The Essential Guide to Writing History Essays Katherine Pickering Antonova, 2020 The Essential Guide to Writing History Essays is a step by step guide to the typical assignments of any undergraduate or master's level history program in North America Effective writing is a process of discovery achieved through the continual act of making choices what to include or exclude how to order elements and which style to choose each according to the author's goals and the intended audience The book integrates reading and specialized vocabulary with writing and revision and addresses the evolving nature of digital media while teaching the terms and logic of traditional sources and the reasons for citation as well as the styles This approach to writing not only helps students produce an effective final product and build from writing simple short essays to completing a full research thesis it also teaches students why and how an essay is effective empowering them to approach new writing challenges with the freedom to find their own voice **The Indian Journal of English Studies**, 1995

Making a Difference Gayle Green, Coppélia Kahn, 2003-09-02 First published in 2002 Feminist scholarship employs

gender as a fundamental organizing category of human experience holding two related premises men and women have different perceptions or experiences in the same contexts the male perspective having been dominant in fields of knowledge and that gender is not a natural fact but a social construct a subject to study in any humanistic discipline This challenging collection of essays by prominent feminist literary critics offers a comprehensive introduction to modes of critical practice being used to trace the construction of gender in literature The collection provides an invaluable overview of current femionist critical thinking Its essays address a wide range of topics the rerlevance of gender scholarship in the social sciences to literary criticism the tradition of women s literature and its relation to the canon the politics of language French theories of the feminine psychoanalysis and feminism feminist criticism of writing by lesbians and black women the relationship between female subjectivity class and sexuality feminist readings of the canon

The Routledge Companion to Politics and Literature in English Matthew Stratton,2023-05-31 The Routledge Companion to Politics and Literature in English provides an interdisciplinary overview of the vibrant connections between literature politics and the political Featuring contributions from 44 scholars across a variety of disciplines the collection is divided into five parts Connecting Literature and Politics Constituting the Polis Periods and Histories Media Genre and Techne and Spaces Organized around familiar concepts such as humans animals workers empires nations and states rather than theoretical schools it will help readers to understand the ways in which literature affects our understanding of who is capable of political action who has been included in and excluded from politics and how different spaces are imagined to be political It also offers a series of engagements with key moments in literary and political history from 1066 to the present in order to assess and reassess the utility of conventional modes of periodization The book extends current discussions in the area looking at cutting edge developments in the discipline of literary studies which will appeal to academics and researchers seeking to orient their own interventions within broader contexts

Panjab University Research Bulletin ,1987 Feminisms Robyn R. Warhol,Diane Price Herndl,1997 In the landmark 1991 edition of *Feminisms* Robyn Warhol and Diane Price Herndl assembled the most comprehensive collection of American and British feminist literary criticism ever to be published In this revised edition the editors have updated the volume in keeping with the expanded parameters of feminist literary discourse With the inclusion of more than two dozen new essays along with a major reorganization of the sections in which they appear Warhol and Price Herndl have again established the measure for representing the latest developments in the field of feminist literary theory Believing that the feminist movement can only move forward where difference commands attention not dismissal or negativism they have continued the original collection s mission of providing a multiplicity of perspectives and approaches This anthology contains three new sections Conflict Gaze and Practice and includes more selections by and about women of color and lesbians Aimed at academics and the general public alike this collection is an indispensable guide to the range of practice on campus today in the field of feminist literary criticism

Emotions in Medieval Arthurian Literature Frank

Brandsma,Carolyn Larrington,Corinne J. Saunders,2015 Analysis of how emotion is pictured in Arthurian legend **The Literary Field under Communist Rule** Aušra Jurgutienė,Dalia Satkauskytė,2019-06-03 This volume widens the field of Soviet literature studies by interpreting it as a multinational project with national literatures acting not as copies of the Russian model but as creators of a multidimensional literary space The book proposes a reconsideration of Pierre Bourdieu's theory of literary field and analyzes the interactions of literature power and economics under the communist rule The articles selected include theoretical discussions and case studies from different national literatures presenting different structural elements of the Soviet literary field as well as phenomena created by the complexity of the field itself such as the Aesopian language state of emergency literature or compromise as the essential element of the writer's identity **Children's Literature as Communication** Roger D. Sell,2002-01-01 In this book members of the ChiLPA Project explore the children's literature of several different cultures ranging from ancient India nineteenth century Russia and the Soviet Union to twentieth century Britain America Australia Sweden and Finland The research covers not only the form and content of books for children but also their potential social functions especially within education These two perspectives are brought together within a theory of children's literature as one among other forms of communication an approach that sees the role of literary scholars critics and teachers as one of mediation Part I deals with the way children's writers and picturebook makers draw on a culture's available resources of orality literacy intertextuality and image Part II examines their negotiation of major issues such as the child/adult distinction gender politics and the Holocaust Part III discusses children's books as used within language education programmes with particular attention to young readers pragmatic processing of differences between the context of writing and their own context of reading **The Oxford Handbook of the Prophets** Carolyn Sharp,2016-09-01 The Latter Prophets Isaiah Jeremiah Ezekiel and the Book of the Twelve comprise a fascinating collection of prophetic oracles narratives and vision reports from ancient Israel and Judah Spanning centuries and showing evidence of compositional growth and editorial elaboration over time these prophetic books offer an unparalleled view into the cultural norms theological convictions and political disputes of Israelite communities caught in the maelstrom of militarized conflicts with the empires of ancient Egypt Babylonia and Persia Instructive for scholar and student alike The Oxford Handbook of the Prophets features wide ranging discussion of ancient Near Eastern social and cultic contexts exploration of focused topics such as the persona of the prophet and the problem of violence in prophetic rhetoric sophisticated historical and literary analysis of key prophetic texts issues in reception history from these texts earliest reinterpretations at Qumran to Christian appropriations in contemporary homiletics feminist materialist and postcolonial readings engaging the insights of influential contemporary theorists and more The diversity of interpretive approaches clarity of presentation and breadth of expertise represented here will make this Handbook indispensable for research and teaching on the Latter Prophets **Writers Reading Writers** Robert Hollander,2007 This volume is a collection of intertextual studies on medieval and early modern

literature in honor of Robert Hollander by some of his former students Writers are always also readers responding to texts that have provoked their thought The contributors to this volume all participate in its overarching theme writers reading and responding to the work of other writers As Hollander's work has focused especially on Dante and Boccaccio many of the essays treat one of these writers either as reading or as read by others Other essays trace intertextual influences in Langland Shakespeare or post Enlightenment writers faced with the loss of Dante's meaningful cosmos *Modern Children's*

Literature Catherine Butler, Kimberly Reynolds, 2014-12-12 An established introductory textbook that provides students with a guide to developments in children's literature over time and across genres This stimulating collection of critical essays written by a team of subject experts explores key British American and Australian works from picture books and texts for younger children through to graphic novels and young adult fiction It combines accessible close readings of children's texts with informed examinations of genres issues and critical contexts making it an essential practical book for students This is an ideal core text for dedicated modules on Children's literature which may be offered at the upper levels of an undergraduate literature or education degree In addition it is a crucial resource for students who may be studying children's literature for the first time as part of a taught postgraduate degree in literature or education New to this Edition Revised and updated throughout in light of recent children's books and the latest research Includes new coverage of key topics such as canon formation fantasy and technology Features an essay on children's poetry by the former Children's Laureate Michael Rosen

Management Theory Nanette Monin, 2004-01-22 Building on the rapidly developing interest in guru theory and management fashions this book introduces the idea of scriptive reading to readers of management **Reading Poetry, Writing Genre** Silvio Bär, Emily Hauser, 2018-12-27 This ground breaking volume connects the situatedness of genre in English poetry with developments in classical scholarship exploring how an emphasis on the interaction between English literary criticism and Classics changes sharpens or perhaps even obstructs views on genre in English poetry Genre has classical roots both in the etymology of the word and in the history of genre criticism which begins with Aristotle In a similar vein recent developments in genre studies have suggested that literary genres are not given or fixed entities but subjective and unstable as well as historically situated and that the reception of genre by both writers and scholars feeds back into the way genre is articulated in specific literary works Classical scholarship literary criticism and genre form a triangle of key concepts for the volume approached in different ways and with different productive results by contributors from across the disciplines of Classics and English literature Covering topics from the establishment of genre in the Middle Ages to the invention of female epic and the epyllion and bringing together the works of English poets from Milton to Tennyson to Josephine Balmer the essays collected here argue that the reception and criticism of classical texts play a crucial part in generic formation in English poetry
