## **The Gospel Of The Gospels:**

The Gospel and the Gospels Simon J. Gathercole, 2022-08-11 A robust scholarly defense of the distinctiveness of the canonical Gospels Do the four New Testament gospels share some essence that distinguishes them from noncanonical early Gospels The tendency among biblical scholars of late has been to declare the answer to this question no that Matthew Mark Luke and John were grouped together by happenstance and are defended as canonical today despite there being no essential commonalities between them Simon Gathercole challenges this prevailing view and argues that in fact the theological content of the New Testament Gospels distinguishes them substantially from noncanonical Gospels Gathercole shows how the Gospels of Matthew Mark Luke and John each include four key points that also formed the core of early Christian preaching and teaching Jesus s identity as messiah the saving death of Jesus the resurrection of Jesus and Scripture s foretelling of the Christ event In contrast most noncanonical Gospels like the Gospel of Thomas the Gospel of Truth and Marcion s Gospel only selectively appropriated these central concerns of early Christian proclamation **The Four Gospels and the One Gospel of Jesus Christ** Martin Hengel, 2000 For the evangelists and for Paul the gospel is both narrative and proclamation The Gospel in the Gospels William Porcher Dubose, 1906 **The Gospel and the Gospels** Peter Stuhlmacher, 1991 In this collection of essays presented at a scholarly symposium held in 1982 in Tübingen Germany New Testament exegetes and church historians from several countries uncover lines of convergence in the study of the historical sources and traditions behind the four canonical Gospels **Why Four Gospels? Or, The Gospel for All the World** D. S. Gregory, 1876 **The Gospel History and Its Transmission** F. Crawford Burkitt, 2001-09-14 **The Gospel of the Lord** Michael F. Bird, 2014-08-22 In this book through a distinctive evangelical and critical approach Michael Bird explores the historical development of the four canonical Gospels He shows how the memories and faith of the earliest believers formed the Gospel accounts of Jesus that got written and in turn how these accounts further shaped the early church Bird s study clarifies the often confusing debates over the origins of the canonical Gospels Bird navigates recent concerns and research as he builds an informed case for how the early Christ followers wrote and spread the story of Jesus the story by which they believed they were called to live The Gospel of the Lord is ideal for students or anyone who wants to know the story behind the four Gospels Watch an interview with Michael Bird from our Eerdmans Author Interview Series The Gospel in the Gospels William Porcher Dubose, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1908 edition Excerpt THE GOSPEL IN ST JOHN All our interpretation so far of the higher being of our Lord is expressed in terms of Christian thought prior to the writings of St John that is it marks the progress from the point of view of the Synoptic Gospels to that of the last of the Gospels If apart from any particular phrases or statements which are always susceptible of diverse understandings I should undertake to deduce from the whole mind of St John his conception of the phenomenon

presented to the world in the person of Jesus Christ I should express it as he himself does in the opening words of his first epistle Jesus Christ is to him always the Word first last and complete of God Now whatever else or more that Word expresses and all that God has revealed or shall reveal of Himself is expressed in Him it is manifested to us first as a word of life The Life was manifested and we have heard and seen and known it by every evidence in which it is possible for human experience to attest itself What do we mean by The Life We mean the life lived by God lived humanly among us by Jesus Christ lived by us to whom in union and unity with Himself He imparts it St John preaches the life that all may share it and our participation in it he declares is with the Father and with His Son Jesus Christ As to what the life is he declares it to be what God is viz light which means pure truth pure holiness pure blessedness The lack or opposite of either of these ignorance sin sorrow is darkness and death If we are walking in the light then we know that we have the life The blood of Jesus Christ cleanseth us from all sin because we are dead to sin by participation in His death and alive to holiness through experience of *The Gospel History and Its Transmission* Francis Crawford Burkitt,1911 *The Gospels and the Gospel* George Robert Stow Mead,1902 **Why Four Gospels? Or, the Gospel for All the World. Piper,2014-04-09 The Gospel Behind the Gospels portrays all the major areas of current discussion and debate regarding the early source of Jesus sayings known as Q Sixteen gospel scholars have advanced the debate about this source s nature history and significance Contributors discuss Q s existence its relationship to Mark s gospel and to the Gospel of Thomas its genre its redactional history with special reference to the Son of Man and to wisdom and prophetic traditions its social history with respect to family structures and the Cynics a feminist analysis of Q its significance for the historical Jesus and for Jesus parables The volume sheds important light on Jesus and Christian origins as well as upon Q itself and it is significant for the diversity of major North American European and Japanese scholarship which is represented **The Gospels and the gospel, recent results of the lower and the higher criticism** George Robert Stow Mead,1902 *Jesus Tried and True* H. H. Drake Williams III,2013-01-11 Are the gospels found within the New Testament superior to others Has the church unfairly chosen Matthew Mark Luke and John while leaving out many others Are there truly lost Christianities that would enrich our understanding of Jesus Would modern day seekers as well as followers of Jesus be better served by including gospels outside of the New Testament in their understanding of Jesus Jesus Tried and True answers these questions by examining the date source and reception of the canonical gospels of Matthew Mark Luke and John and then comparing this data with the other gospels It assesses this information by looking within these gospels and also evaluating early church history examining the writings of early church writers such as Papias Ignatius of Antioch Justin Martyr Irenaeus and Eusebius It then compares these findings with the date source and reception of the non canonical gospels that have received the most attention lately such as the Gospel of Thomas

Gospel of Mary Gospel of Judas Gospel of Philip and Gospel of Peter There is also a brief survey of thirteen of the most important non canonical gospels The survey provides an opinion on the dependence of these upon the gospels within the New Testament Jesus Tried and True affirms the superiority of the New Testament gospels It concludes by addressing whether non canonical gospels are lost Christianities and also whether the designation apocryphal is appropriate for other gospels

The Gospel in the Gospels (Classic Reprint) William Porcher Dubose, 2015-07-09 Excerpt from The Gospel in the Gospels The title of the present volume is intended to indicate that while it aims to be an exposition of the whole Gospel of Jesus Christ it does not purpose to be a whole or final exposition of that Gospel It looks forward definitely to a further and fuller expression of it We have here to do with the Gospel not in its developed utterance as that of the New Testament or of the Church but only so far as it is contained in our canonical Gospels or can by ourselves be deduced from them My own position is that while the Gospel as an act or fact is complete in Jesus Christ Himself the rationale of its operation in human salvation is best interpreted and stated by St Paul My true objective point has therefore been the completer construction of the Gospel according to St Paul to be treated in a volume to follow the present one That the epistles of St Paul are an interpretation only and not a transformation nor even an essential modification of the Gospel of our Lord is next to the hope of casting a single new ray of light upon the nature of the Gospel itself the point which I have most at heart to prove in the end About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Let the Gospels Preach the Gospel Christopher J. H. Wright, 2017-01-14 Preaching about the cross of Christ is one of the greatest privileges and responsibilities any preacher can have The four Gospel writers who wrote about the cross of Christ and the events leading up to it did so in their own unique way Each interpreting the events through the lens of different Old Testament Scriptures and each emphasising different themes Based on his own sermons preached over a number of years at All Souls Church in London Christopher Wright explores the rich variety and lets the four Gospels preach the Gospel in their own way This is an excellent resource for preachers which is further enriched by the final chapter that provides a personal commentary on how Wright prepared each of the sermons

**The Gospel of Jesus** William Reuben Farmer, 1994-01-01 William Farmer has devoted much of his career to addressing the question of the relationship among the three Synoptic Gospels Matthew Mark and Luke In particular Farmer has challenged the Two Source Hypothesis which says that Mark is the earliest Gospel and that Matthew and Luke used Mark and another document called Q as the two primary sources for their own Gospels Instead Farmer argues that Matthew was the Earliest Gospel that Luke used Matthew and

other traditions known to him and that Mark used both Matthew and Luke in compiling a shorter more ecumenical account of Jesus career This competing theory is called the Two Gospel Hypothesis The Living Voice of the Gospel Francis J.

Moloney,1987-07 *The Gospel* James E. Harris,2004 The Gospel is a harmony in the truest sense of the word a blending of the four gospels into one narrative It is a chronological arrangement of the events that took place during the earthly life and ministry of Jesus Christ from birth to death on the cross and resurrection as recorded by the four saints It is word for word unchanged from the original text of the Authorized King James Version of the holy bible and arranged in the familiar two column format When same events are recorded in two or more versions of the gospel the most descriptive one has been utilized Parallel verses that are most descriptive have been taken from another version and blended into the chosen narrative for the most comprehensive account possible All gospel harmonies are a matter of interpretation No two can be found that are in complete agreement as to the chronological order of events This harmony challenges some centuries old and generally accepted placements These contrary to traditional placements answer many long debated questions among others was Jesus rejected at Nazareth before or after the first Passover where and when did Jesus begin his public ministry what was the duration of his ministry was John 5 1 the unnamed feast of the Jews Passover at what point chronologically did Jesus go to Jerusalem for this feast did the second cleansing of the temple occur on Sunday or Monday was Wednesday of Holy Week a non event day The journey of Jesus during the last six months has been described as the most perplexing question in harmonistic study In this harmony the combination of Luke and John during this period leaves nothing to be questioned A separate explanatory note and chronological arrangement of the last six months of gospel history has been included for special study The Gospel is a book for all ages denominational persuasion and level of chronological study and understanding

*Reading the Gospels Wisely* Jonathan T. Pennington,2012-07-01 This textbook on how to read the Gospels well can stand on its own as a guide to reading this New Testament genre as Scripture It is also ideally suited to serve as a supplemental text to more conventional textbooks that discuss each Gospel systematically Most textbooks tend to introduce students to historical critical concerns but may be less adequate for showing how the Gospel narratives read as Scripture within the canonical framework of the entire New Testament and the whole Bible yield material for theological reflection and moral edification Pennington neither dismisses nor duplicates the results of current historical critical work on the Gospels as historical sources Rather he offers critically aware and hermeneutically intelligent instruction in reading the Gospels in order to hear their witness to Christ in a way that supports Christian application and proclamation
