The Great Climax Gods Path to Heaven Judith Carpenter, 2002-10-01 **Zion's Watch Tower and Herald of Christ's Presence**, 1929 *Leaves of Healing*, 1929 *The God I Don't Understand* Christopher J. H. Wright, 2009-05-26

Many Christians believe that they have to understand everything about their faith for that faith to be genuine This isn't true There are many things we don't understand about God His Word and His works And this is actually one of the greatest things about the Christian faith that there are areas of mystery that lie beyond the keenest scholarship or even the most profound spiritual exercises Sadly for many people these problems raise so many questions and uncertainties that faith itself becomes a struggle But questions and even doubts are part of faith Chris Wright encourages us to face the limitations of our understanding and to acknowledge the pain and grief they can often cause In *The God I Don't Understand* he focuses on four of the most mysterious subjects in the Bible and reflects upon why it's important to ask questions without having to provide the answer The problem of evil and suffering The genocide of the Canaanites The cross and the crucifixion The end of the world However strongly we believe in divine revelation we must acknowledge both that God has not revealed everything and that much of what he has revealed is not plain It is because Dr Wright confronts biblical problems with a combination of honesty and humility that I warmly commend this book John Stott [The Living Church](#), 1953 [Preacher's Outline and Sermon Bible-KJV-Galatians-Colossians](#) Leadership Ministries Worldwide, 2017-05 What if you could study Galatians Ephesians Philippians and Colossians with your favorite Bible scholars from across the ages With *The Preacher's Outline Sermon Bible* you can This unique resource is designed to empower pastors and leaders to effectively preach and teach God's Word This is much more than a commentary it takes the best scholarly works available and combines them in a single resource Inside each volume of *The Preacher's Outline Sermon Bible* you'll find A verse by verse outline alongside each passage of Scripture that draws out key concepts In depth commentary synthesized from hundreds of trusted sources including Matthew Henry John MacArthur Charles Spurgeon and many more Thoughts designed to provide practical application of Scripture for your congregation Deeper studies that expand on original Greek sources provide historical background and explain key points An Outline Subject Index designed for topical study perfect for quickly creating messages on a particular theme There's a volume of *The Preacher's Outline Sermon Bible* series for nearly any sermon you can imagine Explore the full series on our website at outlinebible.org **The World's Cyclopedia of Science**, 1883 *I to I* Louis Igou Hodges, 2009-04-01 The shadow of eternity looms over the mind and heart of every reflective Christian Amidst the constant demands pressures and uncertainties of the present world how necessary it is that the one who knows Jesus Christ be focused on the eternal state and on preparation for that certain future And yet how difficult it is to compile all that Scripture says about heaven into a harmonious blend with the ethical and spiritual preparation necessary for the best enjoyment of that great hope In *I to I* Louis Igou Hodges envisions a future context to draw together the various strands of biblical teaching

regarding eternity As he describes heaven from the perspective of a settled glorified inhabitant he places himself at the same point where every person will most certainly be one day This glorified inhabitant describes the experiences of seeing prophecy fulfilled enduring the Judgment Seat of Christ and adjusting to life in the new heavens and the new earth A careful and reflective reading of this book ought to produce a paradigm shift in one s thinking and should produce a transformation of the reader s values and goals It ought to motivate the faithful reader to begin to lay up treasures in heaven to use earthly resources to heavenly advantage and to walk in such a way that he will hear His Master s Well done good and faithful servant

God'S Redeeming Plan William Edward Dewberry,2011-06-24 This book is about the hope of mankind for a more satisfying and meaningful life based on the knowledge of God and Christ A better understanding of the Word of God results in producing faith hope and love in the hearts of readers and believers The complete Word of God revealed in the Bible is believed and practiced by millions This book is written in language that is easy to understand and reveals the mystery of salvation for everyone Author William Edward Dewberry hopes to give a comprehensible view of Gods plan that will lead readers to examine the Holy Scriptures more thoroughly and become better acquainted with the plan of God that is able to lead a person to salvation through their faith in Christ The word is near you in your mouth and in your heart that is the word of faith that we preach that if you confess with your mouth the Lord Jesus and believe in your heart that God raised Him from the dead you will be saved For whoever calls on the name of the Lord shall be saved Romans 10 This book explains the redeeming plan of God the great benefits of believing and the dire consequences of ignoring the Creator and His Son Jesus Christ It explains Gods plan from the day of creation to the day that the earth and everything in it will be destroyed by extreme heat But the day of the Lord will come as a thief in the night in which the heavens will pass away with a great noise and the elements will melt with fervent heat both the earth and the works that are in it will be burned up Therefore since all these things will be dissolved what manner of persons ought you to be in holy conduct and godliness 2nd Peter 3 10 11

Walter Hansen,2009-10-05 In this commentary G Walter Hansen offers rich exposition of the text of Philippians as well as wisdom and maturity in its application In so doing he emphasizes partnership the social and corporate dimensions of community in the progress of the gospel After a select bibliography Hansen s introduction sets forth the historical setting of the church in Philippi the nature and occasion of the letter and a preview of two key themes the gospel of Christ and the community in Christ The commentary itself discusses Philippians in light of these themes considering Paul s greetings reports of gospel ministry imperatives for citizens worthy of the gospel recommendations of two Christ like servants and disclosures of his personal experience Hansen s treatment as a whole is distinctive for the way it draws out and

highlights the themes of partnership citizenship and friendship in Paul's Philippian letter With themes and emotions so varied the letter to the Philippians needs a commentator with a sure grasp and a warm heart Hansen writes with admirable clarity and simplicity even when he is unpacking notoriously complex matters D A Carson from the preface

Kingdom Journey Sean P. Finnegan, 2023-12-21 News flash The Bible doesn't teach that people go to heaven or hell when they die Rather it teaches that God's kingdom will come to this earth in judgment and restoration making everything wrong with the world right The doorway into the age to come is not death but the return of Christ when his followers experience resurrection rather than disembodiment This simple idea is not only the key to understanding the biblical vision of the future but it also formed the core of Jesus's gospel message and it provides the motivation to live out your faith today The goal of this book is nothing short of igniting a revolution in the church's understanding of the kingdom of God Kingdom Journey marries a biblical exploration to a historical investigation to explain not only what the kingdom of God is but also how Christianity lost this precious pearl of great price Thankfully several movements over the past five centuries have initiated recoveries of the kingdom idea but many Christians remain in the dark beset with medieval folk theology This book will open your eyes to seek first the kingdom of God and his righteousness with clarity and vigor

Woman's Missionary Friend, 1929 Living Church, 1917 With Mortal Voice John T. Shawcross, 2021-10-21 More often than not critics have looked upon Milton's great epic not as a literary work but rather as a theological tract or a display of Renaissance learning In this book John Shawcross seeks to redress that critical imbalance by examining the poem for its literary values In doing so he reveals the scope and depth of Milton's poetic craftsmanship in his control of such elements as structure myth style and language and he offers new approaches to reading Paradise Lost as a literary masterpiece rather than a relic of religious history

The Path to the Throne of God Sarah Elizabeth Peck, 2001 This study of the sanctuary aims to give the reader an overall view of the entire sanctuary including the earthly and the heavenly sanctuaries and reaching its climax in the temple eternal the earthly model as constructed by Moses being a type or illustration of both the others It also aims to make plain that the sanctuary symbolizes not only the redemptive work of Christ but also the Christian experience of each of His followers and of the church as a whole
