A. Carson, 1991 This commentary seeks above all to explain the text of John s Gospel to those whose privilege and responsibility it is to minister the Word of God to others to preach and to lead Bible studies I have tried to include the kind of information they need to know but to do so in such a way that the informed layperson could also use the work in personal study of the Bible exclusively for purposes of personal growth in edification and understanding In particular I have attempted 1 To make clear the flow of the text 2 To engage a small but representative part of the massive secondary literature on John 3 To draw a few lines towards establishing how the Fourth Gospel contributes to biblical and systematic theology 4 To offer a consistent exposition of John s Gospel as an evangelistic Gospel Preface **The Gospel of John** Charles Rosenbury Erdman, 1916 Bible Knowledge Commentary , 1983 The Bible Knowledge Commentary from Dallas Seminary will be welcomed by a wide spectrum of Bible students from the beginner who will find it easy to understand and easy to use to the advanced who will find it consistently thorough and reliable *The Johannine Exegesis of God* Daniel Rathnakara Sadananda, 2014-12-02 Johannine Exegesis of God is a stimulating study of the explicit and implicit theological language of the Johannine community It exegetically explores crucial questions concerning the Fourth Evangelist s language used to characterize God It makes a sojourn into the relationship between Johannine Christology and Theology It examines the dialogue dynamics of a theological conversation between those who do not share the same theological affirmations and enumerates how the Johannine community derives benefit becomes enriched and learns inclusiveness through its dialogue conflict with its pluralistic environment In approaching and interpreting the Gospel narrative the implications of Theology in the Johannine community s struggle for legitimacy identity and existence become clear The Theology of the Johannine community shows a creative dialect with its sociological context and its experiential theologising makes its theological language authentic clear and precise

**Biblical Theology of Life in the New Testament** Francois P. Viljoen, Albert J. Coetsee, 2021-11-30 This publication deals with A Biblical Theology of Life based on the New Testament It forms the second of a two volume publication on A Biblical Theology of Life These two volumes trace the concept of life throughout Protestant canon working with the final form of the biblical books in Hebrew vol 5 and Greek vol 6 Scripture This is done by providing the reader with a book by book overview of this concept This book concludes with a final chapter synthesising the findings of the respective investigations of the Old and New Testament corpora in order to provide a summative theological perspective of the development of the concept through Scripture It is clear that life forms a central

and continuous theme throughout the Biblical text The theme begins with the living God that creates life but is shortly followed by death that threatens life Despite this threat God sustains life and awakens life from death The text concludes with the consummation depicting eternal life in the new heaven and earth The biblical theological approach that has been taken entails a thematic approach as it investigates the concept of life with contextual foci on what individual books of Scripture teach about life joined diachronically with an investigation of the progressive use of the concept of life in Scripture while providing a theology of Scripture as a whole investigating the concept of life in all sixty six books of the Protestant canon

**The Gospel According to the Trinity** Nicholas S. Perez, 2025-04-22 The gospel begins with God God exists eternally as Father Son and Holy Spirit How does what we believe about the Trinity impact the redemption of people before time began in time all the way to when time is no more In *The Gospel According to Trinity* Nicholas S Perez takes readers from eternity to eternity exploring the work of the triune God in redeeming people While considering arguments from within his own ecclesiastical setting the Stone Campbell Movement he challenges understandings of the outworking of redemption that do not maintain Trinitarian harmony and agreement between the Father the Son and the Holy Spirit The result is a more consistent view of the gospel within a Trinitarian framework

**The Search for Ultimate Reality** Dan Lioy, 2005 In analyzing the intertextuality between the Genesis and Johannine Prologues Dr Lioy maintains that both passages utilize polemical theology to refute distorted views of ultimate reality Furthermore he theorizes that the author of the Johannine Prologue deliberately reflected the structure and themes found in the Genesis Prologue to emphasize that the God man Jesus Christ created all things and is a new spiritual beginning for all who believe in Him Ultimate reality is found through faith in the Son

*NEW TESTAMENT CONTEXTUAL COMMENTARY* Dr. Robert R. Seyda, 2024-05-16 Here John advises us that loving one another is not an option or a suggestion it is a commandment John doesn't want any believer to become like Adam and Eve's firstborn Cain That happened because Cain was under the influence of Satan This is therefore a warning not to mess with the world So what if they hate us We are bound for everlasting life in the presence of God That's why death has no power over us And that's why if our thoughts do not tell us that we are guilty we will not be afraid to come to God We can pray to God and we can ask Him to help us He will give us what we ask Him for That is because we obey His commands and we do the things that please Him Furthermore we should all love each other because God makes us able to love other people Everyone who loves other people confirms our claim to be a child of God If anyone says clearly that Jesus is the Son of God God lives in that person And that person lives together with God We know the kind of love that God has for us That's why if we love God we will not be afraid of Him So how do we know that we love God's children We know it when we love God and we do what He tells us to do
