Vance curiously enough always liked the Gracie Allen murder case more than any of the others in which he participated The case was perhaps not as serious as some of the others although on second thought I am not so sure that this is strictly true Indeed it was fraught with many ominous potentialities and its basic elements as I look back now were in fact intensely dramatic and sinister despite its almost constant leaven of humor I have often asked Vance why he felt so keen a fondness for this case and he has always airily retorted with a brief explanation that it constituted his one patent failure as an investigator of the many crimes presented to him by District Attorney John F X Markham No oh no Van it was not my case at all don t y know Vance drawled as we sat before his grate fire one wintry evening long after the events Really y know I deserve none of the credit I would have been utterly baffled and helpless had it not been for the charming Gracie Allen who always popped up at just the crucial moment to save me from disaster If ever you should embalm the case in print please place the credit where it rightfully belongs My word what an astonishing girl The goddesses of Zeus Olympian m nage never harassed old Priam and Agamemnon with the clat exhibited by Gracie Allen in harassing the recidivists of that highly scented affair Amazin *The Gracie Allen Murder Case* S S Van Dine, 2020-04-24 The zany plot follows nitwit Gracie Allen trying to help master sleuth Philo Vance solve a murder Allen s uncle fixes her up with Bill at a company picnic When the two go out to a nightclub that night Gracie inadvertently links Bill to the murder of a thug after finding the dead body and Bill s cigarette case at the scene of the crime While being questioned at the club she meets Vance who s investigating the homicide After Gracie s bungled attempts to solve the case Vance decides it might be easier to have her working with him Despite Gracie s help the two eventually find the real killer **The Gracie Allen Murder Case** S S Van Dine, 2020-02-03 Philo Vance curiously enough always liked the Gracie Allen murder case more than any of the others in which he participated The case was perhaps not as serious as some of the others although on second thought I am not so sure that this is strictly true Indeed it was fraught with many ominous potentialities and its basic elements as I look back now were in fact intensely dramatic and sinister despite its almost constant leaven of humor I have often asked Vance why he felt so keen a fondness for this case and he has always airily retorted with a brief explanation that it constituted his one patent failure as an investigator of the many crimes presented to him by District Attorney John F X Markham No oh no Van it was not my case at all don t y know Vance drawled as we sat before his grate fire one wintry evening long after the events Really y know I deserve none of the credit I would have been utterly baffled and helpless had it not been for the charming Gracie Allen who always popped up at just the crucial moment to save me from disaster If ever you should embalm the case in print please place the credit where it rightfully belongs My word what an astonishing girl The goddesses of Zeus Olympian m nage never harassed old Priam and

Agamemnon with the clat exhibited by Gracie Allen in harassing the recidivists of that highly scented affair Amazin It was an almost unbelievable case from many angles exceedingly unorthodox and unpredictable The mystery and enchantment of perfume permeated the entire picture The magic of fortune telling and commercial haruspicy in general were intimately involved in its deciphering And there was a human romantic element which lent it an unusual roseate color To start with it was spring the 17th day of May and the weather was unusually mild Vance and Markham and I had dined on the spacious veranda of the Bellwood Country Club overlooking the Hudson The three of us had chatted in desultory fashion for this was to be an hour of sheer relaxation and pleasure without any intrusion of the jarring criminal interludes which had in recent years marked so many of our talks The Gracie Allen Murder Case.
