The Gospel According To A Dandelion:

The Gospel According to a Dandelion Terry McComb, 2024-03-12 In *The Gospel According to a Dandelion* you will discover ten reasons why you can't get rid of Dandelions. They are the same ten ways we develop endurance. The way a dandelion endures is the way we can persevere to the end. Here is the patience of the saints. Enjoy the journey. God's Book of Nature will show children how to serve God, draw the mind away from the world, bring into activity every faculty of the mind, fill the heart with gratitude, nurture them with courage to resist evil, teach children knowledge as Jesus learnt. **The Gospel According to a Dandelion** McComb, Jean, McComb, Terry, 1986

The Gospel According to a Tree Terry McComb, Jean McComb, Have you ever looked at a tree? In *The Gospel According to a Tree* you will discover the science of the Tree. Dive into the Tree's function and anatomy. Witness the revealing of our Creator in His creation and how the Tree is today's Tree of life. See how God maintains our life through the ministry of a Tree. You will never look at a tree again without thinking of its designer. **The Gospel According to Jesus** John F. MacArthur, 2009-05-26 What is authentic faith? *The Gospel According to Jesus* challenges Christians to re-evaluate their commitment to Christ by examining their fruits. MacArthur asks: What does it really mean to be saved? He urges readers to understand that their conversion was more than a mere point in time; that by definition it includes a lifetime of obedience. John MacArthur tackles the error of easy believism by addressing these questions: Is it possible to accept Jesus as Savior while refusing him as Lord? Can someone truly believe without actually repenting? How do obedience, commitment to Christ, and turning from sin fit together with the truth that we are saved by grace through faith alone? *The Gospel According to Jesus* is just as powerful today as it was more than two decades ago. It is a Scripture-based clarion call for a rejection of the watered-down message that has gained popularity in the church and a return to the gospel Jesus preached. This 20th anniversary edition adds a powerful new chapter to the complete text of the original classic, reinforcing the book's timeless message that Jesus demands to be both Savior and Lord to all who believe. This book is compulsory reading for Christians from all walks of life and will help guide you into a deeper relationship with Jesus Christ.

The Gospel According to Saint Scooter Phil Burpee, 2025-02-25 The seventeen stories in this collection range from short vignettes to sprawling novellas. The characters who appear in them are ordinary folk full of flaws and frailties who embark upon journeys that call them to rise to unforeseen challenges. These expeditions, which variously take them to the very frontiers of life, shift their perception of themselves and the world in which they live, love, and toil. Most of these yarns are tales of redemption and sometimes serendipitous justice with characters who are good people at heart yet who may seem rough-hewn with their sometimes spicy language. And they are visual stories meant to unfold like movies in the reader's mind. For surely everybody's going somewhere looking for something or someone. Often such discoveries are made in unexpected ways, and it's how each person

makes that journey that spins a good tale The Beloved and I ~ The Gospel of Barnabas Thomas McElwain,2017-12-25 The Gospel of Barnabas versified and commented in the format of The Beloved and I Threescore and Ten Barry Blackstone,2024-12-23 Threescore and Ten is a book of reflections and remembrances of a country boy turned city pastor compiled throughout his seventieth year of life These are the observations and opinions of a man who has been a preacher of the gospel for over fifty years who became a widower during his seventieth year and who had to alter and adjust his ministry far beyond his comfort zone because of the COVID pandemic Travel with this pastor from the coast of Maine as he takes the reader through the dramatic and difficult changes that have engulfed Christianity in his lifetime in ways not always to his liking Within these pages the reader will discover that this old fashion man of the cloth believes that the philosophy of the Stranger of Galilee and the theology of Jesus of Nazareth are still relevant and could be prevalent again in the twenty first century just like they were in the first century if only Christianity would return to the tenets and truths of the faith established by its founder the Christ Contained within this book is a lifetime of study service and supplications of a nobody who has tried to tell everybody about somebody that can save anybody This is the prayer of this threescore and ten pastor heading for fourscore The days of our years are threescore years and ten and if by reason of strength they be fourscore years yet is their strength labour and sorrow for it is soon cut off and we fly away Ps 90 10 **Matrimony in the True Church** Kristianna Polder,2016-03-03 Like many other denominations seventeenth century Quakers were keen to ensure that members married within their own religious community In order to properly understand the ramification of such a policy this book explores the early Quaker marriage approbation process and discipline as demonstrated through the works and marriage of the movement s leaders George Fox and Margaret Fell The book begins with an introduction that briefly summarises the historical context of the early Quaker movement the ministry of Fox and Fell and importance they laid upon the marriage approbation discipline The remainder of the book is divided into three broad chapters Chapter one examines the practical aspects of the early Quaker marriage approbation discipline including a summary of seventeenth century courtship and marriage practice and an analysis of early Quaker Meeting Minutes Chapter two then looks at the theological foundations of the marriage approbation process and the Quaker emphasis on Good Order and their desire to return to the primitive Christianity of the apostolic church Chapter three examines the marriage between Fox and Fell which they presented as a testimony of the union of Christ and his Church Their married life is analysed through their correspondence to discover whether or not the marriage did indeed exemplify the spiritual gravity originally bestowed upon it by Fox Fell and some in the Quaker community Through this close investigation of Quaker marriage approbation the book offers fascinating insights into early modern English society attitudes to gender and the early Quakers self perception of themselves as the one and only True Church *The Joy of Encountering Jesus*: Hoan Moses Chung,2015-03-30 The Joy of Encountering Jesus does not call simply for faith in Jesus but spells out how and why we can believe in Jesus in this twenty first century Reflecting on
