Have This Mind David Williams, 2007-08-30

This is an impressive in depth study of the concept of kenosis and its relation to Christian Theology

That concept self emptying is central to a deep ethically related approach to understanding foundational religious themes so this volume is a very welcome contribution to the understanding of theology

George Ellis professor of Mathematics University of Cape Town

Through a deep and sound exegesis of the passage the writer takes the reader through several aspects of our daily life that has to be affected by the kenosis

Seen through the lens of kenosis human rights ethics ministry towards the poor and all the social struggles of our time are brought to light and given a new and constructive dimension

Dr Lubunga w Ehusa Evangelical Seminary of Southern Africa

I would agree wholeheartedly with you when you point out that His kenosis should be the model and the motivation for Christian ethics

The importance of this practical result of the kenosis can hardly be over emphasized especially in Christian South Africa

Professor emeritus Deon Thom well informed broadly based strongly argued responsible in terms of conclusions an overall laudable piece of research

I highly appreciate both the exegetical and the systematic aspects of the presentation

You have a definite ability to draw lines together into an overall view

That is Systematic Theology at its best

Professor Adriano K nig formerly head of Systematic Theology at the University of South Africa

Kenosis of God David T Williams, 2009-04

My first impression of the title Kenosis of God was that this was going to be an academic book replete with boring complex and difficult exegetical and theological arguments

On the contrary I found out after reading that it was very engaging exciting and very refreshing book on Christian Theology

The major strengths of this book are that it is

- 1 thoroughly biblical
- 2 historically and theologically consistent with evangelically Christianity
- 3 philosophically logical and coherent and above all
- 4 relevant to the Christian life

I enthusiastically commend this book not only to Bible students and academic theologians but to Christians who desire not only to know the truth of Christian Theology but its implications on the Christian life

Professor Samuel Waje Kunhiyop PhD Head of Postgraduate School South African Theological Seminary

The book argues that the kenosis of Jesus is not an isolated act in the history of incarnation but is embedded in the very nature of his divinity

The entire Trinity operates in kenosis a deliberate choice to self

limitation in order to relate with one another and with the powerless The book shows that each person of the Trinity Father Son and the Holy Spirit participates and works in a kenotic way in their relation to the humanity The creator who accepts to give dominion to the people He created Jesus who limits himself by becoming a human being and the Spirit who dwells in and works through the Church accepting the risk of being grieved by the human fallen nature Dr Lubunga w Ehusa of the Evangelical Seminary of Southern Africa *How God Forms Abraham to Be a Blessing* Qiang Fu,2023-02-22 This book aims to understand God s interactions with Abraham in relation to God s command that Abraham be a blessing Gen 12 2d which is directly tied to God s goal that in you all the families of the earth will be blessed Gen 12 3b The book proposes a formative narrative approach to examine interactions between character and plot the movement of plot and the connection between sequential plots An analysis of thirteen Abrahamic narratives Gen 12 22 suggests a classification based on four different types of interactions between God and Abraham which indicate how cooperation and conflict between God and Abraham advance the narrative s plot The book then proposes a narrative discourse analysis to examine how Abraham evolved through different stages of the narrative by moving from deviation to cooperation Detailed analysis of this transformation process reveals three turning points in Abraham s life The formative narrative approach and narrative discourse analysis proposed in this book can contribute to the analysis of two important aspects of Old Testament narratives the formation of plot and the cause and effect structure in narrative discourse **Ancient World: Reader, 5th ed.** , The Catholic Bible, Personal Study Edition Graziano Marcheschi,Biagio Mazza,2022-04-29 In local parishes upper levels of secondary schools and introductory college classes the Personal Study Edition provides superb study resources for readers that will open the text of the Bible to new understanding and greater appreciation for all **Prophetic Precursors** Tom Wilson,2020-05-29 Prophetic Precursors discusses some key biblical figures Adam Noah Abraham Joseph Moses David Solomon Mary and Jesus Christian and Muslim views of these figures are contrasted and where relevant the question is asked whether these figures point us towards Jesus or towards Muhammad **As It Is Written and Intended** Jason N. Yuh,2025-09-29 How someone sees Scripture directly correlates with how one sees life If Jesus Christ is seen organically and meaningfully in every part of Scripture then he will be seen that way in every aspect of life As lofty as that might sound the inverse is also true if it is a struggle to see Christ organically and meaningfully in various parts of Scripture then it will be a struggle to see him that way in various aspects of life The purpose of this book is to help readers engage in God s word so that Christ is beheld in every part of both Scripture and life by offering an approach to Scripture that is from Scripture itself Thus the heart of this approach is to engage in God s word as he himself intends As a result readers will see that all of Scripture is grounded saturated and culminating in Christ alone and in turn that all of life is grounded saturated and culminating in Christ alone **Dictionary of the Old Testament: Pentateuch** T. Desmond Alexander,David W. Baker,2010-05-11 Exploring the major themes and issues of the Pentateuch this encyclopedic work offers authoritative overviews detailed examinations and new

insights from the world of the ancient Near East Edited by T Desmond Alexander and David W Baker **The Naked Christ**
Dan Le,2012-08-22 The cross of Christ is undeniably central to the Christian faith But how can the cruelty and brutality of a
two thousand year old Roman cross touch base with a hedonistic world that has been so desensitized towards violence Within
the postmodern setting of a body obsessed culture Christianity urgently requires an innovative and stimulating way of
understanding the cross and its atoning significance At the heart of this book is the Naked Christ an emblem through which
the author draws on the rich resources of the Christian tradition in its portrayal of the cross He explores how the metaphors
of nakedness and clothing can encapsulate aspects of atonement and enable them to be understood within a variety of
contemporary contexts The Naked Christ is a useful resource for anyone seeking fresh ways to express what the cross of
Christ means to contemporary culture **Old Testament Commentary Survey** Tremper Longman,2007 Provides pastors
