Sins And Sacrifices:

Sin, Impurity, Sacrifice, Atonement Jay Sklar, 2005 The goal of this closely reasoned study is to explain why in Priestly texts of the Hebrew Bible the verb kipper traditionally translated atone means the way of dealing both with sin and with impurity which might seem very different things Sklar's first key conclusion is that when the context is sin certain sins also pollute so atonement may include some element of purification His second conclusion is that when the context is impurity and kipper means not atone but effect purgation impurity also endangers so kipper can include some element of ransoming The goal of this closely reasoned study is to explain why in Priestly texts of the Hebrew Bible the verb kipper traditionally translated atone means the way of dealing both with sin and with impurity which might seem very different things Sklar's first key conclusion is that when the context is sin certain sins also pollute so atonement may include some element of purification His second conclusion is that when the context is impurity and kipper means not atone but effect purgation impurity also endangers so kipper can include some element of ransoming The goal of this closely reasoned study is to explain why in Priestly texts of the Hebrew Bible the verb kipper traditionally translated atone means the way of dealing both with sin and with impurity which might seem very different things Sklar's first key conclusion is that when the context is sin certain sins also pollute so atonement may include some element of purification His second conclusion is that when the context is impurity and kipper means not atone but effect purgation impurity also endangers so kipper can include some element of ransoming In fact sin and impurity while distinct categories in themselves have this in common each of them requires both ransoming and purification It is for this reason that kipper can be used in both settings This benchmark study concludes with a careful examination of the famous sentence of Leviticus 17 11 that blood makes atonement kipper and explains how in the Priestly ideology blood sacrifice was able to accomplish both ransom and purification In fact sin and impurity while distinct categories in themselves have this in common each of them requires both ransoming and purification It is for this reason that kipper can be used in both settings This benchmark study concludes with a careful examination of the famous sentence of Leviticus 17 11 that blood makes atonement kipper and explains how in the Priestly ideology blood sacrifice was able to accomplish both ransom and purification In fact sin and impurity while distinct categories in themselves have this in common each of them requires both ransoming and purification It is for this reason that kipper can be used in both settings This benchmark study concludes with a careful examination of the famous sentence of Leviticus 17 11 that blood makes atonement kipper and explains how in the Priestly ideology blood sacrifice was able to accomplish both ransom and purification

Levitical Sacrifice and Heavenly Cult in Hebrews Benjamin J. Ribbens, 2016-06-06 This monograph examines Hebrews understanding of the relationship between old covenant sacrifices and Christ's new covenant sacrifice especially as it relates to the question of efficacy Most scholars think the author of Hebrews strips the levitical sacrifices of most if not all efficacy but this work affirms a more positive depiction of the levitical sacrifices A mystical apocalyptic

tradition stands behind Hebrews description of the heavenly cult which establishes the framework for relating the levitical sacrifice to Christ's sacrifice. The earthly levitical cult was efficacious when it corresponded to or synchronized with the heavenly sacrifice of Christ. Still the author of Hebrews develops the notion of the heavenly cult in unique ways as Christ's sacrifice both validates the earthly practice but also due to his new covenant theology calls for its end. Ribbens' bold proposal joins a growing number of scholars that place Hebrews in the mystical apocalyptic tradition. Highlights positive statements in Hebrews related to the efficacy of levitical sacrifices that are often overlooked and relies on the heavenly cult to reconcile the positive and negative descriptions of the levitical cult.

Christ in Leviticus; the one Sacrifice for Sin. [The preface signed: R. H. N. B., i.e. Robert Henry Nisbett Browne.] R. H. N. B., Robert Henry Nisbett BROWNE, 1871 Discourses and Dissertations on the Scriptural Doctrines of Atonement and Sacrifice William Magee, 1842 Sin, Redemption, and Sacrifice Stanislas Lyonnet, Leopold Sabourin, 1970 **Jesus the Sacrifice** Scott Shauf, 2022-04-14 Jesus the Sacrifice A Historical and Theological Study investigates interpretations of Jesus' death as a sacrifice in the New Testament. Scott Shauf argues that sacrifice as a practice has been largely misunderstood by Christians and scholars and that a better understanding of ancient sacrificial practices will change how we understand New Testament interpretations of Jesus' death. Contrary to traditional Christian theological interpretation, the interpretation of Jesus' death as a sacrifice should not be considered a subcategory of the idea of atonement. Sacrifices had a variety of purposes in the ancient world and atonement was only one of these. Different NT texts interpret Jesus' death as different kinds of sacrifice and each text must be evaluated in the context of the particular kind of sacrifice drawn upon. The interpretations have in common that they serve to relate the death of Jesus to early Christians' understanding of themselves to what God had done in Jesus and to what God was doing in their midst. Shauf's conclusions also address modern theological questions such as the problem of the violence of the cross and whether Jesus' death was necessary in a theological sense.

What Happened on the Cross Nick Peros, 2020-08-07 What Happened on the Cross offers a new and biblical understanding of how salvation was accomplished upon the cross, showing that the Penal Substitution view common since the 1500s does not have a biblical basis and also showing that the Christus Victor understanding is inadequate. The book is founded upon the understanding that Jesus Christ is the Second Adam and that is the foundation of how we are to understand how salvation was accomplished. Both the shedding of blood and death were essential in the accomplishment of salvation and What Happened on the Cross shows why these were essential. Using over 740 Scripture verses to make its argument, the book gives a comprehensive picture from Genesis to Revelation of the many aspects involved in the accomplishment of salvation, above all showing clearly that the cross had nothing to do with punishment for sins; our sins were never punished upon the cross; rather, our sins were forgiven. Understanding how salvation was accomplished upon the cross and that it was about forgiveness, not punishment, both exalts God and his greatness, demonstrates his perfect love and justice as well as liberates our hearts towards him.
