development of the Johannine tradition Volume 1 gives detailed evidence identifying and listing the criteria for each stratum Volumes 2 and 3 apply those criteria to the Gospel and Letters of John respectively Shakespeare Survey With Index 1-10: Volume 11, The Last Plays Allardyce Nicoll, 1958-01-02 The first fifty volumes of this yearbook of Shakespeare studies are being reissued in paperback Anti-Judaism and the Gospel of John Mirosław Stanisław Wróbel, 2023-12-04 In the light of the research undertaken in this book the author concludes that the so called anti Jewish texts in Johannine Gospel are not directed against the Jews being an ethnic or religious community The object of the polemic and attacks is not the entire Jewish nation across the span of all the ages but a group of the Jewish leaders or opponents to Jesus in the First Century AD Looking through the prism of the aposynagogal polemics one can notice that the state of tension between the Johannine community and the rabbinic Judaism is inter Jewish not anti Jewish in character The source of the polemical language of the Fourth Gospel is the Christological discussion in the historical and sociological context the Messianic confession the excommunication from the Synagogue the presence of Samaritans in the Johannine community the struggle for the preservation of the identity Cyclopaedia Bibliographica James Darling, 1854 **Reception of Northrop Frve** ,2021-09-23 The Reception of Northrup Frye takes a thorough accounting of the presence of Frye in existing works and argues against Frye's diminishing status as an important critical voice Kinship Relations in the Gospel of John Joan C. Campbell, 2023-12-06 This monograph examines the relationships between the two families of Jesus in the Fourth Gospel The first family is that of the mother brothers and sisters of Jesus the second is the fictive family of the disciples Using social scientific criticism Campbell proposes that the Gospel depicts a sharp division between these families that is between the biological family the brothers and sisters of Jesus adelphoi and the discipleship family that includes the mother of Jesus
