Brunson,1970-01-01 Agricultural and urban development came late to the Texas South Plains and frontier life lingered well into the twentieth century In the decade preceding World War I numerous land companies flourished in the area and acted as catalysts for settlement and economic expansion Prominent among these companies was the Plainview based Texas Land and Development Company founded in 1912 as an operating agent for a syndicate of eastern financiers Like most land companies the Texas Land and Development Company operated a large scale enterprise that broke up ranch holdings into tracts for sale to farmers Company agents advertised broadly in newspapers and magazines and organized special train trips to bring prospective customers to the area And like most entrepreneurs associated with frontier land companies backers of the Texas Land and Development Company hoped to realize a quick profit from land sales The Plainview enterprise was however unique in many ways It promoted relatively high priced lands and tried to sell fully developed irrigated farms The company was an important social and economic force in Plainview and the surrounding counties because its backers put capital into the region instead of taking money out Especially during the early years the company realized little profit from sales because of war and depression The complex and sophisticated fiscal structure of the company is of particular historical significance B R Brunson traces the history of the influential Texas Land and Development Company from its inception in 1912 to its final dissolution in January 1956 He combines an analysis of the company s role in Panhandle economic growth with lively biographies of the men who organized the operation and descriptions of their achievements in the fields of irrigation farm planning company organization and finance **Texas, Lone Star Land** Ann Fears Crawford,Lorin Garfield Kennamer,James V. established itself twenty five years later Our countrymen in fighting for the union of Texas with the United States will be fighting for that which at no distant period will inevitably dissolve the Union The slave States having the eligible addition to their land of bondage will ere long cut asunder the Federal tie and confederate a new and distinct slaveholding republic in opposition to the whole free republic of the North Thus early will be fulfilled the prediction of the old politicians of Europe that our Union could not remain one century entire and then also will the maxim be exemplified in our history that liberty and slavery can not long inhabit the same soil Lundy died as he had lived in the firm belief that American slavery would be abolished before 1900 and he contributed more to that result than many perhaps than any of his contemporaries Texas John Hamilton,2016-08-15 Welcome to Texas the Lone Star State Students will explore Big Bend National Park attend a Dallas Cowboys football game visit NASA s Lyndon B Johnson Space Center and more as they learn about Texas s history plants and animals industries sports cities famous people and more in this fun fact filled title Aligned to Common Core Standards and correlated to state standards Abdo Daughters is an imprint of Abdo Publishing a division of ABDO **The War in Texas ...
