St. John's Gospel Stephen K. Ray, 2011-06-17 As Catholics in ever-growing numbers are taking part in Bible studies, many questions arise: How do I study the Bible? Where do I begin? Is it OK to interpret the Bible for ourselves? What Bible should I use? How can I understand such a deep book as the Gospel of St. John? This book has the answer to these and many other such questions. Stephen Ray takes the difficult and makes it easy; he takes the confusion and makes things clear. It gives a simple start for a beginner while providing the depth and profundity for the scholar. This book is one of a kind. It is the first extensive, easy-to-use and thoroughly Catholic study guide available. This Bible study provides extensive text boxes with detailed information that helps students discover the cultural, religious, historical, and other information on the specific passage they are studying. It utilizes quotes for a wide range of scholars, historians, and specialists to instruct the student and give valuable insights into the background and meaning of the text. This book can serve as a basic Bible study guide for working through the Gospel of John, helping the student plumb the depths of St. John's marvelous and deeply spiritual Gospel. It is excellent for use by individuals or groups, for families or schools.

Enchanted by Eternity William J. Slattery, 2025-01-20 Whether we realize it or not, Catholics have been deeply influenced by modernity's failed worldview. While we want to live and share our faith with joy, we struggle to do so because we unwittingly see the cosmos, the human person, and society as machines functioning independently of their Creator and of one another. If we want to bring the life-transforming effects of our faith into the world, we must first find and live real Catholicism, breaking free of the gravitational pull of modernity's worldview. A worldview is the stable, all-encompassing way in which each of us looks at reality, the pair of glasses through which we see the world around us. It makes up the grid of given assumptions and presuppositions through which we view the world. It colors what we mean by God, universe, and human. Everyone has a worldview, and recognizing our worldview and the worldviews of others is crucial in our search for truth, goodness, and beauty. In *Enchanted by Eternity*, Fr. William Slattery shows how Catholicism proposes an enchanted and enchanting view of self, nature, society, and the future of each human person created to live in a resurrected body in the new heavens and the new earth. As this book reveals, rediscovering a truly Catholic worldview will change the way we live, and it might even change the world.

Reconstructing Theological Ethics P. A. McGavin, 2024-02-19 Theological Ethics in the book title is intended to

mark a departure from the manner of Catholic practice named Moral Theology This departure has two strands because the practice that the Second Vatican Council critically addressed was a manualist tradition while much of the practice following the Council has been represented as relativist This book is not manualist in that the focus is upon method rather than on codified specification of behaviours The work is not relativist in that the focus on method is firstly scriptural approaching scripture in a holistic or canonical manner and further is lawful in an approach of law that focuses less on precept and more on understandings of natural law that brings together phenomenological evidences and scriptural evidences The scriptural and natural law perspective present in the book also engages cross disciplinary and inter disciplinary learnings These streams of scripture natural law and inter cross disciplinary learnings have a confluence in discourse in the manner of dialogue a manner that is dialogical An essential aspect of dialogue under the banner of Reconstructing Theological Ethics is that it should engage contemporary culture not in a sense that contemporaneity or modernity should be determinative but in the sense that the reasoning argumentation and dialogue should have resonance with contemporary thinking and rethinking of issues that remain in contention for contemporary audiences Theological Ethics is a wide remit and the book provides a methodological focus on Selected Topics in Human Sexuality The Blessed Virgin Mary in England Anthony Josemaria, FTI, 2008-11-10 O Blessed Confidence O Safe Refuge Mother of God and Our Mother St Anselm of Canterbury 1033 1109 Doctor of the Church What is not generally known and only infrequently studied is the role of Our Lady over the centuries as a catechist teacher of the faith in a very real sense primary teacher because she is Mother of God and Mother of the Church and faithful If any one factor might be singled out for the very high level of faith and religious practice in medieval merry England merry because Mary s dowry because consecrated to Mary as her possession and property it is this Marian catechesis Only when England deliberately rejected Mary did it cease to be the happy place it once was Unfortunately English colonization of other peoples took place only after the repudiation of Mary by England That is why this catechetical work is especially valuable for the faithful and those who are seeking faith in America and other English speaking cultures It will bring to their attention precisely what is central to catechetics and so often missing the presence of Mary Mother and Teacher It will make perfectly clear why we need not fewer Marian sanctuaries but many many more in all parts of the country where this quiet but so real and profound influence of the Marian principle of the Church will be felt at every level It is my prayer and hope that those who read and study this work will find the same inspiration and stimulus that I found in having the privilege to read the manuscript before publication We are much indebted to Brother Anthony Josemaria Pasquale a Franciscan Tertiary of the Immaculate and gifted scholar for the effort he has expended to find qualified contributors and to offer so well edited a book to the general public From the Foreword by Father Peter M Fehlner FI theologian sponsor of the International Symposium on Marian Coredemption **A Life of Conversion** Derek Rotty, 2019-09-13 As Jesus passed on from there he saw a man called Matthew sitting at the tax office and he said to him Follow me And he rose and followed him

Matthew 9:9 Conversion The word is often associated with a one time event such as the call of Saint Matthew But even for Matthew that call was only the beginning the moment when he started following Jesus For Matthew as for all the saints his conversion lasted a lifetime Real conversion repentance and turning toward God is a process that happens daily It is our continual yes to the Lord and the grace he offers us In *A Life of Conversion* Derek Rotty walks through eight Gospel passages that reveal essential lessons about conversion Through these stories from Scripture you will encounter Christ again and again and with him as your model you ll be drawn into a deeper relationship with the master of conversion Each chapter includes reflection questions that are perfect for both individual and group study ABOUT THE AUTHOR Derek Rotty is a husband and father For more than a decade he has ministered in Catholic parishes helping children teens and adults find deeper encounters and relationships with Jesus He currently serves as Director of Evangelization and Discipleship at St Mary s Catholic Church in Jackson Tennessee He has written for *The Catechetical Review* *Crisis Magazine* *Catholic Exchange* and the *West Tennessee Catholic* To learn more visit www.derekrotty.com

Building a Civilization of Love Harold Burke-Sivers, 2023-09-25 The examination of attitudes and practices regarding racism and slavery through magisterial teaching throughout the last two millennia within the United States Catholic Church and a challenging grass roots proposal to be carried out in each local parish

Behold the Man Harold Burke-Sivers, 2015-08-17 Lucid and inspiring *Behold the Man* is a unique exploration of Catholic spirituality for men Much of the literature written for Catholic men focuses on topical issues such as fatherhood and sexuality While this book does not exclude these subjects it is the first to present a comprehensive picture of Catholic male spirituality What is authentic male Catholic spirituality What distinguishes it from Protestant male spirituality How does masculine spirituality complement feminine spirituality These questions and many more are answered in this book Drawing from Scripture and Church teaching the author roots Catholic male spirituality in a covenant relationship with God and the cross of Jesus Christ He demonstrates that when a man embraces the cross he is truly able to be himself the man that God created and calls him to be *Behold the Man* can deepen a man s experience of Christ and help him to know the Lord more intimately
