The Gospels And The Jesus Of History:

The Historical Jesus of the Gospels Craig S. Keener, 2012-04-13 The earliest substantive sources available for historical Jesus research are in the Gospels themselves when interpreted in their early Jewish setting their picture of Jesus is more coherent and plausible than are the competing theories offered by many modern scholars So argues Craig Keener in The Historical Jesus of the Gospels In exploring the depth and riches of the material found in the Synoptic Gospels Keener shows how many works on the historical Jesus emphasize just one aspect of the Jesus tradition against others but a much wider range of material in the Jesus tradition makes sense in an ancient Jewish setting Keener masterfully uses a broad range of evidence from the early Jesus traditions and early Judaism to reconstruct a fuller portrait of the Jesus who lived in history

John, Jesus, and History, Volume 1 Paul N. Anderson, Felix Just, Tom Thatcher, 2007 Over the last two centuries many scholars have considered the Gospel of John off limits for all quests for the historical Jesus That stance however creates a new set of problems that need to be addressed thoughtfully The essays in this book reflecting the ongoing deliberations of an international group of Johannine and Jesus scholars critically assess two primary assumptions of the prevalent view the dehistoricization of John and the de Johannification of Jesus The approaches taken here are diverse including cognitive critical developments of Johannine memory distinctive characteristics of the Johannine witness new historicism Johannine Synoptic relations and fresh analyses of Johannine traditional development In addition to offering state of the art reviews of Johannine studies and Jesus studies this volume draws together an emerging consensus that sees the Gospel of John as an autonomous tradition with its own perspective in dialogue with other traditions Through this challenging of critical and traditional assumptions alike new approaches to John's age old riddles emerge and the ground is cleared for new and creative ways forward

40 Questions About the Historical Jesus C. Marvin Pate, 2015-04-27 Answers to critical questions regarding the study of the Jesus of history and the Christ of faith The conclusions of the quest for the historical Jesus which casts the majority of Christ s life as a myth are a stark contrast to the orthodox view of Christ as presented in the Bible Pate demonstrates that a critical analysis of the gospel text along with historical and cultural methods of investigation actually point toward an orthodox view of Christ This work argues that the canonical Gospels are the most trustworthy information we have about the gospel writers as well as the life and ministry of Jesus including his death visit to hades resurrection and ascension Readers will be encouraged by the reliability of the Gospel writers the reality of Jesus humanity and deity and the inferiority of the apocryphal gospels **The Jesus of History** T.
