

Texas History

William Ransom Hogan

Texas History:

Discovering Texas History Bruce A. Glasrud, Light Townsend Cummins, Cary D. Wintz, 2014-09-09 The most comprehensive and up to date guide to Texas historiography of the past quarter century this volume of original essays will be an invaluable resource and definitive reference for teachers students and researchers of Texas history Conceived as a follow up to the award winning *A Guide to the History of Texas* 1988 *Discovering Texas History* focuses on the major trends in the study of Texas history since 1990 In two sections arranged topically and chronologically some of the most prominent authors in the field survey the major works and most significant interpretations in the historical literature Topical essays take up historical themes ranging from Native Americans Mexican Americans African Americans and women in Texas to European immigrant history literature the visual arts and music in the state and urban and military history Chronological essays cover the full span of Texas historiography from the Spanish era through the Civil War to the Progressive Era and World Wars I and II and finally to the early twenty first century Critical commentary on particular books and articles is the unifying purpose of these contributions whose authors focus on analyzing and summarizing the subjects that have captured the attention of professional historians in recent years Together the essays gathered here will constitute the standard reference on Texas historiography for years to come guiding readers and researchers to future ever deeper discoveries in the history of Texas

The History of Texas, 2014-01-28 The History of Texas is fully revised and updated in this fifth edition to reflect the latest scholarship in its coverage of Texas history from the pre Columbian era to the present Fully revised to reflect the most recent scholarly findings Offers extensive coverage of twentieth century Texas history Includes an overview of Texas history up to the Election of 2012 Provides online resources for students and instructors including a test bank maps presentation slides and more *Texas History* Walter Louis Buenger, 2016 *Encyclopedia of Early Texas History* Stephen P. Biles, 2014-07-08 In this age of hustle and bustle Texans cannot afford to flounder about unawares of where to turn for information most urgent and necessary as their own history What you want nay what you need is the encyclopedia herein The patriot will find stories of heroism and warning the student will discover annals of valuable learning and the curious will discover purpose renewed in historical origin With educational and entertaining illustrations the reader will at once be transported back to historic times and doubtless become the go to guy or gal for Texas trivia From the arrival of Aguayo to the zeal of Zavala each page contains a morsel of valuable history of the great state of Texas Texan and scholar Stephen Biles has collected an invaluable source of information so exciting and excellent that it has been sized to fit within your pocket or purse after all one never knows when history might call [History of Texas from Its First Settlement in 1685 to Its Annexation to the United States in 1846](#) Henderson K. Yoakum, 1855 *History of Texas* Henderson King Yoakum, 1855 [A History of Texas for Schools](#) Mrs. Percy V. Pennybacker, 1924 **Texas, A Modern History** David G. McComb, 2014-05-23 Revised and updated this popular history by an award winning author brings the story of Texas into the twenty first century Since its publication in

1989 Texas A Modern History has established itself as one of the most readable and reliable general histories of Texas David McComb paints the panorama of Lone Star history from the earliest Indians to the present day with a vigorous brush that uses fact anecdote and humor to present a concise narrative The book is designed to offer an adult reader the savor of Texan culture an exploration of the ethos of its people and a sense of the rhythm of its development Spanish settlement the Battle of the Alamo the Civil War cattle trails oil discovery the growth of cities changes in politics the Great Depression World War II recreation economic expansion and recession are each a part of the picture Photographs and fascinating sidebars punctuate the text In this revised edition McComb not only incorporates recent scholarship but also tracks the post World War II rise of the Republican Party in Texas and the evolution of the state from rural to urban with 88 percent of the people now living in cities At the same time he demonstrates that despite many changes that have made Texas similar to the rest of the United States much of its unique past remains Contrary to popular belief there is more to Texas history than the Alamo and oil gushers This book takes us from the early Indians of the area through to modern times when people began to realize the exploitation of natural resources and pollution were ruining the state s natural beauty The author offers many stories and an ample helping of anecdotes and folklore to paint an accurate portrait of the state and the people who have made it great American West *Texas History* Cindy Sandell,2004-01-01 **History of Texas from its First Settlement in 1685 to its Annexation to the United States in 1846** Henderson K. Yoakum,2025-08-22 Reprint of the original first published in 1856 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *Scraps of Early Texas History* Mary Sherwood Helm,Elias R. Wightman,1884 *A History of Texas* Louis J. Wortham,1924 Passionate Nation James L. Haley,2022-05-15 Utilizing many sources new to publication James L Haley delivers a most readable and enjoyable narrative history of Texas told through stories the words and recollections of Texans who actually lived the state s spectacular history From Jim Bowie s and Davy Crockett s myth enshrouded stand at the Alamo to the Mexican American War and to Sam Houston s heroic failed effort to keep Texas in the Union during the Civil War the transitions in Texas history have often been as painful and tense as the normal periods in between Here in all of its epic grandeur is the story of Texas as its own passionate nation Texas native Haley does an outstanding job of narrating the outsized and dramatic history of the Lone Star State John Steinbeck observed Like most passionate nations Texas has its own private history based on but not limited by facts Cognizant of this Haley takes pains to separate folklore from fact He s a good storyteller but then it s hard to go wrong with the colorful characters he has to work with pioneer nationalists Sam Houston and Davy Crockett Quaker abolitionist Benjamin Lundy a wagonload of liquored up turn of the century oilmen and such latter day heroes as Lyndon Johnson John Connally and Janis Joplin Publishers Weekly Starred Review *History of Texas from Its First Settlement in 1685 to Its Annexation to the United States in 1846* Henderson K. Yoakum,1935 A facsimile reproduction of the original

History of Texas, from Its First Settlement in 1685 to Its Annexation to the United States in 1846... Henderson X. Yoakum, 1953* **The Texas Republic** William Ransom Hogan, 1946 Social and economic history The History of Texas Robert A. Calvert, Arnolfo De León, 1990 **The Texas History Teachers' Bulletin**, 1914 Gone to Texas: A History of the Lone Star State Randolph B. Campbell, 2004-02-12

Gone to Texas engagingly tells the story of the Lone Star State from the arrival of humans in the Panhandle more than 10 000 years ago to the opening of the twenty first century. Focusing on the state's successive waves of immigrants the book offers an inclusive view of the vast array of Texans who often in conflict with each other and always in a struggle with the land created a history and an idea of Texas. Striking a balance between revisionist and traditional approaches to history author Randolph B Campbell tells the stories of the colorful individuals and events that shaped the history of Texas giving equal treatment to the lives of men like Sam Houston and to women and minorities in Texas's history. He addresses the fact that Texas is widely regarded as a special state a place with a story that appeals to millions of people many of whom have never even been there and examines what created this idea of Texan distinctiveness. Organized chronologically the text focuses on five main themes: Texas as a forgotten province of the Spanish empire that was only protected when some other nation threatened to occupy it; the interpretation of the Texas Revolution as a clash between two disparate cultures rather than as a deliberate pre conceived plan by the U S to steal the province from Mexico; the identification of Texas as a Southern rather than Western state in terms of its demographic cultural economic and political influences and development; Texas's distinction not as a unique state but rather as the exaggerated embodiment of traditional American ideals and emotions such as individualism personal liberty and violence; and the two hundred year old history of Texas as a destination for immigrants seeking new opportunities. Vividly capturing the adventure and conflict of this state's legendary past *Gone to Texas* is ideal for undergraduate courses in Texas history.

Writing the Story of Texas Patrick L. Cox, Kenneth E. Hendrickson, Jr., 2013-03-01

The history of the Lone Star state is a narrative dominated by larger than life personalities and often contentious legends presenting interesting challenges for historians. Perhaps for this reason Texas has produced a cadre of revered historians who have had a significant impact on the preservation of our state's past. An anthology of biographical essays *Writing the Story of Texas* pays tribute to the scholars who shaped our understanding of Texas's past and ultimately the Texan identity. Edited by esteemed historians Patrick Cox and Kenneth Hendrickson this collection includes insightful cross generational examinations of pivotal individuals who interpreted our history. On these pages the contributors chart the progression from Eugene C Barker's groundbreaking research to his public confrontations with Texas political leaders and his fellow historians. They look at Walter Prescott Webb's fundamental innovative vision as a promoter of the past and Ruthe Winegarten's efforts to shine the spotlight on minorities and women who made history across the state. Other essayists explore Llerena Friend delving into an ambitious study of Sam Houston. Charles Ramsdell courageously addressing delicate issues such as racism and launching

his controversial examination of Reconstruction in Texas Robert Cotner an Ohio born product of the Ivy League bringing a fresh perspective to the field and Robert Maxwell engaged in early work in environmental history

Unveiling the Magic of Words: A Overview of "**Texas History**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is truly awe-inspiring.
