**The Bulldozer in the Countryside** Adam Rome, 2001-04-23 The concern today about suburban sprawl is not new In the decades after World War II the spread of tract house construction changed the nature of millions of acres of land and a variety of Americans began to protest against the environmental costs of suburban development By the mid 1960s indeed many of the critics were attempting to institutionalize an urban land ethic The Bulldozer in the Countryside was the first scholarly work to analyze the successes and failures of the varied efforts to address the environmental consequences of suburban growth from 1945 to 1970 For scholars and students of American history the book offers a compelling insight into two of the great stories of modern times the mass migration to the suburbs and the rise of the environmental movement The book also offers a valuable historical perspective for participants in contemporary debates about the alternatives to sprawl

Vakunta, Peter Wuteh, 2015-04-26 On perusing *Stream of Consciousness Poetics of the Universal* by

Peter Wuteh Vakunta one is struck by the eclectic and englobing nature of themes broached Vakunta s poetry is both a transversal and longitudinal dissection of our world The poet assumes the posture of a divinity casting interrogative glances at the deeds of humans Not a single terrestrial creature evades his prying eyes Even the most subtle creatures on Planet Earth are scathed by the poet s effusion of vitriolic emotions The poet pursues evil doers right into their graves Even in their death throes he continues to deal them fatal blows Armed with a caustic pen this chronicler does not sit on the fence and watch events transpire Instead he speaks for the downtrodden of all races and social strata black white yellow Papuan Andalusian wretched opulent This adds grist to the title of the book The poet distances himself from the rigor of Kant and the moralism of La Rochefoucauld Weary of hearing the voices of humans in distress he paints the portrait of another kind of Humanity Vakunta s poetry celebrates the harmonious cohabitation of verbal sophistry with the power of the word Tamegnon Demagbo University of Indianapolis USA      Tragedy of the Commons Wuteh Vakunta,2020-05-15 Vakuntas Tragedy of the Commons is a seminal piece of fictional writing that delves into the crevices of contemporary society Divided into thematic realms this book of poems is an awakening call for humanity to waken from slumber and pay heed to seemingly trivial issues of our times The poet skillfully weaves into poetic form existential matters that human beings tend to gloss over Readers will be at ease with the commonplace lexical choices that seem to be the poets stock in trade Dr Peter Ngwafu Ajongwa Albany State University      Breaking Through Sally Susman,2023-03-28 A Wall Street Journal Bestseller Pfizer s trailblazing communications leader Sally Susman reveals how we can break through the noise to get our message across and make positive change A global pandemic A roller coaster economy Political tensions ready to ignite and common civility at an all time low For leaders the pressures and the stakes could not be higher And in such a stormy often dangerous world communications can no longer be considered a soft skill The ability to reach people and drive public conversation is a rock hard competency In this wise and inspiring book Sally Susman the renowned head of corporate affairs at global biopharmaceutical giant Pfizer tells the fascinating story of how the company managed the massive communications challenge that came with Covid 19 and the race to produce an effective vaccine Just as crucial as creating the vaccine itself was the task of winning people s hearts and minds and Susman highlights the principles that enabled her to break through connect and help move people forward not only at Pfizer but over a long and stellar career She shows how clarifying and channeling your intention is an essential first step What are you trying to say She illustrates how leaders need to muster the courage to be candid in order to be effective and how in order to connect they must both disarm with humility and delight with humor As a gay married woman she talks forthrightly about the challenges and opportunities of embracing who you are both at home and in the workplace Susman s stories will draw you in with their warmth and humanity and enlighten and motivate you with their insight and passion Breaking Through is essential reading for any leader who faces the daunting challenge of communicating in our noisy turbulent world      Committed Suzanne Scanlon,2024-04-16 A raw and masterful

memoir about becoming a woman and going mad and doing both at once When Suzanne Scanlon was a student at Barnard in the 90s grieving the loss of her mother feeling untethered and swimming through inarticulable pain she made a suicide attempt that landed her in the New York State Psychiatric Institute After nearly three years and countless experimental treatments Suzanne left the ward on shaky legs In the decades it took her to recover from the experience Suzanne came to understand her suffering as part of something larger a long tradition of women whose complicated and compromised stories of self actualization are reduced to crazy chick and madwoman narratives It was a thrilling discovery and she searched for more books more woman writers as the journey of her life converged with her journey through the literature that shaped her Transporting honest and graceful Committed is a story of discovery and recovery reclaiming the idea of the madwoman as a template for insight and transcendence through the works of Charlotte Perkins Gilman Virginia Woolf Sylvia Plath Janet Frame Audre Lorde Shulamith Firestone and others

**Class Mom** Laurie Gelman, 2017-08-01 Laurie Gelman's clever debut novel about a year in the life of a kindergarten class mom a brilliant send up of the petty and surprisingly cutthroat terrain of parent politics Jen Dixon is not your typical Kansas City kindergarten class mom or mom in general Jen already has two college age daughters by two different probably musicians and it's her second time around the class mom block with five year old Max this time with a husband and father by her side Though her best friend and PTA President sees her as the wisest candidate for the job or oldest not all of the other parents agree From recording parents response times to her emails about helping in the classroom to requesting contributions of special brownies for curriculum night not all of Jen's methods win approval from the other moms Throw in an old flame from Jen's past a hyper sensitive allergy mom a surprisingly sexy kindergarten teacher and an impossible to please Real Housewife wannabe causing problems at every turn and the job really becomes much more than she signed up for Relatable irreverent and hilarious in the spirit of Maria Semple Class Mom is a fresh welcome voice in fiction the kind of novel that real moms clamor for and a vicarious thrill read for all mothers who will be laughing as they are liberated by Gelman's acerbic truths
