## Texas Pilgrim:

**The Texas Pilgrim** Jim Windham,2022-04-28 Because Ideas Have Consequences Since its founding 20 years ago The Texas Pilgrim simply has been a monthly personal letter of commentary with an objective to engage readers in a dialogue on the critical issues of our time and the ideas that drive public policy and culture in America Neither a newsletter nor an electoral polemic it has been a wide ranging perspective on public policy political philosophy books social issues and American cultural issues consistent with the theme advanced by Richard Weaver that ideas have consequences Now as it reaches the milestone of its 20th year the time has come to take stock of this project This volume does so with a collection from among almost 1 000 essays and book reviews published in more than 200 monthly issues **Texas Pilgrim** Bret Rey,1995 **Pilgrim's Wilderness** Tom Kizzia,2014-07-15 Into the Wild meets Helter Skelter in this riveting true story of a modern day homesteading family in the deepest reaches of the Alaskan wilderness and of the chilling secrets of its maniacal spellbinding patriarch When Papa Pilgrim his wife and their fifteen children appeared in the Alaska frontier outpost of McCarthy their new neighbors saw them as a shining example of the homespun Christian ideal But behind the family s proud piety and beautiful old timey music lay Pilgrim s dark past his strange connection to the Kennedy assassination and a trail of chaos and anguish that followed him from Dallas and New Mexico Pilgrim soon sparked a tense confrontation with the National Park Service fiercely dividing the community over where a citizen s rights end and the government s power begins As the battle grew more intense the turmoil in his brood made it increasingly difficult to tell whether his children were messianic followers or hostages in desperate need of rescue In this powerful piece of Americana written with uncommon grace and high drama veteran Alaska journalist Tom Kizzia uses his unparalleled access to capture an era defining clash between environmentalists and pioneers ignited by a mesmerizing sociopath who held a town and a family captive *The Blessings of Business* Darren E. Grem,2016-05-02 While preachers activists and politicians have all helped spread the gospel Grem argues that evangelicalism owes its strength to the blessings of business Grem offers a new history of American evangelicalism showing how its adherents strategically used corporate America its leaders businesses money ideas and values to advance their religious cultural and political aspirations [A Pilgrim's Path](#) John J. Robinson,1993 The author of *Born in Blood The Lost Secrets of Freemasonry* describes the history and principles of the world s largest secret society and then takes on those who have condemned it refuting their fabrications and misstatements An eye opening book for those interested in the mysteries of Freemasonry and disturbed by the rise of the Fundamentalist Right [Historic Churches in Texas](#) ,William,2018-06-20 The story of historic churches in Texas is the story of the Anglo American and European immigrants in Texas It is the story of the struggle of three cultures trying to coexist in an empty and often hostile land the Native Americans the Mexicans and the immigrants It is the story of circuit riding preachers tirelessly clandestinely crisscrossing Texas bringing the Protestant word of God to the people in a land where prior to Texas s independence only

Catholicism was legal It is the story of a people who successfully fought and won their independence to build a nation It is the story of Texas Over the past ten years my wife and I have visited and photographed almost one thousand historic churches in Texas We have seen stunningly beautiful stained glass windows listened to the rich tones of Texas s largest organ and prayed in the smallest active Catholic Church in the world We visited the oldest Polish church in the United States in Panna Maria lingered with spirits in an abandoned church in Nacogdoches and were dazzled by the bright colors and designs found in the Catholic Cathedral in Beaumont In Berlin we held a silver communion cup donated to the church in 1889 and in San Antonio we touched the sarcophagus where the remains of Alamo heroes William Travis David Crockett and James Bowie are said to be kept The photographs and text which was jointly written by William and Mary Pamela Schaefer are attempts to capture the important history and the quiet beauty of the 186 historic Texas churches presented in this book
