

The background of the slide is a detailed historical painting of a bustling city street, likely London, in the 18th century. The scene is filled with numerous horse-drawn carriages of various styles, some with multiple rows of seats. Pedestrians in period clothing are walking along the sidewalks and crossing the street. In the background, a city skyline is visible, featuring several large buildings and a prominent church with a tall, dark spire. The overall atmosphere is one of a busy, thriving urban center.
