**Understanding the Bible from Genesis to Revelation** Christine Paxson, Rose Spiller, 2021-08-17 Have you ever wanted to read the Bible but found it intimidating Have you ever read parts or all of the Bible but come away more confused than ever Does it seem like there are contradictions in the Bible Why is there an Old Testament and a New Testament Does the Old Testament even matter to Christians today How do the sixty six books of the Bible fit together Is there an overarching theme If you have asked yourself any of these questions or others you are not alone The Bible Blueprint divides the entire Bible chronologically into six easy to read parts It provides a basic understanding of Scripture as a complete story that links all the various books together It gives an overview of each book touching on highlights and some of the amazing and significant events in each without the reader getting bogged down in the more difficult sections There is no substitute for the actual Bible it is not only fascinating it is the life giving life saving life transforming Word of God so The Bible Blueprint is not a replacement for the Bible but it will whet your appetite to dig deeper into God's Book for yourself while giving you the confidence to do so **The Publishers' Trade List Annual**, 1985 *Old Testament Study Guide, Pt. 3* Randal S.
