The Gospel Of Matthew Volumes I Ii:

The Gospel of Matthew, Volume Two William Barclay,2002-01-01 Ever question what may have been meant by the statement You are Peter and on this rock Are you puzzled by the cursing of the fig tree by Jesus or by his comments about moving mountains William Barclay discusses these and many other interesting matters in this second volume of The Gospel of Matthew With a lively translation and engaging commentary Barclay s comments on the latter portion of Matthew s Gospel are great for daily readings For almost fifty years and for millions of readers the Daily Study Bible commentaries have been the ideal help for both devotional and serious Bible study Now with the release of the New Daily Study Bible a new generation will appreciate the wisdom of William Barclay With clarification of less familiar illustrations and inclusion of more contemporary language the New Daily Study Bible will continue to help individuals and groups discover what the message of the New Testament really means for their lives

The Gospel of Matthew, Vol. 2 Rick Gregory,2016-06-11 The Gospel written by Matthew is a divinely inspired record of the life and ministry of Jesus Christ In each of the Gospels the Holy Spirit provides unique insights into the life and ministry of Jesus Christ As the gospel authors penned their works the Holy Spirit directed their writing to ensure that the view of Christ they presented was an exact and accurate record of what Jesus did and said this is who Jesus is Matthew was directed to write to a primarily Jewish audience for the purpose of demonstrating how that Jesus is the fulfillment of the Messianic promises to David that his descendant would sit on the throne of Israel forever Jesus as the son of David is presented as the rightful King of Israel with all of the corroboration required to certify His right to rule From the beginning of His gospel account Matthew anticipates through the eyes of the Magi the glories of the king of the Jews Matthew 2 2 At the end of his account Matthew records the conclusion of the matter that unwittingly came out of the declaration by Pontius Pilate who placed the ascription at the top of Jesus cross This is Jesus King of the Jews Matthew 27 37 Everything in his gospel underscores this truth that Jesus is the King A study of this gospel will inevitably lead to a deeper appreciation for the majesty and glory of the King Jesus Christ It will also provide insight in the devastation brought about by unbelief and rejection of Jesus Christ as Savior and Lord May you benefit from an enrichment of your personal faith as you study God s Word with the help of these exegetical outlines

The Gospel of Matthew Carol Walker,2016-02-15 The Gospel of Matthew is the first book in the New Testament It truly is a teaching Gospel It serves as an important resource for learning about the life and teachings of Jesus Christ The Apostles needed this teaching so that they could effectively form the foundation upon which the future Christian church would be built They needed this teaching to obey the commandment which Jesus gave them Go therefore and make disciples of all nations baptizing them in the name of the Father and of the Son and of the Holy Spirit and teaching them to obey everything that I have commanded you Matt 28 19 20 Using an easy to understand format The Gospel of Matthew offers an in depth study that reveals why Christ s presence forever changed the world Author Carol Walker explores the true nature of Jesus his mission on Earth and his ministry From

his birth to his death and resurrection Walker recounts Jesus life and in so doing reveals how Jesus fulfilled Old Testament prophecy Walker presents thirty four lessons that cover the twenty eight chapters of Matthew Each chapter is summarized to provide historical and cultural background information and a question and answer section presents an opportunity for further discussion Lessons include the important work of the Holy Spirit the ministry of John the Baptist the Sermon on the Mount Jesus interpretation of the Ten Commandments and much more The Gospel of Matthew presents a comprehensive study for individuals or groups If you re seeking to expand your knowledge of Jesus life and teachings and want to deepen your faith let this be your guide **Matthew's Theological Grammar** Joshua E. Leim, 2015-10-19 Are the identity of God and Jesus Christ inseparably related in Matthew s Gospel Joshua E Leim argues for this relationship in Matthew s narrative by attending to two linguistic patterns woven deeply into the entire narrative s presentation of Jesus Matthew s christological use of worship language and his paternal filial idiom Back cover **Matthew** W. D. Davies, Dale C. Allison, 1999-01-01 How should this massive work of scholarship be assessed The three volumes stand as one of the major commentaries on the Gospel of Matthew in which all future interpreters of the Gospel will find a source of fruitful dialogue and helpful ideas It is a must have both in libraries and in footnotes Davies and Allison are to be thoroughly commended on the fruits of their considerable toil Robert K McIver Seminary Studies **Matthew** Frederick Dale Bruner, 2007 Drawing on great church teachers through the centuries and on the classical Christian creeds and confessions this book asks both what Matthew s Gospel said to its first hearers and what it says to readers today It shows how the focus of Matthew shifts from Jesus teaching about who he is to teaching mainly about what his church is **The Gospel of St. Matthew** Heinrich August Wilhelm Meyer, 1877 **The Gospel of Matthew, vol. 2** Walter T. Wilson, 2022-11-29 What was the original purpose of the Gospel of Matthew For whom was it written In this magisterial two volume commentary Walter Wilson interprets Matthew as a catechetical work that expresses the ideological and institutional concerns of a faction of disaffected Jewish followers of Jesus in the late first century CE Wilson s compelling thesis frames Matthew s Gospel as not only a continuation of the biblical story but also as a didactic narrative intended to shape the commitments and identity of a particular group that saw itself as a beleaguered dissident minority Thus the text clarifies Jesus s essential Jewish character as the Son of David while also portraying him in opposition to prominent religious leaders of his day most notably the Pharisees and open to cordial association with non Jews Through meticulous engagement with the Greek text of the Gospel as well as relevant primary sources and secondary literature Wilson offers a wealth of insight into the first book of the New Testament After an introduction exploring the background of the text its genre and literary features and its theological orientation Wilson explicates each passage of the Gospel with thorough commentary on the intended message to first century readers about topics like morality liturgy mission group discipline and eschatology Scholars students pastors and all readers interested in what makes the Gospel of Matthew distinctive among the Synoptics will appreciate and benefit from Wilson s deep

contextualization of the text informed by his years of studying the New Testament and Christian origins
