## Texas Warrior:

*Texas Warrior* John Thomas Edson, 2003      *Texas Warrior* James Kane, 2012-09 In town after town from the Texas Mexican border to Wyoming Chuck Powers had stopped and asked the same question had anyone seen a man riding a black horse with lop ears Tired and hungry he'd arrived in Broken Bow and wondered if he was getting any closer to his quarry Then Powers got sidetracked In the hotel he observed a cowman hold his own against four armed and angry sheepmen Not one to stand back while a fellow Texas cowman is outnumbered four to one Powers intervenes and makes a few enemies in the process Looks like Chuck Powers will be stuck in Broken Bow Wyoming for a spell From Texas to Montana the Old West knew a breed of men that is now legendary Texas Warrior depicts the courage and the deeds that made these cowboys an important part of American history      Texas on My Mind Eve Gaddy , 2019-08-15 What happens when you discover that the woman who's been a friend for years is actually the one you've been waiting for If you're Dr Turner McBride you set out to prove that the two of you would be perfect together After betrayal and a failed marriage Charlie Stockton returns to Last Stand Texas to run her bakery and avoid commitment She's delighted to resume her long time friendship with far too sexy Turner but no way is she ready or able to trust her heart again Although she might be tempted into an affair Charlie's convinced their friendship is too important to risk losing by taking it to another level It will take all Turner's determination and an unexpected wake up call to prove to Charlie that risking her heart will be well worth the gamble      A Texas Soldier's Family Cathy Gillen Thacker, 2016-07-01 DON'T MESS WITH THIS TEXAN On the last leg of his tour of duty Captain Garrett Lockhart is summoned home to Laramie Texas to handle an urgent family matter a scandal that could destroy the enduring legacy of the Lockharts Except it's already being handled by Hope Winslow a professional crisis manager Hope is also the beautiful single mother of the most adorable baby boy the Army doctor has ever seen Garrett is resisting Hope's efforts at damage control and pushing her clearly defined boundaries Too bad she can't resist him and fantasies of a future with her Lone Star soldier      **Water-borne Commerce of the United States** , 1977      *Heart of the Texas Doctor* Eve Gaddy , 2019-04-11 Opposites attract Graham McBride is a cardiothoracic surgeon and the eldest of the McBride siblings Dedicated hardworking traditional and oh yeah hot But Graham married young and divorced and is now convinced no woman will tolerate his dedication to his career When he meets Bella Benson at a party he's immediately attracted to her probably because she's totally different from any woman he's ever dated but can they stay together Bella owns one of the local hair salons She's young hardworking successful and unconventional And to Graham there's no denying that from the tips of her rainbow colored hair to the soles of her fancy turquoise cowboy boots Bella Benson is smokin Bella is no more interested in getting serious than Graham After all other than a sizzling physical attraction they don't have a lot in common But oh that sizzle Irresistible right So they jump into the fire both confident they can keep their emotions in check Love and passion rarely stick with a plan and while Graham has expertise in repairing hearts he is disastrously clueless figuring out his own

Can he prove to Bella that he's worth the risk      *The Confederates of Chappell Hill, Texas* Stephen Chicoine, 2011-12-15

Texas was the South's frontier in the antebellum period. The vast new state represented the hope and future of many Southern cotton planters. As a result, Texas changed tremendously during the 1850s as increasing numbers of Southern planters moved westward to settle. Planters brought with them large numbers of slaves to plant, cultivate, and pick the valuable cash crop. By 1860, slaves made up 30 percent of the total Texas population. No state in the South grew nearly as fast as Texas during this decade, and as the booming economy for cotton led the economic development, the state became increasingly embroiled in the national debate about whether slavery should exist within a democratic republic dedicated to the freedom and independence of man. This work is centered on the role played by the town of Chappell Hill during this portion of Texas history. It offers details about the area's pre-war prosperity as a center of wealth, influence, and aristocracy and describes the angry fervor of the period leading up to the war. Men of this small town played a role in many of the major campaigns and battles of the war, and their motivations for enlisting and their tales of duty are included here. Through excerpts from their correspondence and journals, the book emphasizes personal experiences of the soldiers. Post-war adventures are also offered as the author explores Texas resistance to Federal occupation, the town's yellow fever epidemic, and a period of reconciliation as aging veterans gather at Blue Gray reunions to reunite the nation.      **The Texas Valentine**

**Twins** Cathy Gillen Thacker, 2017-02-07 A Sweetheart Deal Wyatt Lockhart is bound to regret moving in with Adelaide Smythe. She's broken the Texas rancher's heart before, and their last spontaneous reunion resulted in a couple of surprises: twin babies. Wyatt won't shirk his fatherly duties, but being this close to Adelaide makes it hard to remember why he should stay far away. Adelaide knows she hurt Wyatt, and she's determined never to do it again. Once they figure out how to share parenting duties, she'll give him enough space to keep both their hearts safe. But life together at the Circle H is already growing on her. For the sake of their family's future, can Wyatt forgive Adelaide for the past?      *A Texas Cowboy's Christmas* Cathy Gillen Thacker, 2016-11-01 A GIFT AS BIG AS TEXAS Molly Griffith is ambitious and only wants to give her little boy the opportunities she never had. Which means moving to Dallas, no matter what. Chance Lockhart says, "Though being with the handsome rancher does make the idea of small town life more tempting, Molly has always gotten under Chance's skin, and now that he's bonded with her little tyke, he can't imagine Bullhaven Ranch without them. But the single mom is so focused on her big city fairy tale, she could miss Chance's offer of the most important gift of all: the love and support of a real family."

**A Texas Soldier's Christmas** Cathy Gillen Thacker, 2017-11-01 THEIR CHRISTMAS MIRACLE Just the sight of United States Army Lieutenant Zane Lockhart makes nurse Nora Caldwell and every other woman he meets weak at the knees. But Nora has to keep a level head this time. As tempting as it is to fall into his finely sculpted arms again, she's got her beautiful baby boy, Liam, to think of now. She can't settle for some temporary loving. She and her son need and deserve more. Zane has always responded to the call of duty. But that dedication has meant saying goodbye to Nora far too often. He can't blame her

American national politics This book locates such diverse phenomena as Cold War politics the Kennedy assassination U S Mexican immigration policies Texas death penalty practices and recent U S Middle East policy in the context of this Alamo attitude While the Texas influence has always been strong and has ebbed and flowed never has it been stronger especially as a guiding force in American foreign policy Today people around the world perceive this Manifest Destiny swaggering style in our foreign policy Because of its sheer size its border wars with Mexico its ten year history as an independent republic and its having been settled by a warrior culture originating in the English Scottish borderlands and arriving in Texas via the southern Appalachians Texas is unique in American politics The author does not assert that Texas causes or is the sole cause of our various policies or of so many violent events Rather he demonstrates convincingly that the Texas warrior culture provides a fascinating context for national politics in a way that no other state s political culture can claim **A Marriage Made in Texas** Eve Gaddy,2017-04-19 Second chance romance Five years ago Dr Jay Kincaid hit it off with fascinating single mom Gail Summers at his brother s wedding in Redfish Texas Now he s moved to town and Gail is even more alluring now than she was when they first met Having had to work hard to support herself and her two daughters after her husband walked out on them Gail is wary but tempted by the handsome doctor Still a no strings attached affair with charming smoking hot Jay is just the treat she deserves isn t it It is until an unexpected pregnancy brings their red hot liaison to a halt Determined to be there for Gail and their unborn child Jay proposes and reluctantly Gail accepts But can he convince her she can depend on this former free wheeling bachelor to love and cherish her and her children for always *Waterborne Commerce of the United States* ,1962 **Texas Man** William MacLeod Raine,1928 *Dreaming with the Ancestors* Shirley Boteler Mock,2012-10-09 Indian freedmen and their descendants have garnered much public and scholarly attention but women s roles have largely been absent from that discussion Now a scholar who gained an insider s perspective into the Black Seminole community in Texas and Mexico offers a rare and vivid picture of these women and their contributions In *Dreaming with the Ancestors* Shirley Boteler Mock explores the role that Black Seminole women have played in shaping and perpetuating a culture born of African roots and shaped by southeastern Native American and Mexican influences Mock reveals a unique maroon culture forged from an eclectic mixture of religious beliefs and social practices At its core is an amalgam of African derived traditions kept alive by women The author interweaves documentary research with extensive interviews she conducted with leading Black Seminole women to uncover their remarkable history She tells how these women nourished their families and held fast to their Afro Seminole language even as they fled slavery endured relocation and eventually sought new lives in new lands Of key importance were the warrior women keepers of dreams and visions that bring to life age old African customs Featuring more than thirty illustrations and maps including historic photographs never before published *Dreaming with the Ancestors* combines scholarly analysis with human interest to open a new window on both African American and American Indian history and culture
