The Great Stone Face:

The Great Stone Face Nathaniel Hawthorne, 1908 **The Great Stone Face, and Other Tales of the White Mountains** Nathaniel Hawthorne, 2019-11-26 In *The Great Stone Face and Other Tales of the White Mountains* Nathaniel Hawthorne masterfully interweaves themes of identity, virtue, and the sublime beauty of nature through a collection of compelling short stories. Set against the backdrop of the White Mountains, Hawthorne's narratives reflect the transcendental philosophy of his era, employing rich symbolism and lyrical prose to explore the human experience and moral integrity. The collection highlights the relationship between man and nature, culminating in the titular tale where the protagonist's quest for an ideal hero resonates with profound existential questions. Hawthorne, raised in a puritanical New England setting, was deeply influenced by his ancestral ties to the Salem witch trials and the moral complexities of human nature. His early works often grappled with themes of guilt and redemption, laying the groundwork for the introspective and philosophical depth present in this collection. The beauty of the White Mountains serves as both inspiration and setting, allowing Hawthorne to blend his keen psychological insights with the awe-inspiring landscapes that shaped his literary imagination. *The Great Stone Face and Other Tales of the White Mountains* is highly recommended for readers seeking a profound exploration of morality through the lens of nature. Hawthorne's exceptional ability to evoke introspection and evoke a sense of wonder positions this collection as essential reading for those interested in American literature and the philosophical inquiries that define it.

The Great Stone Face Nathaniel Hawthorne, 1989 *The Great Stone Face, and Other Tales of the White Mountains* Натаниель Готорн, 2021-03-16 [The great stone face](#) a Nathaniel Hawthorne, 2005-02-28 High up on the mountainside the Great Stone Face looks down at the people who live in the valley. Some day the story runs a great man will come to the valley and his face will look just like the Great Stone Face. When will this man come and who will it be? Will it be the great soldier, the statesman, the man of commerce, or one of the other visitors to the valley? One person who wants to know the answer is Ernest, who has lived in the valley all his life. Year by year Ernest has come to know the Great Stone Face as a friend. Now he is waiting for the end of the story. When that end comes it is the one he least expects. **The Great Stone Face** Nathaniel Hawthorne, 2011-07-01 This collection of tales is an engaging compendium of Hawthorne's short stories, including many set in and around the writer's native New England. The title story is a charming fable-like tale that takes as its focus a long famous geological feature in the New Hampshire mountains: the face-like granite protrusion that collapsed in 2003. **The Great Stone Face** Nathaniel Hawthorne, 1889 [The Great Stone Face](#) Nathaniel Hawthorne, 2017-02-16 How is this book unique? Font adjustments, biography included, Unabridged, 100% Original content, Formatted for e-reader, Illustrated. About *The Great Stone Face* by Nathaniel Hawthorne: *The Great Stone Face* by Nathaniel Hawthorne attempts to compile many of the classic, timeless works that have stood the test of time so that everyone can enjoy them. And what was the Great Stone Face? Embosomed amongst a family of lofty mountains, there was a valley so spacious that it contained many thousand inhabitants.

Some of these good people dwelt in log huts with the black forest all around them on the steep and difficult hill sides Others had their homes in comfortable farm houses and cultivated the rich soil on the gentle slopes or level surfaces of the valley Others again were congregated into populous villages where some wild highland rivulet tumbling down from its birthplace in the upper mountain region had been caught and tamed by human cunning and compelled to turn the machinery of cotton factories The inhabitants of this valley in short were numerous and of many modes of life But all of them grown people and children had a kind of familiarity with the Great Stone Face although some possessed the gift of distinguishing this grand natural phenomenon more perfectly than many of their neighbors The Great Stone Face (Annotated) Nathaniel

little boy sat at the door of their cottage talking about the Great Stone Face They had but to lift their eyes and there it was plainly to be seen though miles away with the sunshine brightening all its features And what was the Great Stone Face Embosomed amongst a family of lofty mountains there was a valley so spacious that it contained many thousand inhabitants Some of these good people dwelt in log huts with the black forest all around them on the steep and difficult hillsides Others had their homes in comfortable farm houses and cultivated the rich soil on the gentle slopes or level surfaces of the valley Others again were congregated into populous villages where some wild highland rivulet tumbling down from its birthplace in the upper mountain region had been caught and tamed by human cunning and compelled to turn the machinery of cotton factories The inhabitants of this valley in short were numerous and of many modes of life But all of them grown people and children had a kind of familiarity with the Great Stone Face although some possessed the gift of distinguishing this grand natural phenomenon more perfectly than many of their neighbors The Great Stone Face then was a work of Nature in her mood of majestic playfulness formed on the perpendicular side of a mountain by some immense rocks which had been thrown together in such a position as when viewed at a proper distance precisely to resemble the features of the human countenance It seemed as if an enormous giant or a Titan had sculptured his own likeness on the precipice There was the broad arch of the forehead a hundred feet in height the nose with its long bridge and the vast lips which if they could have spoken would have rolled their thunder accents from one end of the valley to the other True it is that if the spectator approached too near he lost the outline of the gigantic visage and could discern only a heap of ponderous and gigantic rocks piled in chaotic ruin one upon another
