The Greek Anthology Vol 5 Loeb Classic 86

Sigurvin Lárus Jónsson

The Greek Anthology Vol 5 Loeb Classic 86:

Byzantine Materiality Evan Freeman, Roland Betancourt, 2024-06-04 This volume explores the power of matter and materials in the Eastern Roman Empire also known as Byzantium Recent attention to matter as dynamic and meaningful constitutes an emerging interdisciplinary field of inquiry known as materiality new materialism or the material turn Materials can be symbolic but matter can also act on human subjects This volume builds on these insights to consider the role of matter materials form and embodied experiences in Byzantium In many respects Byzantine materiality represents a continuation of its Greco Roman inheritance which was also shared by neighboring peoples such as the Umayyads and Abbasids But the Byzantines also developed their own unique perspectives on matter and form as with their parsing of the sacred materialities of icons the Eucharist and relics Chapters in this volume consider the cultural meanings and functions of materials such as gold and ivory the materiality of icons and relics experiences of objects as well as Byzantine philosophies of matter and form Materiality takes center stage in Byzantine constructions of power luxury belief and identity which will be of interest to scholars and students of Byzantium and the wider medieval world Sex Working and the Bible Avaren Ipsen, 2014-12-18

The Bible contains many stories of prostitution Feminist and liberation readings of these biblical narratives have often made sex workers invisible Sex Working and the Bible examines stories of biblical prostitution through the experiences and understanding of sex workers today The Bible narratives ranging across Rahab in the Book of Joshua the story of Solomon and the two prostitutes the anointing women traditions and the apocalyptic vision of the whore of Babylon in Revelation are set within both a practical and theoretical framework This radical book offers a new more inclusive way of approaching issues of gender sexuality and prostitution in the Bible **Hellenistic Epigram** Francis Cairns, 2016-10-20 This book offers

scholars and students of Hellenistic and Roman literature an overview of Hellenistic epigram a field closely related to other Hellenistic poetry and highly influential upon Roman poetry In fourteen themed chapters it foregrounds the literary linguistic historical epigraphic social political ethnic cultic onomastic local topographical and patronage contexts within which Hellenistic epigrams were composed Many epigrams are analysed in detail and new interpretations of them proposed Throughout the question is asked whether epigrams are literary jeux d'esprit as is often assumed without proper discussion or whether they relate to real people and real events and have a function in the real world That function may be epigraphic for example an epigram can be the epitymbion for inscription at someone's grave or the anathematikon for inscription on or beside a dedicated object or a picture label an ekphrasis to accompany a painting or mosaic *Blood and Kinship*

Christopher H. Johnson, Bernhard Jussen, David Warren Sabean, Simon Teuscher, 2013-01-01 The word blood awakens ancient ideas but we know little about its historical representation in Western cultures Anthropologists have customarily studied how societies think about the bodily substances that unite them and the contributors to this volume develop those questions in new directions Taking a radically historical perspective that complements traditional cultural analyses they demonstrate how

blood and kinship have constantly been reconfigured in European culture This volume challenges the idea that blood can be understood as a stable entity and shows how concepts of blood and kinship moved in both parallel and divergent directions over the course of European history

Venus and the Arts of Love in Renaissance Florence Rebekah Compton,2021-03-11 In this volume Rebekah Compton offers the first survey of Venus in the art culture and governance of Florence from 1300 to 1600 Organized chronologically each of the six chapters investigates one of the goddess's alluring attributes her golden splendor rosy hued complexion enchanting fashions green gardens erotic anatomy and gifts from the sea By examining these attributes in the context of the visual arts Compton uncovers an array of materials and techniques employed by artists patrons rulers and lovers to manifest Venusian virtues Her book explores technical art history in the context of love's protean iconography showing how different discourses and disciplines can interact in the creation and reception of art Venus and the Arts of Love in Renaissance Florence offers new insights on sight seduction and desire as well as concepts of gender sexuality and viewership from both male and female perspectives in the early modern era

Dualism in the Archaic and Early Classical Periods of Greek History P.F.M. Fontaine,2023-08-14

James among the Classicists Sigurvin Lárus Jónsson,2021-06-07 This book gives attention to the language and style of the letter of James with a hypothesis about its rhetorical purpose in mind It focuses on what we can learn about the author of James by reading the text in light of a guiding research question How does the author establish and assert authority The letter builds literary authority for a number of purposes one of which is to address socioeconomic disparity a major concern for the author The author of James presents a speech in character in the shape of a letter to establish his ethos Ch 2 employing vocabulary and style to signal his education implicitly Ch 3 4 and includes himself in the categories of sage teacher and exegete explicitly Ch 5 From this standpoint the author can address the rich as equals rebuke them and admonish both rich and poor to receive God's wisdom Ch 6 The comparison with ancient literary criticism shows that the categories at play are the same The insight that language and ethos are inseparable categories in antiquity provides us with renewed ways to interpret the literary production of early Christianity Both James and the Classicists present a competing epic in the context of the early imperium the former with an Israelite piety that is superior to contemporary economic and moral categories and the latter with the supremacy of Greek culture as a foundation for Rome The letter of James emerges as a document that builds educational ethos as a balance against the rich and powerful a strategy that calls for a revision of both its rhetoric and socio economic situation

Music, Myth and Story in Medieval and Early Modern Culture Katherine Butler,Samantha Bassler,2019 The complex relationship between myths and music is here investigated Myths and stories offer a window onto medieval and early modern musical culture Far from merely offering material for musical settings authoritative tales from classical mythology ancient history and the Bible were treated as foundations for musical knowledge Such myths were cited in support of arguments about the uses effects morality and preferred styles of music in sources as diverse as theoretical treatises

defences or critiques of music art sermons educational literature and books of moral conduct Newly written literary stories too were believed capable of moral instruction and influence and were a medium through which ideas about music could be both explored and transmitted How authors interpreted and weaved together these traditional stories or created their own reveals much about changing attitudes across the period Looking beyond the well known figure of Orpheus this collection explores the myriad stories that shaped not only musical thought but also its styles techniques and practices The essays show that music itself performed and created knowledge in ways parallel to myth and worked in tandem with old and new tales to construct social political and philosophical views This relationship was not static however as the Enlightenment dawned the once authoritative gods became comic characters and myth became a medium for ridicule Overall the book provides a foundation for exploring myth and story throughout medieval and early modern culture and facilitating further study into the Enlightenment and beyond KATHERINE BUTLER is a senior lecturer in music at Northumbria University SAMANTHA

BASSLER is a musicologist of cultural studies a teaching artist and an adjunct professor in the New York metropolitan area Contributors Jamie Apgar Katie Bank Samantha Bassler Katherine Butler Elina G Hamilton Sigrid Harris Ljubica Ilic Erica Levenson John MacInnis Patrick McMahon Aurora Faye Martinez Jacomien Prins Tim Shephard Jason Stoessel F rdia J Stone Davis Amanda Eubanks Winkler

Public Baths and Bathing Habits in Late Antiquity Sadi Maréchal, 2020-01-20 In this book Sadi Maréchal examines the survival transformation and eventual decline of Roman public baths and bathing habits in Italy North Africa and Palestine during Late Antiquity Through the analysis of archaeological remains ancient literature inscriptions and papyri the continued importance of bathhouses as social hubs within the urban fabric is demonstrated thus radically altering common misconceptions of their decline through the rise of Christianity and elite seclusion Persistent ideas about health and hygiene as well as perpetuating ideas of civic self esteem drove people to build restore and praise these focal points of daily life when other classical buildings were left to crumble

Homo Patiens - Approaches to the Patient in the Ancient World Georgia Petridou, Chiara Thumiger, 2015-11-16 **Homo Patiens Approaches to the Patient in the Ancient World** is a book about the patients of the Graeco Roman world their role in the ancient medical encounters and their relationship to the health providers and medical practitioners of their time This volume makes a strong claim for the relevance of a patient centred approach to the history of ancient medicine Attention to the experience of patients deepens our understanding of ancient societies and their medical markets and enriches our knowledge of the history of ancient cultures It is a first step towards shaping a history of the ancient patient's view which will be of use not only to ancient historians students of medical humanities and historians of medicine but also to any reader interested in medical ethics

The Bookseller, 1918 **The Tiny and the Fragmented** S. Rebecca Martin, Stephanie M. Langin-Hooper, 2018-10-16 **The Tiny and the Fragmented** demands a reconsideration of the social and contextual nature of miniaturization fragmentation and incompleteness making the case that it was because of rather than in spite of their small or partial state that these

objects were valued parts of the personal and social worlds they inhabited The Greek Anthology Anthologia graeca,1927

The Aphrodite of Knidos and Her Successors Christine Mitchell Havelock,2007 A revealing survey of Aphrodite "Let the Little Children Come to Me" Cornelia B. Horn,John W. Martens,2009 Providing a wealth of detail about childhood and family structure this book explores the hidden lives of children at the origins of Christianity Let the Little Children Come to Me pays careful attention to the impact of gender class and slave status on children s lives **The Staff of Oedipus** Martha L. Rose,2013-10-04 Ancient Greek images of disability permeate the Western consciousness Homer Teiresias and Oedipus immediately come to mind But The Staff of Oedipus looks at disability in the ancient world through the lens of disability studies and reveals that our interpretations of disability in the ancient world are often skewed These false assumptions in turn lend weight to modern day discriminatory attitudes toward disability Martha L Rose considers a range of disabilities and the narratives surrounding them She examines not only ancient literature but also papyrus skeletal material inscriptions sculpture and painting and draws upon modern work including autobiographies of people with disabilities medical research and theoretical work in disability studies Her study uncovers the realities of daily life for people with disabilities in ancient Greece and challenges the translation of the term adunatos unable as disabled with all its modern associations *The Fall of Cities in the Mediterranean* Mary R. Bachvarova,Dorota Dutsch,Ann Suter,2016-02-15 A body of theory has developed about the role and function of memory in creating and maintaining cultural identity Yet there has been no consideration of the rich Mediterranean and Near Eastern traditions of laments for fallen cities in commemorating or resolving communal trauma This volume offers new insights into the trope of the fallen city in folk song and a variety of literary genres These commemorations reveal memories modified by diverse agendas and contains narrative structures and motifs that show the meaning of memory making about fallen cities Opening a new avenue of research into the Mediterranean genre of city lament this book examines references to or re workings of otherwise lost texts or ways of commemorating fallen cities in the extant texts and with greater emphasis than usual on the point of view of the victors *Coming of Age in Ancient Greece* Stephen John Morewitz,Jenifer Neils,John Howard Oakley,Katherine Hart,Lesley A. Beaumont,2003-01-01 What was childhood like in ancient Greece What activities and games did Greek children embrace How were they schooled and what religious and ceremonial rites of passage were key to their development These fascinating questions and many more are answered in this groundbreaking book the first English language study to feature and discuss imagery and artifacts relating to childhood in ancient Greece Coming of Age in Ancient Greece shows that the Greeks were the first culture to represent children and their activities naturalistically in their art Here we learn about depictions of children in myth as well as life from infancy to adolescence This beautifully illustrated book features such archaeological artifacts as toys and gaming pieces alongside images of them in use by children on ancient vases coins terracotta figurines bronze and stone sculpture and marble grave monuments Essays by eminent scholars in the fields of Greek social history literature archaeology anthropology

and art history discuss a wide range of topics including the burgeoning role of childhood studies in interdisciplinary studies the status of children in Greek culture the evolution of attitudes toward children from the Bronze Age to the Hellenistic period as documented by literature and art the relationships of fathers and sons and mothers and daughters and the roles of cult practice and death in a child's existence This delightful book illuminates what is most universal and specific about childhood in ancient Greece and examines childhood's effects on Greek life and culture the foundation on which Western civilization has been based

Linguistic and Philological Studies of the Hebrew Bible and its Manuscripts, 2023-07-10 This volume honors the extraordinary scholarship of Prof Gary A Rendsburg whose work and friendship have influenced so many in the last five decades Twenty five prominent scholars from the US Europe Israel and Australia have contributed significant original studies in three of Rendsburg's areas of interest and expertise Hebrew language Hebrew Bible and Hebrew manuscripts These linguistic philological literary epigraphic and historical approaches to the study of Hebrew and its textual traditions serve as a worthy tribute to such an accomplished scholar and also as an illustration how all of these approaches can complement one another in the fields of Hebrew and Biblical Studies
