# Texas On My Mind

**Frank Eberle, Harry Van Denmark**

## Texas On My Mind:

**Texas** Manuel L. English, 2011-06 After a 13 day siege by the Mexican Army in March 1836 the Alamo fell 185 Texans were killed while trying to defend this fortress The Mexican Army marched on to Goliad where they massacred 350 Texans The Texas Army led by General Sam Houston engaged and defeated General Antonio Lopez de Santa Anna s Mexican forces at the Battle of San Jacinto on April 21 1836 Located in present day Harris County Texas it was the decisive battle of the Texas revolution in a fight that lasted just eighteen minutes About 700 Mexican soldiers were killed and 730 captured while only nine Texans died This battle paved the way for the Republic of Texas to become a sovereign nation Sam Houston became a national celebrity and the Texans rallying cries Remember the Alamo and Remember Goliad became etched into history and legend With its sovereignty declared Texas existed as an independent nation state from 1836 to 1846 with a promising healthy economy It had trade relationships with several other nations especially Great Britain When Texas agreed to join the Union of the United States in 1846 it reserved the right under its constitution to secede from the United States and once more become a nation in itself should its people so decide If this were to happen Texas could be divided into five individual states becoming once again the Republic of Texas The geography natural resources including petroleum agriculture ranching universities and industry of Texas enable it if necessary to be the independent nation that it reserved the right to be At different times by different Texans there have been discussions regarding the need and achievability of Texas seceding from the United States This was generally thought of as all talk and no one publically or seriously considered secession However some Texans now believe recent national politics producing a new federalism have pushed Texas too far from its traditions and beliefs and it s time for the rebirth of the Republic of Texas READ on *East Texas Hot Links* Eugene Lee, 1994 In the summer of 1955 local men gather in Charlesetta s Top o the Hill Cafe in East Texas Over drinks and card games the men joke and discuss the changing times the rise of the Klan and the murder or disappearance of young black men Tensions slowly rise leading to a life changing climax *The American Dream Through the Eyes of Black African Immigrants in Texas* Ami R. Moore, 2013-04-18 Using James Truslow Adams definition of the American dream this book investigates whether black African immigrants in Texas are achieving the American dream Almost all of the study participants Moore interviewed considered America a land of opportunity Additionally most of the black African immigrants definitions of the American dream focused on material aspects Although participants mostly reported that the United States had been good to them they nonetheless felt that they had not yet achieved the American dream Additionally they reported that their lives in the United States had been at best incomplete They also encountered other challenges which mainly reflected the moralistic aspect of the definition of the American dream They reported experiences such as not being fully accepted by native born Americans in general and by white Americans in particular being discriminated against and being unappreciated In fact all of these challenges created a sense of marginalization among study participants However aware of the benefits of migration they

were willing to endure these challenges      Waltz Across Texas Bonnie Moore,2018-07-25 Waltz Across Texas is a love story of two people who led a difficult life trying to start a home during the Great Depression Roy was a musician who never took a lesson but was gifted with an ear for music This ability was the catalyst that brought him into contact with Alice a beautiful dark haired beauty When they met at a friends house it was love at first sight The love story opens up a world lost in time but forever remembered as a waltz across Texas one last time Though they wanted material items they were blessed with friends who were brought together by the music of Roy and his violin The novel weaves a thread of love that weaves characters together It is told through the eyes of their daughter      **The Groom Who (Almost) Got Away** Carla Neggers,Cathy Gillen Thacker,2015-04-28 Collects two love stories including 3z BThe Groom Who Almost Got Away 3y B in which Max who walked away from Calley four years ago without any explanation gets a shot at reconciling with her and the chance to overcome the biggest regret of his life      **Texas Advance Sheet May 2012 ,      A Few Historic Records of the Church in the Diocese of Texas, During the Rebellion** Charles Gillette,1865      Texas Gothic James Pylant,2014-10-01 It began in the 1800s In the Texas town of Mineral Wells people drinking the strange tasting water claimed to be cured of insanity rheumatism and terminal illness Discovery of the phenomenon beguiled thousands of tourists curiosity seekers and the afflicted who desperately sought cures Yet the town that promoted its crazy water attracted eccentric citizens including wealthy Will and Anna Johnson who unable to cope with the deaths of their children spared no expense in preserving the bodies for entombment in a mausoleum paperclip inventor David Galbraith the builder of a house in the shape of a honeycomb and influential mortician Bob Beetham who gained power by keeping the town s secrets In Texas Gothic author James Pylant also uncovers the mysterious life of beautiful and ambitious Mineral Wells resident Corinne Griffith After becoming a famous star of the silent screen and one of America s richest women she made a shocking courtroom claim that she was not the real Corinne Griffith Under the looming 14 story Baker Hotel Mineral Wells thrived with visits from movie stars yet the crazy water beckoned exploiters and predators Texas Gothic reveals true tales of the town s forgotten past murder white slavery prostitution and mysterious deaths      *The Road to Pleasant Farm, Texas* Christopher L. McGee,2010-08-31 Pleasant Farm Texas An Adam McGee Novel It s the 1990 s The place is Texas Twenty one year old Adam Am McGee has agreed to drive his ex girl friend Sybil Moore and her family to Pleasant Farm Texas The vivacious Sybil plans to collect money from an old business partner Steve Big Meat Pervis and use it to start a beauty salon with her sister Tracy and her aunt Jackie But things don t work out as simply as planned Guilty about past sexual indiscretions Adam agrees to accompany Sybil and her family to west Texas Then sharing a rented Lincoln the four of them begin with their journey Soon they find themselves in a west Texas world of sex extortion and murder that changes their lives forever      **Journal of the American Medical Association** American Medical Association,1913      **A Rebel Wife in Texas** Erika L. Murr,2001-09-01 A Rebel Wife in Texas offers a singular glimpse into nineteenth century southern culture through the eyes of a captivating

and complex woman who as a product of that culture both revered and reviled it Elizabeth Scott Neblett was raised in a slaveholding family in eastern Texas Despite the frontier conditions she was very much a southern belle who embraced conventional dictates and aspired to the cult of true womanhood Neblett entered romantic marriage and motherhood with optimism but over time her experiences as a wife and mother made her severe and increasingly despondent When the Civil War ripped away the existing social structure and took her husband away from home she was pressed to assume many of his responsibilities including managing the family property and its eleven slaves Frustrated by a growing sense of powerlessness and inadequacy she frequently railed in anger against herself her husband and her children Skillfully edited and annotated *A Rebel Wife in Texas* is a rich resource for anyone researching the nineteenth century South not least for its observations on slave and class relations regional politics lynching farm management medical practices mental illness and the Civil War in Texas It also offers an uncommonly intimate perspective on marriage during that era The frankness desperation and detail with which Neblett discusses birth control and child rearing make this a unique collection of letters Elizabeth Scott Neblett's autobiographical record is the fascinating tale of one woman's life a life both ordinary and extraordinary It is also in important ways the wider story of a culture rent by turmoil from within and without *The Texas Magazine* Frank Eberle, Harry Van Denmark, 1913 **Texas Dental Journal**, 1915 Issues for 1962 include as a separate section the association's annual roster **East Texas Daughter** Helen G. Green, 2003 In a moving and forthright personal account the first black woman admitted to a school of professional nursing in Dallas Texas recounts her poverty stricken childhood in East Texas her struggle to become an R N and her professional successes and their toll on her personal life **Proceedings of the ... Annual Sessions of the Texas Bar Association** Texas Bar Association, 1927 *The Texas Criminal Reports* Texas. Court of Criminal Appeals, Alexander M. Jackson, Alexander M. Jackson (Jr.), Sam Andrew Willson, John Preston White, Rudolph Kleberg, W. W. Nelms, W. C. Wear, 1894 *From the West Side Streets of San Antonio Texas to the Street of Gold in Heaven* Pastor Sanchez, 2012-10 This Testimony is not to glorify my life or make me look good it is to give praise glory and honor to my Lord and Savior Jesus Christ for the Change He did in my life **The Texas criminal reports**, 1918

**Black Texas Women: A Sourcebook** Ruthe Winegarten, 2014-08-27 A collection of over 250 documents fifty biographical sketches and a timeline that served as the basis for *Black Texas Women 150 Years of Trial and Triumph* When *Black Texas Women 150 Years of Trial and Triumph* was published in 1995 it was acclaimed as the first comprehensive history of black women's struggles and achievements This companion volume contains the original source materials that Ruthe Winegarten uncovered during her extensive research Like a time capsule of black women's history *A Sourcebook* includes petitions from free women of color lawsuits slave testimonies wills plantation journals club minutes autobiographies ads congressional reports contracts prison records college catalogues newspaper clippings protest letters and much more In addition to the documents a biographical section highlights the lives of women from various walks of life The book concludes

with a timeline that begins in 1777 and reaches to 1992 This wealth of original material will be a treasure trove for scholars and general readers interested in the emerging field of black women s history One of its kind This book is very much needed because of the scarcity of material on Black women s history in Texas or Black women s history in general Linda Reed Associate Professor of History and Director African American Studies Program University of Houston Though readers of conscience are aware of the abuses endured by Black women no fiction or interpretation in nonfiction can have the impact of original sources Review of Texas Books      **Texas School Journal** ,1893
