The Greek Point Of View:

The Greek Point of View Maurice Hutton,1925 *The Gay Science* Eneas Sweetland Dallas,1866 On the criticism of literature and art *The Cynics* R. Bracht Branham,Marie-Odile Goulet-Cazé,2023-07-28 This collection of essays the first of its kind in English brings together the work of an international group of scholars examining the entire tradition associated with the ancient Cynics The essays give a history of the movement as well as a state of the art account of the literary philosophical and cultural significance of Cynicism from antiquity to the present Arguably the most original and influential branch of the Socratic tradition Cynicism has become the focus of renewed scholarly interest in recent years thanks to the work of Sloterdijk Foucault and Bakhtin among others The contributors to this volume classicists comparatists and philosophers draw on a variety of methodologies to explore the ethical social and cultural practices inspired by the Cynics The volume also includes an introduction appendices and an annotated bibliography making it a valuable resource for a broad audience This collection of essays the first of its kind in English brings together the work of an international group of scholars examining the entire tradition associated with the ancient Cynics The essays give a history of the movement as well as a state of th

Greek History: Archaic to Classical Age: Oxford Bibliographies Online Research Guide Oxford University Press,2010-05-01 This ebook is a selective guide designed to help scholars and students of the ancient world find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In classics as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is just one of many articles from Oxford Bibliographies Online Classics a continuously updated and growing online resource designed to provide authoritative guidance through the scholarship and other materials relevant to the study of classics Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.aboutobo.com

Navigating Turbulent Waters George Kaloudis,2019-10-04 This work examines Greek political life and Eleftherios Venizelos from 1910 to 1936 To better understand the Greek political scene and Venizelos meteoric rise and ungraceful fall and to provide the necessary context this book also considers politics on the island of Crete Venizelos birthplace from the early nineteenth to the early twentieth centuries This work is not a biography of Eleftherios Venizelos Instead Venizelos is the instrument used to shed light into the unsettled waters of Greek politics

The One and the Others Andrew Cutrofello,2025-11-15 An original account of Western metaphysics based on

Plato's Parmenides At the end of Plato's Parmenides Parmenides concludes that whether the One is or is not it and the Others both are and are not and both appear and do not appear all things in all ways Throughout the history of philosophy various attempts have been made to make sense of Plato's puzzling dialectical exercise In this ambitious book Andrew Cutrofello shows how Kant and Hegel extended it how contemporary philosophers including Graham Priest and Alain Badiou have reinterpreted it and how poets such as Dante Shakespeare Blake Wordsworth and Susan Howe have channeled it What emerges is an original conception of the history of metaphysics as a series of antinomies and of metaphysical poetry as a type of antinomianism

The Concise Book of Lying Evelin E. Sullivan, 2002 With lively wit and breezy sophistication novelist Evelin Sullivan tackles the most pervasive of human sins using history and mythology anecdote and analysis to discover the truth about lying

Comparing Roman Hellenisms in Italy Basil Dufallo, Riemer A. Faber, 2023-04-17 The story of Roman Hellenism defined as the imitation or adoption of something Greek by those subject to or operating under Roman power begins not with Roman incursions into the Greek mainland but in Italy where our most plentiful and spectacular surviving evidence is concentrated Think of the architecture of the Roman capital the Campanian towns of Pompeii and Herculaneum buried by Vesuvius and the Hellenic culture of the Etruscans Perhaps everybody knows that Rome adapted Greek culture in a steadily more sophisticated way as its prosperity and might increased This volume however argues that the assumption of smooth continuity let alone steady improvement in any aspect of Roman Hellenism can blind us to important aspects of what Roman Hellenism really is and how it functions in a given context As the first book to focus on the comparison of Roman Hellenisms per se Comparing Roman Hellenisms in Italy shows that such comparison is especially valuable in revealing how any singular instance of the phenomenon is situated and specific and has its own life trajectory circumstances and afterlife Roman Hellenism is always a work in progress is often strategic often falls prey to being forgotten decontextualized or reread in later periods and thus is in important senses contingent Further what we may broadly identify as a Roman Hellenism need not imply Rome as the only center of influence Roman Hellenism is often decentralized and depends strongly on local agents aesthetics and materials With this in mind the essays concentrate geographically on Italy to lend both focus and breadth to our topic as well as to emphasize the complex interrelation of Hellenism at Rome with Rome's surroundings Because Hellenism whether as practiced by Romans or Rome's subjects is in fact widely diffused across far flung geographical regions the final part of the collection gestures to this broader context

Documents on British Foreign Policy, 1919-1939 Great Britain. Foreign Office, 1946

H. P. Lovecraft's Dark Arcadia Gavin Callaghan, 2013-05-28 This volume attempts an objective reassessment of the controversial works and life of American horror writer H P Lovecraft Ignoring secondary accounts and various received truths Gavin Callaghan goes back to the weird texts themselves and follows where Lovecraft leads him into an arcane world of parental gigantism and inverted classicism in which Lovecraft's parental obsessions were twisted into the all powerful cosmic monsters of his imaginary cosmology

The Culture of the Publisher's Series, Volume 2

John Spiers,2011-02-18 This volume explores problems concerning the series national development and the national canon in a range of countries and their international book trade relationships Studies focus on issues such as the fabrication of a national canon and on the book in war time the evolution of Catholic literature imperial traditions and colonial libraries

Kierkegaard and Kant Ronald Michael Green,Professor for the Study of Ethics and Human Values Ronald M Green,1992-01-01 *Discourse and Truth and Parrhesia* Michel Foucault,2019-07-19 An invaluable book of late career lectures that reveal Foucault's perspective on truth truth telling and the nature of discourse Choice This volume collects a series of lectures given by the renowned French thinker Michel Foucault The first part presents a talk Parrhesia delivered at the University of Grenoble in 1982 The second presents a series of lectures entitled Discourse and Truth given at the University of California Berkeley in 1983 which appears here for the first time in its full and correct form Together these lectures provide an unprecedented account of Foucault's reading of the Greek concept of parrhesia often translated as truth telling or frank speech The lectures trace the transformation of this concept across Greek Roman and early Christian thought from its origins in pre Socratic Greece to its role as a central element of the relationship between teacher and student In mapping the concept's history Foucault's concern is not to advocate for free speech rather his aim is to explore the moral and political position one must occupy in order to take the risk to speak truthfully These lectures carefully edited and including notes and introductory material to fully illuminate Foucault's insights are a major addition to Foucault's English language corpus Dualism in the Political and Social History of Greece in the Fifth and Fourth Century B.C. P.F.M.

Fontaine,2024-01-15 This series is no longer published by Brill **Macmillan's Magazine** David Masson,George Grove,John Morley,Mowbray Walter Morris,1905 *Multiple State Membership and Citizenship in the Era of Transnational Migration*,2007-01-01 Once a rare phenomenon multiple state membership and multinational citizenship has become almost commonplace with the rise in transnational mobility This compilation analyses transnational participation focusing mainly on the interests of individual people and their transnational networks The focus lies on the perceptions attitudes experiences and views on membership and participation of people with dual multiple citizenship and individuals with multinational background who hold a single citizenship Eight contributions present findings from the international research project Dual Citizenship Governance and Education A Challenge to the European Nation State DCE conducted in 2002 2006 in Britain France Portugal Germany Finland Greece Estonia and Israel Vengeance in Reverse Mark R. Anspach,2017-06-01 How do humans stop fighting Where do the gods of myth come from What does it mean to go mad Mark R Anspach tackles these and other conundrums as he draws on ethnography literature psychotherapy and the theory of Ren Girard to explore some of the fundamental mechanisms of human interaction Likening gift exchange to vengeance in reverse the first part of the book outlines a fresh approach to reciprocity while the second part traces the emergence of transcendence in collective myths and individual delusions From the peacemaking rituals of prestate societies to the paradoxical structure of consciousness

Anspach takes the reader on an intellectual journey that begins with the problem of how to deceive violence and ends with the riddle of how one can deceive oneself **"The" Fortnightly Review** ,1891 **The Returns of Odysseus** Irad Malkin,1998-11-30 This remarkably rich and multifaceted study of early Greek exploration makes an original contribution to current discussions of the encounters between Greeks and non Greeks Focusing in particular on myths about Odysseus and other heroes who visited foreign lands on their mythical voyages homeward after the Trojan War Irad Malkin shows how these stories functioned to mediate encounters and conceptualize ethnicity and identity during the Archaic and Classical periods Synthesizing a wide range of archaeological mythological and literary sources this exceptionally learned book strengthens our understanding of early Greek exploration and city founding along the coasts of the Western Mediterranean reconceptualizes the role of myth in ancient societies and revitalizes our understanding of ethnicity in antiquity Malkin shows how the figure of Odysseus became a proto colonial hero whose influence transcended the Greek speaking world The return myths constituted a generative mythology giving rise to oral poems stories iconographic imagery rituals historiographical interpretation and the articulation of ethnic identities Reassessing the role of Homer and alternative return myths the book argues for the active historical function of myth and collective representations and traces their changing roles through a spectrum of colonial perceptions from the proto colonial through justifications of expansion and annexation and up to decolonization **A Historical Introduction to the Study of Roman Law** H. F. Jolowicz,Barry Nicholas,1972-10-26 Traces the development of Roman Law historically from the earliest times until the age of Justinian
