Ferris,2021-01-30 Book Excerpt e sure of its not being in relief We may fancy indeed that the scenery was one great attraction of the representation In spite of spasmodic encouragement by the more liberally minded pontiffs the general weight of church influence was against the new musical tendency and the most skilled composers were at first afraid to devote their talents to further its growth What musicians did

not dare undertake out of dread of the thunderbolts of the church a company of literati at Florence commenced in 1580 The primary purpose was the revival of Greek art including music This association in conjunction with the Medicean Academy laid down the rule that distinct individuality of expression in music was to be sought for As results quickly came musical drama with recitative modern form of the Greek chorus and solo melody for characteristic parts of the legend or story Out of this beginning swiftly grew the opera Composers in the new form sprung up in various parts of Italy though Naples Venic
