

# The Great Famine

**Ciarán Ó Murchadha**

## **The Great Famine:**

**The Great Irish Famine** Cormac Ó'Gráda, Economic History Society, 1995-09-28 The Irish Famine of 1846 50 was one of the great disasters of the nineteenth century whose notoriety spreads as far as the mass emigration which followed it Cormac O Gr da s concise survey suggests that a proper understanding of the disaster requires an analysis of the Irish economy before the invasion of the potato killing fungus *Phytophthora infestans* highlighting Irish poverty and the importance of the potato but also finding signs of economic progress before the Famine Despite the massive decline in availability of food the huge death toll of one million from a population of 8 5 million was hardly inevitable there are grounds for supporting the view that a less doctrinaire attitude to famine relief would have saved many lives This book provides an up to date introduction by a leading expert to an event of major importance in the history of nineteenth century Ireland and Britain **The Great Irish Potato Famine** James S Donnelly, 2002-11-01 In the century before the great famine of the late 1840s the Irish people and the poor especially became increasingly dependent on the potato for their food So when potato blight struck causing the tubers to rot in the ground they suffered a grievous loss Thus began a catastrophe in which approximately one million people lost their lives and many more left Ireland for North America changing the country forever During and after this terrible human crisis the British government was bitterly accused of not averting the disaster or offering enough aid Some even believed that the Whig government s policies were tantamount to genocide against the Irish population James Donnelly s account looks closely at the political and social consequences of the great Irish potato famine and explores the way that natural disasters and government responses to them can alter the destiny of nations **The Great Famine** Ciarán Ó Murchadha, 2011-08-04 An engaging and moving account of this most destructive event in Irish history *The Great Famine* John Gibney, 2018 The Irish potato famine of the 1840s the Great Famine or An gorta m r is one of the defining events in modern Irish history Over a five year period a population of 8 2 million was reduced to 6 5 million through starvation disease and emigration The famine permanently changed one of the constituent parts of the United Kingdom as it then stood and its legacies of depopulation socio economic and cultural change political resentment and the expansion through mass emigration of an Irish diaspora in Britain North America and the British Empire still have a resonance today Now in the first installment of a new collaboration between Pen and Sword and History Ireland magazine some of the world s leading experts on the Great Famine explore the crisis from a range of perspectives From the importance of the potato in Irish history to food exports political change the provision of charity the impact of disease the role of the authorities the experience of emigration and the changing interpretation of the famine this volume explores how this seminal event in Irish British and world history still has a relevance to the globalised world of the twenty first century [The Great Famine](#) Robert Dudley Edwards, Thomas Desmond Williams, 1957 **The Great Famine** John Percival, 1995 Discusses the potato famine that struck Ireland in 1845 resulting in the starvation deaths of over a million Irish citizens the displacement of thousands and the immigration of over

one million to America and Australia      *The Great Famine* Charles River Charles River Editors,2016-07-12 Includes pictures Includes accounts of the famine by Irishmen who suffered through it Includes online resources and a bibliography for further reading Includes a table of contents I have called it an artificial famine that is to say it was a famine which desolated a rich and fertile island that produced every year abundance and superabundance to sustain all her people and many more The English indeed call the famine a dispensation of Providence and ascribe it entirely to the blight on potatoes But potatoes failed in like manner all over Europe yet there was no famine save in Ireland John Mitchel Young Ireland Movement Anyone who has ever heard of the luck of the Irish knows that it is not something to wish on someone for few people in the British Isles have ever suffered as the Irish have As one commissioner looking into the situation in Ireland wrote in February 1845 It would be impossible adequately to describe the privations which they habitually and silently endure in many districts their only food is the potato their only beverage water their cabins are seldom a protection against the weather a bed or a blanket is a rare luxury and nearly in all their pig and a manure heap constitute their only property Even his fellow commissioners agreed and expressed our strong sense of the patient endurance which the laboring classes have exhibited under sufferings greater we believe than the people of any other country in Europe have to sustain Still in their long history of suffering nothing was ever so terrible as what the Irish endured during the Great Potato Famine that struck the country in the 1840s and produced massive upheaval for several years While countless numbers of Irish starved the famine also compelled many to leave and all the while the British were exporting enough food from Ireland on a daily basis to prevent the starvation Over the course of 10 years the population of Ireland decreased by about 1 5 million people and taken together these facts have led to charges as severe as genocide At the least it indicated a British desire to remake Ireland in a new mold As historian Christine Kinealy noted As the Famine progressed it became apparent that the government was using its information not merely to help it formulate its relief policies but also as an opportunity to facilitate various long desired changes within Ireland These included population control and the consolidation of property through various means including emigration Despite the overwhelming evidence of prolonged distress caused by successive years of potato blight the underlying philosophy of the relief efforts was that they should be kept to a minimalist level in fact they actually decreased as the Famine progressed Although the Famine obviously weakened Ireland and its people it also stiffened Irish resolve and helped propel independence movements in its wake By the time the Famine was over it had changed the face of not just Ireland but also Great Britain and it had even made its effects felt across the Atlantic in the still young United States of America The Great Famine The History of the Irish Potato Famine during the Mid 19th Century looks at the history of the notorious famine and its results Along with pictures and a bibliography you will learn about the Irish Potato Famine like never before in no time at all      **The Great Irish Famine** Christine Kinealy,2017-03-14 The Great Irish Famine of 1845 51 was both one of the most lethal famines in modern history and a watershed in the development of modern Ireland This book based on a wide

range of little used sources demonstrates how the Famine profoundly affected many aspects of Irish life the relationship between the churches the nationalist movement and the relationship with the monarchy In addition to looking at the role of the government Kinealy shows the importance of private charity in saving lives One of the most challenging aspects of the publication is the chapter on food supply in which Kinealy concludes that despite the potato blight Ireland was still producing enough food to feed its people The long term impact of the tragedy notably the way in which it has been remembered and commemorated is also examined **Ireland's Great Famine and Popular Politics** Enda Delaney, Breandán Mac

Suibhne, 2015-11-19 Ireland's Great Famine of 1845-52 was among the most devastating food crises in modern history A country of some eight and a half million people lost one million to hunger and disease and another million to emigration According to land activist Michael Davitt the starving made little or no effort to assert the animal's right to existence passively accepting their fate But the poor did resist In word and deed they defied landlords merchants and agents of the state they rioted for food opposed rent and rate collection challenged the decisions of those controlling relief works and scorned clergymen who attributed their suffering to the Almighty The essays collected here examine the full range of resistance in the Great Famine and illuminate how the crisis itself transformed popular politics Contributors include distinguished scholars of modern Ireland and emerging historians and critics This book is essential reading for students of modern Ireland and the global history of collective action [The Great Famine 1845-1852](#) Northern Ireland. Public Record Office, 1970 In Ireland the Great Famine was a period of mass starvation disease and emigration between 1845 and 1852 It is also known mostly outside Ireland as the Irish Potato Famine In the Irish language it is called an Gorta Mór IPA n t mo meaning the Great Hunger or an Drochshaol n dxhi l meaning the bad life Wikipedia [The Great Famine and the Irish Diaspora in America](#) Arthur Gribben, 1999 In Ireland the Great Famine was a period of mass starvation disease and emigration between 1845 and 1852 It is also known mostly outside Ireland as the Irish Potato Famine In the Irish language it is called an Gorta Mór IPA n t mo meaning the Great Hunger or an Drochshaol n dxhi l meaning the bad life During the famine approximately 1 million people died and a million more emigrated from Ireland causing the island's population to fall by between 20% and 25% Wikipedia [A Death-Dealing Famine](#) Christine Kinealy, 1997-03-20 Examines the historiography of the Irish Famine and its relevance now in the context of the longer term relationship between England and Ireland

*Black '47 and Beyond* Cormac Ó Gráda, 2000-09-03 Moving away from the traditional narrative historical approach to the catastrophe Ó Gráda concentrates instead on fresh insights available through interdisciplinary and comparative methods He highlights several economic and demographic features of the famine previously neglected in the literature such as the part played by traders and markets by medical science and by migration **The History of the Irish Famine** Jason King, 2018-09-20 The Great Irish Famine remains one of the most lethal famines in modern world history and a watershed moment in the development of modern Ireland socially politically demographically and culturally In the space of only four

years Ireland lost twenty five per cent of its population as a consequence of starvation disease and large scale emigration. Certain aspects of the Famine remain contested and controversial for example the issue of the British government's culpability, proselytism and the reception of emigrants. However, recent historiographical focus on this famine has overshadowed the impact of other periods of subsistence crisis both before 1845 and after 1852. This volume breaks new ground in bringing together foundational narratives of one of Europe and North America's first refugee crises, making visible their impact in shaping perceptions, public opinion and patterns of memorialization of Irish forced migration. It documents eyewitness impressions of suffering Irish emigrants and raises questions about what literary conventions, mnemonic motifs and popular images can be found in eyewitness accounts, press coverage and foundational narratives of Famine Irish forced migration. These primary sources provide a model for understanding how representations of forced migration shape public opinion and policy.

*Mapping the Great Irish Famine* Liam Kennedy, 1999. This book represents cartographically the dramatic impact that the Great Potato Famine had on Ireland. Based largely on the enormous body of statistics contained in the Database of Irish Historical Statistics at the Queen's University of Belfast, the authors present a picture of Ireland before, during and after the Great Famine.

**Ireland's Great Famine** Cormac Ó Gráda, 2006. The essays in this volume range widely over topics associated with Ireland's great famine of 1846-52. Taken together, the essays give a full account of the famine, its effects, what was and was not done to alleviate it, how it compares with other famines, and how successive scholars have tackled these matters.

**The Great Famine in Ireland. What caused it, and what were its consequences?** Maximilian Scheller, 2022-07-04. Essay from the year 2019 in the subject History of Europe, Modern Times, Absolutism, Industrialization, grade 13. University of Mannheim course. Ireland since 1800, language English, abstract. The so-called Great Hunger is not only the best remembered famine but also the closest to us with a distance of fewer than 170 years. The creation of new social and cultural conditions because of demographic decline, large-scale emigration and new economic policies lead to define the famine as a watershed in the history of Ireland. This essay discusses the question of what different reasons resulted in the big calamity and what consequences it had had and has had and how much this led to a lasting change in Ireland.

*The Great Irish Famine: A History in Documents* Karen Sonnelitter, 2018-10-30. In the fall of 1845 a mysterious blight ravaged Ireland's potato harvest, beginning a prolonged period of starvation, suffering and emigration that reduced the Irish population by as much as twenty five per cent in a mere six years. The Famine profoundly impacted Ireland's social and political history and altered its relationships with the United Kingdom and the rest of the world. This document collection provides a broad selection of historical perspectives depicting the causes, the course and the impact of the Famine. Letters, speeches, newspaper articles and other works are collected, within carefully described and annotated for the reader. A substantial introduction, a chronology of events and a useful glossary are also included to aid in the interpretation of the primary texts.

The Great Famine Ciarán Ó Murchadha, 2011-06-02. Over one million people died in the Great Famine and

more than one million more emigrated on the coffin ships to America and beyond Drawing on contemporary eyewitness accounts and diaries the book charts the arrival of the potato blight in 1845 and the total destruction of the harvests in 1846 which brought a sense of numbing shock to the populace Far from meeting the relief needs of the poor the Liberal public works programme was a first example of how relief policies would themselves lead to mortality Workhouses were swamped with thousands who had subsisted on public works and soup kitchens earlier and who now gathered in ragged crowds Unable to cope workhouse staff were forced to witness hundreds die where they lay outside the walls The next phase of degradation was the clearances or exterminations in popular parlance which took place on a colossal scale From late 1847 an exodus had begun The Famine slowly came to an end from late 1849 but the longer term consequences were to reverberate through future decades

**The Graves Are Walking** John Kelly, 2012-08-21 Though the story of the potato famine has been told before it's never been as thoroughly reported or as hauntingly told New York Post It started in 1845 and before it was over more than one million men women and children would die and another two million would flee the country Measured in terms of mortality the Great Irish Potato Famine was the worst disaster in the nineteenth century it claimed twice as many lives as the American Civil War A perfect storm of bacterial infection political greed and religious intolerance sparked this catastrophe But even more extraordinary than its scope were its political underpinnings and *The Graves Are Walking* provides fresh material and analysis on the role that Britain's nation building policies played in exacerbating the devastation by attempting to use the famine to reshape Irish society and character Religious dogma anti relief sentiment and racial and political ideology combined to result in an almost inconceivable disaster of human suffering This is ultimately a story of triumph over perceived destiny for fifty million Americans of Irish heritage the saga of a broken people fleeing crushing starvation and remaking themselves in a new land is an inspiring story of revival Based on extensive research and written with novelistic flair *The Graves Are Walking* draws a portrait that is both intimate and panoramic that captures the drama of individual lives caught up in an unimaginable tragedy while imparting a new understanding of the famine's causes and consequences Magisterial Kelly brings the horror vividly and importantly back to life with his meticulous research and muscular writing The result is terrifying edifying and empathetic USA Today

The book delves into The Great Famine. The Great Famine is a crucial topic that must be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into The Great Famine, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:

- Chapter 1: Introduction to The Great Famine
- Chapter 2: Essential Elements of The Great Famine
- Chapter 3: The Great Famine in Everyday Life
- Chapter 4: The Great Famine in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, the author will provide an overview of The Great Famine. The first chapter will explore what The Great Famine is, why The Great Famine is vital, and how to effectively learn about The Great Famine.
3. In chapter 2, the author will delve into the foundational concepts of The Great Famine. This chapter will elucidate the essential principles that must be understood to grasp The Great Famine in its entirety.
4. In chapter 3, this book will examine the practical applications of The Great Famine in daily life. The third chapter will showcase real-world examples of how The Great Famine can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of The Great Famine in specific contexts. The fourth chapter will explore how The Great Famine is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, the author will draw a conclusion about The Great Famine. The final chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of The Great Famine.

### **The Great Famine Introduction**

In the digital age, access to information has become easier than ever before. The ability to download The Great Famine has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Great Famine has opened up a world of possibilities. Downloading The Great Famine provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Great Famine has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads,

publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Great Famine. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Great Famine. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Great Famine, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Great Famine has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About The Great Famine Books

1. Where can I buy The Great Famine books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Great Famine book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If

you like a particular author, you might enjoy more of their work.
