and each a colorful addition to the landscape of Texas history Through the writings of Samuel Cushing Cornelius Cox Alfred Walke George Fuller and James Mabry we learn about life on board the naval vessels of the Republic of Texas Through the speeches and writings in defense of Moore and Fisher we understand a bit more about the inner workings of the Republic and its leadership And with the help of contemporary newspaper articles compiled by Lt William A Tennison who served in both Texas Navies we are afforded a clear chronology of the mighty seafaring branch of the Republic of Texas

**Thunder on the Gulf** Claude Leroy Douglas, 1972 A history of the Texas navy a group organized to keep the enemy from the south coast and to cause problems for Mexican shipping in the Gulf *The Texas Navy* Alex Dienst, 2007-08 Everyone has heard of the USS Constitution and the USS Constellation They were the first two ships commissioned into the United States Navy But have you ever heard of the Liberty and the Invincible They were the first two ships commissioned into the Navy of the Republic of Texas Between 1835 and 1845 the Republic of Texas had their own fleet In between court martialing each other suppressing mutinies legalizing piracy and getting stone drunk in New Orleans they actually found the time to beat the British and Spanish trained Mexican Navy In 1906 Alex Dienst made an exhaustive study of the Texas Navy Using original source documents and newspaper accounts of the day now in many cases long lost he put together this intriguing book It's a little known story of chaos and confusion mixed with unparalleled heroism and self sacrifice It deserves to be told again Fireship Press is proud to bring this book back to life as part of our Contemporized Classics Series **The Texas Navy**, 1968 *Commodore Moore and the Texas Navy* Tom Henderson Wells, 1960 Analysis of the part played by the navy of the Republic of Texas in winning the state's independence from Mexico *Thunder on the Gulf* C. L. Douglas, 2012-10-01

**The Texas Navy** U.S. Navy department, 1968 *Texas Navy Regulations* Texas. Navy, 1987\* **The First Texas Navy** John E. Powers, 2006 *The First Texas Navy* John Powers, 2006-01-01 *Single Star of the West* Kenneth W. Howell, Charles Swanlund, 2017-03-15 Does Texas's experience as a republic make it unique among the other states In many ways Texas was an accidental republic for nearly ten years until Texans voted overwhelmingly in favor of annexation to the United States after winning independence from Mexico *Single Star of the West* chronicles Texas's efforts to maneuver through the pitfalls and hardships of creating and maintaining the accidental republic The volume begins with the Texas Revolution and examines whether or not a true Texas identity emerged during the Republic era Next several contributors

discuss how the Republic was defended by its army navy and the Texas Rangers Individual chapters focus on the early founders of Texas Sam Houston Mirabeau B Lamar and Anson Jones who were all exceptional men but like all men suffered from their own share of fears and faults Texas s efforts at diplomacy and persistence and transformation in its economy also receive careful analysis Finally social and cultural aspects of the Texas Republic receive coverage with discussions of women American Indians African Americans Tejanos and religion The contributors also focus on the extent that conditions in the republic attracted political and economic opportunists some of whom achieved a remarkable degree of success Single Star of the West also highlights how the Texas Republic was established on American political ideology With the majority of the white settlers coming from the United States this will not surprise many scholars of the era In some cases the Texans successfully adopted American political and economic ideology to their needs while other times they failed miserably
