

A photograph of a dirt road winding through a forest. The trees are covered in autumn foliage, with shades of orange, yellow, and brown. The road leads towards a bright light at the end of the path, creating a strong sense of perspective. The overall mood is peaceful and hopeful.

Someone has to spread the  
good news that we survived.

## **The Good News And How To Spread It:**

**The Three Angels' Good News** Sherrilee Fish, Three heavenly angels streak across the expanse of the starry heavens and penetrate earth's atmosphere to bring an urgent message to human beings to prepare them for Jesus' return from heaven to earth. This three-part symbolic message is found in Revelation 14, the heart of the prophecies of the book of Revelation. Believers in the second advent of Christ in the mid-nineteenth century discovered this message and began sharing it with others. Over time, many of the children and grandchildren of those believers have lost their connection with that message and its relevance for them in a complex post-modern world. Author Sherrilee Fish unpacks the message of those angels for young people so that they can understand that the God who loves them was willing to save them at great cost and that He wants them to happily wait for the glorious return of Jesus to the earth. He also wants to give them the antidote to the dreaded mark of the beast and the marks of faithfulness of the people that Jesus will take with Him to heaven. Share its message with your children or let them read it on their own.

**The Good News of the Apocalypse** Ione L. Sedinger, 2010-10. Today there is a renewed interest in the Biblical book of Revelation which naturally brings to mind the word apocalypse. Because Revelation is best known for its wild symbolic imagery, some people will naturally assume this title to imply the same approach. This isn't the case; the word can also mean simply prophetic and that certainly describes the Bible. We are daily presented with the bad news of the world. In contrast, the Bible is the Good News, the rain that cleanses our soul, the amazing grace assuring us that God is still in control regardless of the situation. Through studying His Word, we are programming our conscience for right or wrong in thought and action. That is the reason we need not only to read but to study the Bible daily. The Good News of the Apocalypse offers assistance with that study with a brief comprehensible discussion of every book in the Bible arising from Sedinger's experience with a study group for teenagers. Everything in life is under God's control, and so Pastor Sedinger refers to life as God's Dance. The Good News is that Jesus came to teach us how to dance with God.

**Early American Proverbs and Proverbial Phrases** Bartlett Jere Whiting, 1977. B. J. Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them; no one knows more about British and American proverbs than he. The present volume, based upon writings in British North America from the earliest settlements to approximately 1820, complements his and Archer Taylor's *Dictionary of American Proverbs and Proverbial Phrases 1820-1880*. It differs from that work and from other standard collections, however, in that its sources are primarily not literary but instead workaday writings: letters, diaries, histories, travel books, political pamphlets, and the like. The authors represent a wide cross-section of the populace, from scholars and statesmen to farmers, shopkeepers, sailors, and hunters. Mr. Whiting has combed all the obvious sources and hundreds of out-of-the-way publications of local journals and historical societies. This body of material, because it covers territory that has not been extracted and compiled in a scholarly way before, can justly be said to be the most valuable of all those that Whiting has brought together, according to Albert B. Friedman. What makes the work important is Whiting's

**A Healthy Christian That Pleases God** Elder William D. Holmes,2013-05-31 In this book author Elder William D Holmes gives an account of life of the church how strong Christians used to be and how that people live for God with all their hearts soul and mind They conducted themselves as people of God in the way they dressed and live holy free from sin among the sinners They fasted prayed and testified and were saved sanctified baptized and filled with the Holy Ghost and fire The power of God was present in the church that it would knock and roll people on the floor They may not have money in their pockets or any of these worldly goods but they had Jesus in their souls on their way to heaven They may not have nice pews or carpet on the floor and some did not have much education but they had the power of God in their lives We are going to take a look at the church today how that we have better churches with modern technology We are more educated and have more money but what happened to the power of God from the old church Christians today cannot testify living free from sin Some cannot shout and praise God until they get all sweaty Pride has taken over the church today Christians have become spiritually sick There are so many teachings doctrines and cults to confuse people Satan has taken a seat in the church In the midst of all of these a Christian today can be healthy We are going to take a look at how a person can live a life to please God today in our generation just like the saints of old Most of all well look at how to make heaven your home

**Slowdown blues? Let's beat it.** Muralidharan Dhanapalan,2019-11-30 It is that time of the where negative

news pervades all over the world including India China and many European and Western nations as well The most dreaded word slowdown now is more heard and seen both in the media and through the Chinese whispers and the annals of any organisation worth its size and name So how do we look at the future and are we ready for tough times How long is such a situation going to last And is this for real or are the media and the trail of negative news all over affecting the mood and also exaggerating how bad things are than they could be in reality Whatever be the reality the moment we are faced with a situation it s like a huge thunderbolt hit us More than what in reality has happened owing to external circumstances and extraneous factors what takes a toll is the way once reacts when faced with a slowdown This e book is meant to be a good and thought helping companion when you think you are being bogged down by things like an impending slowdown or job loss or anything similar You are down but that s because of anything else BUT you a host of factors not in anybody s control While there is nothing much you can do on the extraneous factors what you can do is to make use of the interregnum as a kind of platform for re launching and rediscovering you in every manner possible The book is intended not only for those who are in the midst of such an event but also to everyone who wishes to be mentally prepared just in case they are in any part of the globe and are likely to be impacted by a slowdown Not much has been written as to how the softer side of a slowdown situation is to be handled on the personal front The pages of this book are meant to mentally prepare individuals equip them to handle slowdown or pink slips with grace and face life with more confidence and renewed vigour and make them more able and agile in handling the harsh reality of tough times in life just in case Read on Let s beat down the slow down

**The Gospel of Mark and the Roman-Jewish War of 66-70 CE** Stephen Simon Kimondo,2018-07-19 This book interprets Mark s gospel in light of the Roman Jewish War of 66 70 CE Locating the authorship of Mark s gospel in rural Galilee or southern Syria after the fall of Jerusalem and the temple and after Vespasian s enthronement as the new emperor Kimondo argues that Mark s first hearers people who lived through and had knowledge of the important events of the war may have evaluated Mark s story of Jesus as a contrast to Roman imperial values He makes an intriguing case that Jesus proclamation as the Messiah in the villages of Caesarea Philippi set up a deliberate contrast between Jesus s teaching and Vespasian s proclamation of himself as the world s divine ruler He suggests that Mark s hearers may have interpreted Jesus

liberative campaign in Galilee as a deliberate contrast to Vespasian's destructive military campaigns in the area Jesus's teachings about wealth power and status while on the way to Jerusalem may have been heard as contrasts to Roman imperial values hence the entire story of Jesus may have been interpreted an anti imperial narrative      **ThirdWay** ,1983-06 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture      **American Baptist Missionary Magazine and Missionary Intelligencer** ,1889 Volumes 7 77 80 83 include 13th 83rd 86th 89th annual report of the American Baptist missionary union      **The Story of Q.** N.
