Dramatic Composition and Motion Pictures. New Series Library of Congress. Copyright Office, 1943 **Matinee Melodrama** Scott Higgins, 2016-02-26 Long before Batman Flash Gordon or the Lone Ranger were the stars of their own TV shows they had dedicated audiences watching their adventures each week The difference was that this action took place on the big screen in short adventure serials whose exciting cliffhangers compelled the young audience to return to the theater every seven days Matinee Melodrama is the first book about the adventure serial as a distinct artform one that uniquely encouraged audience participation and imaginative play Media scholar Scott Higgins proposes that the serial's incoherent plotting and reliance on formula far from being faults should be understood as some of its most appealing attributes helping to spawn an active fan culture Further he suggests these serials laid the groundwork not only for modern day cinematic blockbusters like Star Wars and Raiders of the Lost Ark but also for all kinds of interactive media that combine spectacle storytelling and play As it identifies key elements of the serial form from stock characters to cliffhangers Matinee Melodrama delves deeply into questions about the nature of suspense the aesthetics of action and the potentials of formulaic narrative Yet it also provides readers with a loving look at everything from Zorro's Fighting Legion to Daredevils of the Red Circle conveying exactly why these films continue to thrill and enthrall their fans **In the Nick of Time** William C. Cline, 2012-02-06 By the famous Big Reel columnist the story of serials from Universal's 1930 The Indians Are Coming to Columbia's 1956 Blazing the Overland Trail Fifteen fascinating chapters explain the importance of cliffhangers to the industry as audience builders and product leaders The serials provided training for actors and served as a technical university for people who later made the television industry work An appendix lists in order of release all of the sound serials from 1930 through 1956 showing titles releasing companies chapter titles directors and several cast members Superb photographs *A Thousand Cuts* Dennis Bartok, Jeff Joseph, 2016-08-25 A Thousand Cuts is a candid exploration of one of America's strangest and most quickly vanishing subcultures It is about the death of physical film in the digital era and about a paranoid secretive eccentric and sometimes obsessive group of film mad collectors who made movies and their projection a private religion in the time before DVDs and Blu rays The book includes the stories of film historian critic Leonard Maltin TCM host Robert Osborne discussing Rock Hudson's secret 1970s film vault RoboCop producer Jon Davison dropping acid and screening King Kong with Jefferson Airplane at the Fillmore East and Academy Award winning film historian Kevin Brownlow recounting his decades long quest to restore the 1927 Napoleon Other lesser known but equally fascinating subjects include one legged former Broadway dancer Tony Turano who lives in a Norma Desmond like world of decaying movie memories and notorious film pirate Al Beardsley one of the men responsible for putting O J Simpson behind bars Authors Dennis Bartok and Jeff Joseph examine one of the least known episodes in modern legal history the FBI's and Justice Department's campaign to harass intimidate and arrest film dealers and collectors in the early 1970s Many of those persecuted were gay men Victims included Planet of the Apes star Roddy McDowall who was arrested in 1974 for film

collecting and forced to name names of fellow collectors including Rock Hudson and Mel Tormé. *A Thousand Cuts* explores the obsessions of the colorful individuals who created their own screening rooms, spent vast sums, negotiated underground networks, and even risked legal jeopardy to pursue their passion for real physical film. *Journeys of Desire* Alastair Phillips, Ginette Vincendeau, 2019-07-25. A comprehensive guide to European actors in American film, this book brings together 15 chapters with A-Z entries on over 900 individuals. It includes case studies of prominent individuals and phenomena associated with the emigrés, such as the stereotyping of European actresses in bad women roles and the irony of Jewish actors playing Nazis. *Universal Sound Westerns, 1929-1946* Gene Blottner, 2024-10-17. After Fox released *In Old Arizona*, the first feature-length western with sound, in 1929, Universal president Carl Laemmle decided that Universal's westerns should follow suit. Beginning that same year with the release of *The Wagon Master* starring Ken Maynard, up until 1946 when the studio merged with International Pictures, Universal Pictures captivated audiences with its sound westerns. Individual entries for the approximately 180 feature films and serials released by Universal during that period are presented here. Each entry includes the film's title, release date, alternate title, cast credits, songs, location of filming, running time, source, if the film was an adaptation, plot synopsis, commentary from the author and from the actors and directors, representative excerpts from reviews, and a tag line from the original advertising. Also provided is a chronological listing of Universal's short western films and a chronological listing of Universal's sound westerns. ***The Mummy Unwrapped*** Thomas M. Feramisco, 2015-08-01. The mummy came to life in the 1940s out of Universal Pictures' need to produce quick turnaround, low-budget B movies. Universal produced *The Mummy's Hand*, *The Mummy's Tomb*, *The Mummy's Ghost*, and *The Mummy's Curse*, originally *The Mummy's Return*, and thus created a popular franchise that is still supported today by a following of loyal fans. Universal was prompted to produce a remake of its Mummy films in 1999. This book is devoted entirely to Universal's Mummy movies of the 1940s. It reveals lost action and dialogue by analyzing scenes that were edited out days before *The Mummy's Hand* was released to theaters, treats readers to other dialogue that was filmed and then cut down to almost nothing before being included in the films, and compares and contrasts the original story of *The Mummy's Return* to the final shooting script of what was later renamed *The Mummy's Curse*. Each of the films has its own chapter, and chapters are also devoted to the actors who played the heroes, heroines, high priests, victims, and mummies in the films, and to the filmmakers who brought the mummies to life. *Serial Film Stars* Buck Rainey, 2024-10-18. Pearl White, William Duncan, William Desmond, Ben Wilson, Walter Miller, Francis Ford, Charles Hutchinson, Jack Dougherty, and Eddie Polo are just a few of the stars to start up a whirlwind of enthusiasm among serial devotees. They offered a thrill, a minute world of ridiculous plots, weird disguises, hair-raising escapes, hidden treasures, diabolic scientific devices, wild animals, depraved men, runaway trains, and an endless procession of knock-down drag-out fights. Who could resist? This reference work highlights 446 serial performers who thrilled generations. Each entry includes the performer's birth and death dates, serial credits, major films, and
