## **The Great Condition:**

*The Great Condition* Henry James, 2004-06-01 He did at last fix a day none the less and went down but there on the spot his imagination was to his surprise freshly excited by the very fact that there were no apparent signs of a drama It was as if he could see after all even face to face with her what had stirred within the man she had for a time only imperfectly subdued Why should she have tried to be so simple too simple She overdid it she ignored too much      **The Great Prajna Paramita Sutra, Volume 1** Naichen Chen, 2017-03-13 praj na transcendental wisdom pa ra mi ta ferrying over to the other shore perfection The Heart Sutra and the Diamond Sutra are essential reading for those who practice Buddhism Over the past thirteen centuries however the larger work to which they belong has been available only in Chinese Now for the first time English speakers can access the first twenty fascicles of The Great Prajna Paramita Sutra regarded as the largest canon in Buddhism The Great Prajna Paramita Sutra demonstrates how one can become a bodhisattva and eventually a Buddha transcending self interest to reach a state of emptiness selflessness and nonattachment Regardless of where you are on the path to enlightenment you ll be nourished by the parables and dialogues within      *The Origin of Civilisation and the Primitive Condition of Man* Sir John Lubbock, 1889      *The Story of the Great War (Vol. 1-8)* Various Authors, 2023-12-16 The Story of the Great War Vol 1 8 is a comprehensive and meticulously curated anthology that chronicles the First World War providing a multi faceted exploration of the global conflict Through a blend of eyewitness accounts military analysis and socio political commentary these volumes capture the complexity and the tragic grandeur of a war that reshaped the world The literary style ranges from poignant personal narratives to analytical essays reflecting the diverse experiences of soldiers and civilians alike all while situating these narratives within the broader historical context of early 20th century geopolitics The anthology is the collaborative effort of various authors each contributing unique perspectives influenced by their backgrounds as historians journalists and combatants This convergence of voices serves to honor the collective memories of those impacted by the war Their motivations likely stem from a desire to not only portray the realities of war but also to prevent the amnesia that often accompanies historical trauma ensuring that the lessons learned from such conflict resonate with future generations This monumental collection is an essential read for anyone interested in understanding the profound effects of World War I whether for academic study or personal enlightenment The rich vivid storytelling coupled with scholarly insight makes it an invaluable resource for history enthusiasts students and anyone seeking to comprehend the complexities of this pivotal moment in human history      *The Coming Crisis of the World: Or, the Great Battle and the Golden Age. ... portion in life is none other than the Lord himself The New Testament expresses the same thing when Paul tells how Christ was made unto us wisdom from God both righteousness and sanctification and redemption 1 Cor 1 30 mg That Christ Jesus is now the portion of His people is a fact which lies at the heart of the gospel and our discovery of this fact makes His grace and presence to become real to us The daily readings found in this devotional have been taken from the most recent publications of Watchman Nee Although they cover a number of different topics they seem to contain a call to us to know and experience Christ as our portion as our all It is with the hope that God s people may be helped to know the Lord as their daily portion that this book has been prepared
