*Using Informational Text to Teach The Great Gatsby* Audrey Fisch, Susan Chenelle, 2018-03-22

The Common Core State Standards initiated major changes for language arts teachers particularly the emphasis on informational text Language arts teachers were asked to shift attention toward informational texts without taking away from the teaching of literature Teachers however need to incorporate nonfiction in ways that enhance rather than take away from their teaching of literature The Using Informational Text series is designed to help In this fourth volume Volume 1 Using Informational Text to Teach To Kill a Mockingbird Volume 2 Using Informational Text to Teach A Raisin in the Sun Volume 3 Connecting Across Disciplines Collaborating with Informational Text we offer challenging and engaging readings to enhance your teaching of Gatsby Texts from a wide range of genres a TED Talk federal legislation economic policy material newspaper articles and 1920s political writing and on a variety of topics income inequality nativism and immigration anti-Semitism the relationship between wealth and cheating the Black Sox scandal and newspaper coverage and prohibition help students answer essential questions about F Scott Fitzgerald s novel Each informational text is part of a student friendly unit with media links reading strategies vocabulary discussion and writing activities and out of the box class activities

[American Literature in Transition, 1920-1930](#) Ichiro Takayoshi, 2017-12-28

American Literature in Transition 1920 1930 examines the dynamic interactions between social and literary fields during the so called Jazz Age It situates the era s place in the incremental evolution of American literature throughout the twentieth century Essays from preeminent critics and historians analyze many overlapping aspects of American letters in the 1920s and re evaluate an astonishingly diverse group of authors Expansive in scope and daring in its mixture of eclectic methods this book extends the most exciting advances

made in the last several decades in the fields of modernist studies ethnic literatures African American literature gender studies transnational studies and the history of the book It examines how the world of literature intersected with other arts such as cinema jazz and theater and explores the print culture in transition with a focus on new publishing houses trends in advertising readership and obscenity laws *Literary analysis for English Literature for the IB Diploma* Carolyn P. Henly, Angela Stancar Johnson, 2019-09-02 Build confidence in a range of key literary analysis techniques and skills with this practical companion full of advice and guidance from experienced experts Build analysis techniques and skills through a range of strategies serving as a useful companion throughout the course from critical thinking referencing and citation and the development of a line of inquiry to reflecting on the writing process and constructing essays for Paper 1 and Paper 2 Develop skills in how to approach a text using literary analysis strategies and critical theory for both unseen literary texts the basis of Paper 1 and texts studied in class Learn how to engage with texts so that you can write convincingly and passionately about literature through active reading note taking asking questions and developing a personal response to texts Concise clear explanations help students navigate the IB requirements including advice on assessment objectives and how literary analysis weaves through Paper 1 Paper 2 the HL Essay Individual Oral and the Learner Profile Engaging activities are provided to test understanding of each topic and develop skills for the exam guiding answers are available to check responses **Literature and Musical Adaptation**, 2016-08-09 It can safely be said that when literary texts are utilized or adapted by a musician to create a new work of art it is seldom that a diminished or lessened product results Rather such a merging usually enlarges and enhances both text and tune perhaps significantly changing the message of the original Discovering exactly what the new form has to offer and how it relates to the text or melody that preceded it is often a daunting task requiring a close examination of both the author's and the composer's intent The essays in this collection offer an analysis of several adaptations some successful some not so successful and attempt to assess just what the musicians or writers have modified or changed from to the original as they re form it into an altogether different media Ranging from Pasternak's appropriation of Tchaikovsky to Britten's operatic versions of Billy Budd and the Turn of the Screw from Celan's use of fugal technique in his Todesfuge to the way that the musicianship of several women writers found voice in their writing a broad spectrum of collaborations is examined As readers examine an author's respect for a long dead musician Hopkins admiration of Purcell or as they discover how John Harbison worked to transform Fitzgerald's musicality in *The Great Gatsby* it will be evident that musical adaptations often provide a richness that the originals did not possess and that the potential for greatness is heightened when the arts intersect *F. Scott Fitzgerald's the Great Gatsby*, **The Untold Story of the Talking Book** Matthew Rubery, 2023-01-18 A history of audiobooks from entertainment rehabilitation for blinded World War I soldiers to a twenty first century competitive industry Histories of the book often move straight from the codex to the digital screen Left out of that familiar account are nearly 150 years of audio recordings Recounting the

fascinating history of audio recorded literature Matthew Rubery traces the path of innovation from Edison's recitation of Mary Had a Little Lamb for his tinfoil phonograph in 1877 to the first novel length talking books made for blinded World War I veterans to today's billion dollar audiobook industry The Untold Story of the Talking Book focuses on the social impact of audiobooks not just the technological history in telling a story of surprising and impassioned conflicts from controversies over which books the Library of Congress selected to become talking books yes to Kipling no to Flaubert to debates about what defines a reader Delving into the vexed relationship between spoken and printed texts Rubery argues that storytelling can be just as engaging with the ears as with the eyes and that audiobooks deserve to be taken seriously They are not mere derivatives of printed books but their own form of entertainment We have come a long way from the era of sound recorded on wax cylinders when people imagined one day hearing entire novels on mini phonographs tucked inside their hats Rubery tells the untold story of this incredible evolution and in doing so breaks from convention by treating audiobooks as a distinctively modern art form that has profoundly influenced the way we read Praise for The Untold Story of the Talking Book If audiobooks are relatively new to your world you might wonder where they came from and where they're going And for general fans of the intersection of culture and technology The Untold Story of the Talking Book is a fascinating read Neil Steinberg Chicago Sun Times Rubery explores 150 years of the audio format with an imminently accessible style touching upon a wide range of interconnected topics Through careful investigation of the co-development of formats within the publishing industry Rubery shines a light on overlooked pioneers of audio Rubery's work succeeds in providing evidence to move beyond the reductive debate on whether audiobooks really count as reading and establishes the format's rightful place in the literary family Mary Burkey Booklist starred review
