The Great Cowboy Stars Of Movies Television:

The Great Cowboy Stars of Movies & Television Lee O. Miller, 1979 *The Great Cowboy Stars of Movies & Television* Lee O. Miller, 1979 *Television Western Players of the Fifties* Everett Aaker, 2024-10-15 Modeled after the Mack V Wright 1920 film version the 1949 western television series *The Lone Ranger* made Clayton Moore's masked character one of the most recognized in American popular culture. Other westerns followed and by 1959 there were 32 being shown daily on prime time television. Many of the stars of the nearly 75 westerns went on to become American icons and symbols of the Hollywood West. This encyclopedia includes every actor and actress who had a regular role in a television western from 1949 through 1959. The entries cite biographical and family details, accounts of how the player first broke into show business and details of roles played as well as opinions from the actors and their contemporaries. A full accounting of film, serial, and television credits is also included. The appendix lists 84 television westerns with dates, show times, themes, and stars. **A Reference Guide to Television's Bonanza** Bruce R. Leiby, Linda F. Leiby, 2015-09-15 *Bonanza* aired on NBC from September 12, 1959, to January 16, 1973, playing to 480,000,000 viewers in over 97 countries. It was the second longest running western series, surpassed only by *Gunsmoke*, and continues to provide wholesome entertainment to old and new fans via syndication. This book provides an in-depth chronicle of the series and its stars. A history of the show from its inception to the current made-for-television movies is provided, and an episode guide includes a synopsis of each show and lists such details as the main characters of each episode and the actors who portrayed them, the dates they stayed with the show, date and time of original broadcast, writer, director, producer, executive producer, and supporting cast. Also provided are character sketches for each of the major recurring characters, career biographies of Lorne Green, Pernell Roberts, Dan Blocker, and Michael Landon, brief biographical sketches of the supporting cast, a discography of recordings of the *Bonanza* theme and recordings of the four major stars, and information on *Bonanza* television movies. **Serial Film Stars** Buck Rainey, 2024-10-18 Pearl White, William Duncan, William Desmond, Ben Wilson, Walter Miller, Francis Ford, Charles Hutchinson, Jack Dougherty, and Eddie Polo are just a few of the stars to start up a whirlwind of enthusiasm among serial devotees. They offered a thrill, a minute world of ridiculous plots, weird disguises, hair-raising escapes, hidden treasures, diabolic scientific devices, wild animals, depraved men, runaway trains, and an endless procession of knock-down drag-out fights. Who could resist? This reference work highlights 446 serial performers who thrilled generations. Each entry includes the performer's birth and death dates, serial credits, major films, and details of life before and after the movies. **Television Western Players, 1960-1975** Everett Aaker, 2017-06-08 This biographical encyclopedia covers every actor and actress who had a regular role in a Western series on American television from 1960 through 1975, with analyses of key players. The entries provide birth and death dates, family information, and accounts of each player's career, with a cross-referenced videography. An appendix gives details about all Western series, network or syndicated, 1960-1975. The book is fully indexed. **Filmed Television Drama, 1952-1958** William
