

The Great Famine Studies In Irish History 18455

**Robert Dudley Edward, Thomas
Desmond Williams**

The Great Famine Studies In Irish History 18455:

The Great Famine Robert Dudley Edwards,1962 *The Great Famine* ,1994 The Great Famine Robert Dudley Edwards,Thomas Desmond Williams,1962 **Tears from Iron** Kathryn Edgerton-Tarpley,2008-04-02 This multi layered history of a horrific famine that took place in late nineteenth century China focuses on cultural responses to trauma The massive drought famine that killed at least ten million people in north China during the late 1870s remains one of China s most severe disasters and provides a vivid window through which to study the social side of a nation s tragedy Kathryn Edgerton Tarpley s original approach explores an array of new source materials including songs poems stele inscriptions folklore and oral accounts of the famine from Shanxi Province its epicenter She juxtaposes these narratives with central government treaty port and foreign debates over the meaning of the events and shows how the famine which occurred during a period of deepening national crisis elicited widely divergent reactions from different levels of Chinese society **The Great Famine** ,1956 *The Great Famine* Edwards, Robert Dudley,Williams, Thomas Desmond,1957 **The Great Famine** Robert Dudley Edwards,Thomas Desmond Williams,Irish Committee of Historical Sciences,1956 *The Great Famine. Studies in Irish History, 1845-52. [By Various Authors.] Editors: R.D. Edwards ... T.D. Williams. [With Illustrations.].* Robert Dudley EDWARDS (and WILLIAMS (Thomas Desmond)),Thomas Desmond Williams,1956 **The Great Irish Famine** Cormac Ó'Gráda,Economic History Society,1995-09-28 The Irish Famine of 1846 50 was one of the great disasters of the nineteenth century whose notoriety spreads as far as the mass emigration which followed it Cormac O Gr da s concise survey suggests that a proper understanding of the disaster requires an analysis of the Irish economy before the invasion of the potato killing fungus *Phytophthora infestans* highlighting Irish poverty and the importance of the potato but also finding signs of economic progress before the Famine Despite the massive decline in availability of food the huge death toll of one million from a population of 8 5 million was hardly inevitable there are grounds for supporting the view that a less doctrinaire attitude to famine relief would have saved many lives This book provides an up to date introduction by a leading expert to an event of major importance in the history of nineteenth century Ireland and Britain **Counting the People** E. Margaret Crawford,2003 The first attempt at an official census in 1813 was only a partial success It was 1821 before a completed census was achieved Thereafter decennial censuses were taken until 1911 Two interruptions to the decennial rhythm of population enumeration occurred Partition and the Second World War During this interim period between 1921 and 1951 census taking was not forsaken but disrupted in both the Irish Free State and Northern Ireland This book focuses on the ten censuses from 1821 to 1911 with special attention being given to the 1841 and 1851 censuses Three distinct areas are discussed their provenance the contents and how the census aids our understanding of the Irish economy and society in the past The great Famine Robert Dudley Edward,Thomas Desmond Williams,1976 **The History of the Irish Famine** Christine Kinealy,Gerard Moran,2018-09-20 The Great Irish Famine remains one of the most lethal famines in modern world

history and a watershed moment in the development of modern Ireland socially politically demographically and culturally In the space of only four years Ireland lost twenty five per cent of its population as a consequence of starvation disease and large scale emigration Certain aspects of the Famine remain contested and controversial for example the issue of the British government s culpability proselytism and the reception of emigrants However recent historiographical focus on this famine has overshadowed the impact of other periods of subsistence crisis both before 1845 and after 1852 This volume seeks to counterbalance the recent historiographical focus on the Great Irish Famine which has overshadowed the impact of other periods of subsistence crisis both before 1845 and after 1852 As occurred during the Great Famine they often resulted in increased levels of evictions emigration disease and death although the scale was lower While the Great Famine brought major economic social and demographic changes large areas of the country retained pre famine structures with many communities continuing to have a subsistence existence and consequently regular crop failures and famines These lesser known famines are examined in this volume along with the causes and why they did not achieve the scale of the Great Famine

The Great Famine. Cataclysm for the Transformation of Ireland Sonja Wendel, 2013-07-04 Seminar paper from the year 2010 in the subject History of Europe Modern Times Absolutism Industrialization grade 1 0 National University of Ireland Maynooth History Dept course Irish History language English abstract Historical research moved away from dramatic Irish politics towards a rather social and cultural focus Studies in the field of history to my opinion are studies about humanity and emotions and not just about elected data and research It is evident that the Great Famine and its data are an important issue within Irish history Although this experience was a touchstone for Irish people as Murphy also stated Irish economic history in the nineteenth century was about food and land Clearly the most important event of the century as far as people s lives were concerned was the cataclysm of the Famine in the 1840s Murphy 2003 9 it was just one and not the only reason for the changes of and within Ireland This essay aims to outline and describe in what ways and to which extent the Famine initiated the Irish transformation

Ireland's Great Famine and Popular Politics Enda Delaney, Breandán Mac Suibhne, 2015-11-19 Ireland s Great Famine of 1845 52 was among the most devastating food crises in modern history A country of some eight and a half million people lost one million to hunger and disease and another million to emigration According to land activist Michael Davitt the starving made little or no effort to assert the animal s right to existence passively accepting their fate But the poor did resist In word and deed they defied landlords merchants and agents of the state they rioted for food opposed rent and rate collection challenged the decisions of those controlling relief works and scorned clergymen who attributed their suffering to the Almighty The essays collected here examine the full range of resistance in the Great Famine and illuminate how the crisis itself transformed popular politics Contributors include distinguished scholars of modern Ireland and emerging historians and critics This book is essential reading for students of modern Ireland and the global history of collective action

Irish History and the Great Famine Robert Denis Collison

Black,1957 *The History of the Great Irish Famine of 1847 (3rd ed.) (1902)* John Canon O'Rourke,2022-05-28 In The History of the Great Irish Famine of 1847 John Canon O Rourke presents a meticulous and sobering examination of one of the most harrowing periods in Irish history The book is crafted with a blend of exhaustive historical research and poignant narratives that illustrate the human suffering caused by the famine O Rourke s literary style incorporates primary sources personal testimonies and quantitative data presenting a multi faceted view of the socio economic and political context leading to the crisis This third edition published in 1902 further enriches the reader s understanding with updated insights and reflections on the impact of the famine on both Ireland and its diaspora placing this tragedy within the larger tapestry of 19th century Irish history John Canon O Rourke a prominent Irish priest and historian dedicated much of his life to studying and documenting Ireland s past particularly its struggles against colonial domination and famine His personal experiences and commitment to social justice deeply informed his writings Growing up amidst the echoes of the famine s aftermath O Rourke felt a moral obligation to preserve the memories of those affected and to provide a critical analysis of the failures that led to this catastrophe thus ensuring that future generations would learn from it O Rourke s work is an invaluable resource for anyone seeking to understand the complexities of the Irish Famine It offers not only a historical account but also an empathetic portrayal of the resilience of the Irish people Scholars students and general readers alike will find this book essential for grasping the profound implications of the famine that resonate to this day [The History of the Irish Famine](#) Christine Kinealy, Gerard Moran, Jason Francis King, 2018-09-20 The Great Irish Famine remains one of the most lethal famines in modern world history and a watershed moment in the development of modern Ireland socially politically demographically and culturally In the space of only four years Ireland lost twenty five per cent of its population as a consequence of starvation disease and large scale emigration Certain aspects of the Famine remain contested and controversial for example the issue of the British government s culpability proselytism and the reception of emigrants However recent historiographical focus on this famine has overshadowed the impact of other periods of subsistence crisis both before 1845 and after 1852 This volume seeks to counterbalance the recent historiographical focus on the Great Irish Famine which has overshadowed the impact of other periods of subsistence crisis both before 1845 and after 1852 As occurred during the Great Famine they often resulted in increased levels of evictions emigration disease and death although the scale was lower While the Great Famine brought major economic social and demographic changes large areas of the country retained pre famine structures with many communities continuing to have a subsistence existence and consequently regular crop failures and famines These lesser known famines are examined in this volume along with the causes and why they did not achieve the scale of the Great Famine **The Great Famine** Ciarán Ó Murchadha, 2011-08-04 An engaging and moving account of this most destructive event in Irish history **Strokestown and the Great Irish Famine** Ciarán Reilly, 2014 The Strokestown Park Archive is one of the largest estate collections in existence in Ireland with more than 50

000 documents comprising rentals leases accounts correspondence maps drawings architectural plans and photographs Of particular importance are the papers that relate to the Great Irish Famine This book introduces the reader to the archive and provides an microscopic insight into the many and varied experiences of Famine for those who inhabited the estate in the 1840s Documents from the archive many of which have not seen the light of day since they were generated almost 170 years ago illuminate the text and provide the reader with a unique insight into Famine Ireland Although the 1990s and later witnessed an outpouring of scholarly work on the Great Famine to commemorate the sesquicentenary only a handful of studies examined the impact of Famine on individual landed estates In the social memory of the Great Famine at Strokestown the assisted emigration of 1 490 people to Canada the murder of Major Denis Mahon in 1847 and the subsequent clearance of as many as 3 000 tenants from the estate between 1848 to 1851 predominates While it is certainly true that the emigration schemes and the clearances caused considerable unrest which contributed to the murder of Denis Mahon social memory if left untested can hide many other complexities of the Famine The existence of the Strokestown Famine archive highlights that there are still major questions to be answered in relation to the greatest social calamity in modern Irish history For example How widespread and effective were local efforts to alleviate the plight of the impoverished How did the local community react to the clearance of thousands of people Who benefited from these clearances How did those who emigrated fare in their receiving communities This book offers answers to some of these crucial questions The value of any historical account arises not only from its veracity detail and clear delivery but also from its engaging presentation this book delivers it all Ciar n Reilly provides astounding insights into the lives of landless laborers and their families just before and during the horrific Great Famine Of particular note is the volume of old photos illustrations documents and drawings that grace many pages The Celtic Connection June 2015 Subject History Irish Studies *The Great Irish Famine. A Watershed in Irish History?* Julian Binder, 2016-08-22 Essay from the year 2012 in the subject English Language and Literature Studies Culture and Applied Geography grade 2 0 University College Cork Department of Geography language English abstract The aim of this paper is to briefly analyse the various changes in Irish politics economy population and culture after the Great Famine and to discuss whether this dramatical event in Irish history was a watershed or not By interpreting the inadequate measures of the British government to help the Irish people during the Great Famine between 1845 and 1849 as an attempted genocide nationalist movements stoked hatred against the blackhearted British and such receptions of the Famine entered folk memory It does not have to be mentioned that this hatred and these allegations had a further effect on Irish British relations as well as on Irish politics In addition there was not only a change in the islands political and cultural landscape but also in the economy and the demography of post Famine Ireland In the words of the female historian Mary E Daly there is little doubt that the famine was a significant event in the nineteenth century Irish history but its precise impact is a matter of some considerable debate Indeed nobody would nowadays question that the second half of the century confronted the people with

completely different attitudes and conditions than in a pre Famine context Anyway the big question is to what extent the famine can be held responsible for these changes Was the Great Famine a watershed in Irish history Was it a complete turning point or did it just work as a catalyst for already existing and initiating tendencies and changes

The Great Famine Studies In Irish History 18455 Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Great Famine Studies In Irish History 18455 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Great Famine Studies In Irish History 18455 has opened up a world of possibilities. Downloading The Great Famine Studies In Irish History 18455 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Great Famine Studies In Irish History 18455 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Great Famine Studies In Irish History 18455. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Great Famine Studies In Irish History 18455. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Great Famine Studies In Irish History 18455, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Great Famine Studies In Irish History 18455 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing

so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Great Famine Studies In Irish History 18455 Books

1. Where can I buy The Great Famine Studies In Irish History 18455 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
