The Great Kingdom Caper LifeWay Press, 2002 **Vbs 2003 Kingdom Caper New Testament** LifeWay Christian Resources, LifeWay Press, 2002-10 *The Catholic Comparative New Testament* Oxford University Press, 2005

The Catholic Comparative New Testament features eight complete Catholic New Testaments translated by dedicated scholars and gathered into a single convenient volume. This edition includes both word for word translations of the scripture as well as thought for thought translations. Readers can compare verses at a glance with facing page translations. Four translations per page in a clear easy to read typeface. The CCNT features four word for word translations: Douay Rheims, Revised Standard Version, Catholic Bible, New Revised Standard Version, Catholic Bible, and the New American Bible. These translations follow as closely as possible the New Testament's original wording, making them perfect for close readings of the text. The Jerusalem Bible, the Good News Bible, the New Jerusalem Bible, and the Christian Community Bible represent the thought for thought school of Bible translation. These translations emphasize the intended meaning of the original vocabulary, adapting it to English syntax and grammar, making it easier to understand for the lay reader. The Catholic Comparative New Testament offers the most unique and informed way of reading scripture with its eight different translations. Beautifully printed on the highest quality material, the CCNT is an excellent study guide for the value.

[The Kingdom New Testament](#) N. T. Wright, 2011-10-25

The New Testament for the Twenty First Century. Many readers of the New Testament have grown overly familiar with the biblical text, losing sight of the wonder and breadth of its innovative ideas and world-changing teachings about the life and role of Jesus of Nazareth. In *The Kingdom New Testament*, N. T. Wright, author and one of the world's leading New Testament scholars, offers an all new English translation that invigorates these sacred texts and allows contemporary readers to encounter these historic works afresh. The original Greek text is vibrant, alive, and active, and Wright's translation retains that spirit by providing a new English text for the twenty first century reader. At the same time, based on his work as a pioneering interpreter of the Bible, Wright also corrects other translations so as to provide more accurate representations of the original writers' intent. *The Kingdom New Testament* features consistent use of gender neutral language and a more popular level language matching the character of the original Greek while maintaining the vibrancy and urgency of the original work. It will help the next generation of Christians acquire a firsthand understanding of what the New Testament had to say in its own world and what it urgently has to say in ours.

Features: Complete text of the Kingdom New Testament, a fresh new translation by N. T. Wright. Preface by N. T. Wright. Dozens of maps throughout the text. Paragraph headings.
