The Gothic Enterprise A Guide To Understanding The Medieval Cathedral:

The Gothic Enterprise Robert A. Scott, 2003 Robert A Scott explores why medieval people built Gothic cathedrals how they built them what conception of the divine lay behind their creation and the social and political uses made of cathedrals by religious and secular leaders

The Gothic Enterprise Robert A. Scott, 2011-06-28 The great Gothic cathedrals of Europe are among the most astonishing achievements of Western culture Evoking feelings of awe and humility they make us want to understand what inspired the people who had the audacity to build them This engrossing book surveys an era that has fired the historical imagination for centuries In it Robert A Scott explores why medieval people built Gothic cathedrals how they built them what conception of the divine lay behind their creation and how religious and secular leaders used cathedrals for social and political purposes As a traveler s companion or a rich source of knowledge for the armchair enthusiast *The Gothic Enterprise* helps us understand how ordinary people managed such tremendous feats of physical and creative energy at a time when technology was rudimentary famine and disease were rampant the climate was often harsh and communal life was unstable and incessantly violent While most books about Gothic cathedrals focus on a particular building or on the cathedrals of a specific region *The Gothic Enterprise* considers the idea of the cathedral as a humanly created space Scott discusses why an impoverished people would commit so many social and personal resources to building something so physically stupendous and what this says about their ideas of the sacred especially the vital role they ascribed to the divine as a protector against the dangers of everyday life Scott s narrative offers a wealth of fascinating details concerning daily life during medieval times The author describes the difficulties master builders faced in scheduling construction that wouldn t be completed during their own lifetimes how they managed without adequate numeric systems or paper on which to make detailed drawings and how climate natural disasters wars variations in the hours of daylight throughout the year and the celebration of holy days affected the pace and timing of work Scott also explains such things as the role of relics the quarrying and transporting of stone and the incessant conflict cathedral building projects caused within their communities Finally by drawing comparisons between Gothic cathedrals and other monumental building projects such as Stonehenge Scott expands our understanding of the human impulses that shape our landscape

Duggett, 2010-05-24 Gothic Romanticism winner of the 2010 MLA Prize for Independent Scholars is a study of the relationship between British Romanticism and the Gothic Revival Reading a wide range of canonical and rare texts and spanning the Romantic discourses of architecture politics and literary form the book recovers the collaborative project of Wordsworth Coleridge and Southey for a purified Gothic poetry and a second Gothic culture

Saints, Cure-seekers and Miraculous Healing in Twelfth-century England Ruth J. Salter, 2021 The cults of the saints were central to the medieval Church These holy men and women acted as patrons and protectors to the religious communities who housed their relics and to the devotees who requested their assistance in petitioning God for a miracle Among the collections of posthumous miracle stories miracula accounts of holy healing feature prominently and depict cure seekers successfully securing their desired remedy for a range of ailments and afflictions What can these miracle accounts tell us of the cure seekers experiences of their journey from ill health to recovery and how was healthcare presented in these sources This book undertakes an in depth

study of the miraculous cure seeking process through the lens of Latin miracle accounts produced in twelfth century England a time both when saints cults particularly flourished and there was an increasing transmission and dissemination of classical and Arabic medical works Focused on shorter miracula with a predominantly localised focus and thus on a select group of cure seekers it brings together studies of healthcare and pilgrimage to look at an alternative to medical intervention and the practicalities and processes of securing saintly assistance Temple to the Wind Christopher L. Pastore,2023-12-21 In 1903 racing for the America's Cup was no longer a gentleman's game it had become a race entangled with political tension and awesome dangerous stakes In this pivotal year the two great rivals Britain and America raced head to head with Britain determined to win with their privately funded Shamrock III and America's bravado backed up by Reliance Reliance was a yacht like no other a work of beauty carrying more sail than any single masted boat before Some believed that the boat towering 190 feet above the water was simply too dangerous but the race called for such staggering risk Pastore brings life to this strikingly astounding vessel from conception to construction to the hair raising trials at sea It is simply one of the most exciting sea tales ever told *The History of Christianity* Jonathan Hill,2020-11-20 How did a group of scared peasants from a backwater of the Roman empire followers of an executed criminal form the largest religion on the planet The story of Christianity its transformation from an illegal sect to the religion of emperors kings and presidents and its spread across the globe is an endlessly fascinating one The History of Christianity gives readers an overview of these extraordinary 2 000 years It is a history not only of how Christianity has changed the world but also of how the world has changed Christianity The first half of this volume is arranged mostly chronologically to create a single narrative from the age of exploration to the late twentieth century The second half describes the history of the church in the past hundred years or so with each chapter focusing on a different part of the world Boxed features throughout the volume highlight especially important figures or themes from each of these periods The History of Christianity The Age of Exploration to the Modern Day will be welcomed by all those wanting a lively and engaging presentation of the people events places and plain curiosities that have formed the Christian story *Making Sense of Monuments* Michael J. Kolb,2019-11-06 Stonehenge Machu Picchu Confederate statues Egyptian pyramids and medieval cathedrals these are some of the places that are the subject of Making Sense of Monuments an analysis of how the built environment molds human experiences and perceptions via bodily comparison Drawing from recent research in cognitive neuroscience psychology and semiotics Michael J Kolb explores the mechanics of the mind the material world and the spatialization process of monumental architecture Three distinct spatial cognitive metaphors time movement and scale comprise strands of knowledge that when interwoven create embodied contours of meaning of how human interact with monumental spaces Comprehensive lucidly written and thoroughly illustrated Making Sense of Monuments is a vibrant extraordinary journey of the monuments we have constructed and inhabited Technology, Skills and the Pre-Modern Economy in the East and the West ,2013-05-30 Technology Skills and the Pre Modern Economy

Gothic Romanticism Tom Duggett, 2022-06-03 Gothic Romanticism Wordsworth Architecture Politics Form offers a revisionist account of both Wordsworth and the politics of antiquarianism in the late eighteenth and early nineteenth centuries As a historically driven study that develops a significant critique and revision of genre and theory based approaches to the Gothic it covers many key works by Wordsworth and his fellow Lake Poets Samuel Taylor Coleridge and Robert Southey The second edition incorporates new materials that develop the argument in new directions opened up by changes in the field over the last decade The book also provides a sustained reflection upon Romantic conservatism including the political thought and lasting influence of Edmund Burke New material places the book in wider and longer context of the political and historical forms seen developing in Wordsworth and proposes Gothic Romanticism as the alternative line of cultural development to Victorian Medievalism **Compelling Form** J. Donald Ragsdale, 2011-08-08 Compelling Form Architecture as Visual Persuasion is an assessment of the visual persuasiveness of buildings It demonstrates that architecture is as capable of social influence as speeches or advertisements are and that an awareness of this influence provides an insight into buildings cultural roles The book considers a diverse array of structures ranging from museums to performance halls to universities to cathedrals to governmental buildings to palaces and to skyscrapers Compelling Form is an important extension of theories of persuasion and visual communication to architecture and engineering The book bases its assessments on the elements of visual literacy and then on the elements of architectural design to demonstrate that buildings monuments and even such means of commerce as bridges affect the viewer in such a way as to have social impact

Working with Limestone Vibeke Olson, 2011 The papers collected in this volume present the depth and scope of recent scholarship in the field through a wide ranging overview of the state of the discipline of medieval stone studies They address such methodological approaches to the study of limestone as the use of neutron activation analysis to determine quarries of origin issues of labor and transportation as well as issues faced in the cleaning and conservation of limestone This volume is the first comprehensive study in English that investigates limestone as an essential component of large scale medieval artistic production and as such it is a valuable resource for both students and scholars in the field **Provoking**

Curriculum Encounters Across Educational Experience Teresa Strong-Wilson, Christian Ehret, David Lewkowich, Sandra

Chang-Kredl,2019-08-15 This book collects recent and creative theorizing emerging in the fields of curriculum studies and curriculum theory through an emphasis on provoking encounters Drawn from a return to foundational texts the emphasis on an encountering curriculum highlights the often overlooked pre conceptual aspects of the educational experience these aspects include the physical emotional and spiritual dimensions of teaching and learning The book highlights that immediate components of one s encounters with education across formal and informal settings comprise a large part of the teaching and learning processes Chapters offer both close readings of specific work from the curriculum theory archive as well as engagements with cutting edge conceptual issues across disciplinary lines with contributions from leading and emerging scholars across the field of curriculum studies This book will be of great interest to researchers academics and post graduate students in the fields of curriculum studies and curriculum theory *Proclaiming Holy Scriptures* David H.

Pereyra,2020-12-30 This book provides a comprehensive study on the proclamation of Holy Scriptures as an enacted celebration as well as its function as a performance within sacralized theatrical spaces Scripture is integral to religious life within Judaism Christianity and Islam and these traditions have venerated the reading of texts from an appointed place as a sacred act Thus the study of how these readings are conducted illuminates some vitally important aspects of this widespread act of worship Contributing to an underexplored area of scholarship the book offers an overview of scripture reading in the three Abrahamic faiths and then focuses on where and how the Word of God is presented within the Christian tradition It gathers and summarizes research on the origins of a defined place for the proclamation of holy writings giving a thorough architectural analysis and interpretation of the various uses and symbols related to these spaces over time Finally the listener is considered with a phenomenological description of the place for reading and its hermeneutical interpretation The material in this book uncovers the contemporary impact of a rich history of publicly reading out scriptures It will therefore be of great interest to scholars of liturgical theology religious studies and ritual studies
