

The
GOSPEL
of
EMERSON

It called for painstaking and literary skill to make these seventeen living chapters on the central spiritual themes of Emerson. Here one learns indeed the gospel of the sage, for Mr. Dillaway, than whom there is no more understanding or inspired student of Emerson, has left out nothing that is genuinely of the message of the man.

Committee on Resources of American Libraries. National Union Catalog Subcommittee, 1968 *The Alchemist's Handbook* John Randolph Price, 2000-09-01 From an ancient formula the secret of the ages we find the precepts

to create an Ideal Life where all you have ever wanted is brought into material form and physical experience In this exciting book John Randolph Price brings us the ancient science of Dynamic Alchemy to rapidly accelerate the realization of peace and plenty and dissolve the false belief that conflict and scarcity could possibly exist in a universe of love and infinite givingness Rather than changing lead into gold the step by step alchemical process that Price gives us focuses on creating a new world by bringing into visibility the forms and experiences we choose for greater joy and fulfillment in life Dynamic alchemy calls for us to fully understand cause and effect mind and manifestation and energy and matter and to move from what may be considered passive spirituality to positive assertiveness in our rediscovery of the ideal life By recognizing the power of the mind and the unity of spirit and matter dynamic alchemy progresses from spiritual mysticism to Divine Materialism Creative Principle at work materializing in the world of form which Price points out is wholly sanctioned by the Great Power ordering all things and the Great Thought producing all things It is a spiritual process for those who are ready to assume responsibility for their lives as active co creators **Author - Title Catalog** University of California, Berkeley. Library,1963 **The Jesus Code** John Randolph Price,2000-02-01 A mystical experience reveals a new paradigm for life enabling us as the phoenix to rise triumphant from scarcity discord and sickness into a light filled world of abundance right relations and wholeness In a very vivid dream during the night of January 1 1998 John Randolph Price was emphatically denied access to the secret gate leading to Cosmic Consciousness Both curious and concerned he pondered what to do next Then he was suddenly given the specific instruction See Jesus for the Code John began the task immediately upon awakening first with quiet prayer to become attuned to the mind which was in Christ Jesus followed by several days of meditative inner plane work There was little progress until he took a break from the project and went for a long walk in the woods And it was there that he heard the central message of the Code a challenge for all of us to embrace a new Model of Reality and change our perspective on what it means to be spiritual in this world From this mystical experience came specific steps to higher consciousness a ladder to climb to a new dimension where the illusions of sickness scarcity and discord are shattered and a world of wholeness abundance and right relations is revealed John was also given a glimpse of the future as we enter the millennium and was shown how lasting peace will finally come to planet Earth Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ...
