The Bolsheviks Come to Power Alexander Rabinowitch, 2017-05-20 The Bolsheviks Come to Power is one of the most important histories of the Russian Revolution to challenge the mainstream narratives Originally published to great acclaim in 2004 this new edition marks the 100th anniversary of one of the explosive and game changing moments in modern times In this absorbing narrative Alexander Rabinowitch counters the claims by mainstream historians that the revolution was a military coup led by Lenin and a small band of fanatics He refutes the Soviet myth that the party s triumph in the October Revolution was inevitable and explains the ebbs and flows of the revolutionary period tracing the moods of the working class and the political positions of the Bolsheviks at different historical moments including the immediate aftermath of the February Revolution the July Days the Kornilov affair and up to and including the October Revolution itself Drawn from a wealth of primary sources and archival material this new edition of Rabinowitch s classic account is a must have for anyone interested in clearing away the tired platitudes of mainstream historians and reclaiming the revolution on this important

this imposed a blanket of conformity on history writing in the Soviet Union The book also surveys the rich abundance of writing the Russian Revolution generated as well as the divergent approaches to the history of the period The conditions for research in Soviet archives are described as an aspect of official monitoring of history writing Another instance of this is the manner by which history textbooks have through the years been withdrawn from schools and others officially nursed into circulation This intervention occasioned in the present circumstance by statements by President Putin himself in the manner in which history is taught in Russian schools continues to this day In other words over the years the regime has always worked to make the past work Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh Sri Lanka *The Library Catalogs of the Hoover Institution on War, Revolution, and Peace, Stanford University* Hoover Institution on War, Revolution, and Peace,1969 **Prelude to Revolution; the Petrograd Bolsheviks and the July 1917 Uprising** Alexander Rabinowitch,1968 an expert work remarkable for its objectivity judiciousness and its sure handling of the available evidence Political Science Quarterly a fine piece of historical writing Soviet Studies An able and scholarly inquiry into the perplexing abortive Petrograd uprising of June and July 1917 a very interesting view of revolutionary action on the local level Foreign Affairs First published in 1968 this pioneering study of revolutionary events in Petrograd in the summer of 1917 revised the established view of the Bolsheviks as a monolithic party Rabinowitch documents how the party's pluralistic nature had crucial implications for the outcome of the revolution in October **The Great Russian Revolution.
