## **The Greater Ridgeway:**

The Greater Ridgeway Ray Quinlan, 2010-09-09 A detailed guidebook to walking the entire Greater Ridgeway across southern England from Lyme Regis on the south coast to Hunstanton on the Norfolk coast combining the shorter Icknield Way with the Wessex ridgeways and the Peddars Way a total of over 580km 360 miles      The Ridgeway National Trail Steve Davison, 2025-01-09 A guidebook to walking the Ridgeway National Trail between Avebury in Wiltshire and Ivinghoe Beacon in Buckinghamshire Covering 139km 87 miles this mostly low level route is suitable for all abilities and takes 6 to 9 days to hike The route is described in both directions and in 12 stages ranging from 8 to 16 km 5 10 miles in length Detours and diversions are included to historic and archaeological sites close to the Trail Contains step by step description of the route alongside 1 50 000 OS maps Includes a separate map booklet containing OS 1 25 000 mapping and route line Handy route summary table and trek planner help you plan your itinerary Packed with historical information as well as detail maps showing nearby historic and archaeological sites Details of refreshments accommodation and public transport given for each route stage      On this Holy Island Oliver Smith, 2025-03-04 A lyrical and insightful narrative that presents a new approach to the idea of pilgrimage traversing paths both ancient and modern Retracing sacred travel made across time from murmurs of ritual journeys in the depths of Ice Age to new pilgrimages of the 21st century On This Holy Island is an epic adventure across sacred British landscapes We follow Oliver Smith as he climbs into remote sea caves sleeps inside Neolithic tombs scales forgotten holy mountains and once even marrons himself at sea Following holy roads to churches cathedrals and standing stones this evocative and enlightening travelogue explores places prehistoric pagan and Christian Smith also reveals how football stadiums and music festivals have become contemporary places of pilgrimage Though the routes walked are often ancient the pilgrims he meets are always modern But underpinning the remarkable book is a timeless truth that making journeys has always been a way of making meaning So often Smith finds the unravelling of a path goes in tandem with the unravelling of the soul      Great Walls & Linear Barriers Peter Spring, 2015-02-28 Everyone has heard of the Great Wall of China and knows of Hadrian's Wall and the other barriers lining stretches of Rome's imperial frontiers But Peter Spring's original new study demonstrates that far from being exceptional the building of walls and other linear defences was commonplace among the peoples and states of pre modern era He finds examples virtually all across the globe and analyses their forms and strategic functions He finds patterns for their distribution an important recurrent theme being the divide between settled agriculture and nomads The author argues that it is mistaken to view such undertakings as necessarily purely defensive measures that might be evidence of insecurity or a maginot line mentality as they were in fact often about aggressive assertion of control over a region or strategic routes This original and thought provoking study brings new light and insight to a fascinating and neglected aspect of human political and military history It The clear text is supported by numerous specially drawn maps and photographs      **Tales from the Big Trails** Martyn Howe, 2021-09-02 I am already
