*50 Parent Commandments* Tosi Ufodike, 2012-07-01 *50 Parent Commandments* is a must have book by childcare expert Tosi Ufodike. Parents all over the world struggle with how to hire and retain good nannies to look after their children. In this book she offers simple yet effective advice on Hiring a Good Nanny. This book answers many questions: Should you offer your nanny a bonus? What should you do if the nanny is a flirt? Should you allow the nanny to spank your child? How much should you pay a nanny? Nanny Cams: should you have one? Tosi Ufodike relied on numerous parent and nanny interviews to write this book. *50 Parent Commandments* is the only book that gives parent tested advice that is not based on theory but practical experience. With humor, insight, and proven experience, Tosi Ufodike breaks down the daunting task of hiring a good nanny.

In *The Organic Nanny's Guide to Raising Healthy Kids*, Rodriguez shows parents some simple lifestyle changes that can help them dramatically improve the well-being of their children. As a nanny, Rodriguez has seen some disturbing trends: toxic foods, childhood obesity, insomnia, and a lack of communication between parents and children. Her advice: Nutritious food and natural remedies to resolve chronic health and behavior issues. *The Organic Nanny's Guide to Raising Healthy Kids* will help parents put their children on a more natural track and give them a childhood to remember. *Knowing Their Place* Lucy Delap, 2011-06-16. Historians have traditionally seen domestic service as an obsolete or redundant sector from the middle of the twentieth century. *Knowing Their Place* challenges this by linking the early twentieth-century employment of maids and cooks to later practices of employing au pairs, mothers' helpers, and cleaners. Lucy Delap tells the story of lives and labour within British homes, from great houses to suburbs and slums, and charts the interactions of servants and employers along with the intense controversies and emotions they inspired. *Knowing Their Place* also examines the employment of men and migrant workers, as well as the role of laughter and erotic desire in shaping domestic service. The memory of domestic service and the role of the past in shaping and mediating the present is examined through heritage and televisual sources from *Upstairs Downstairs* to *The 1900 House*, *Drawing Room*, and *The Great British Bake Off*.

advice manuals magazines novels cinema memoirs feminist tracts and photographs this fascinating book points to new directions in cultural history through its engagement in innovative areas such as the history of emotions and cultural memory Through its attention to the contemporary rise in the employment of domestic workers *Knowing Their Place* sets modern Britain in a new and compelling historical context
