

I Speak to the Earth

BY DR. FRANCIS MCKEN

1. **Enter the Divine Dimension:** Heavenly Father and Supreme Judge, I stand upon the threshold of truth in the name of thy Father, who has said and supreme will is fulfilled: I pray!
2. **Activate the Law of Magnetism:** Supreme Judge, I now stand upon "If we continue our sins, we are justified and just as long as we are and become as truth all our iniquities." (Leviticus 1:17) I pray: we and our Fatherhood for our sinners at present and all that has our Fatherhood or caused the earth not to give us all the fullness.
3. **Speak to the Earth with Authority:** "Earth, earth, earth, hear the word of thy Father. Thou, with the Father, if thy people who are called by thy name will humble themselves, and pray and seek my face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land." (Jeremiah 29:12) I command you to be responsive to all my desires.
4. **Command the Earth to Surrender to Me:** "Earth, earth, earth, hear the word of thy Father. I command you to surrender to me in meekness more than all earthly authority against me, give everything that thou offerest the Kingdom of God, in Father's name. I pray!"
5. **Bring the Earth under the Ruling of Myself:** "Earth, earth, earth, I separate and divide you from your iniquities that you have been subjected to by the children of wickedness. I now release you from your iniquities in the children of wickedness and redemption now upon you as a servant of mankind, to serve with the purposes of God, in Father's name. I pray!"
6. **Command the Earth to Bring Forth its Seed:** "Earth, earth, earth, **Abundantly bring forth:** 'Blessed of the Lord is his land, with the precious things of heaven, with the dew, and the deep bring forth.' (Psalm 104:13) I, the Father, command you in Father's mighty name to bring forth, prosper in your blessings of increase and peace in my life, in Jesus' name."
7. **Activate the Law of Transmutation through the Blood:** Supreme Judge is a servant in Father's gift. "We have under the law almost everything is covered with blood, and without the shedding of blood there is no forgiveness." (Hebrews 9:22) I pray: we through the blood of Father in meekness that we everything have done from the Father's mighty name. I pray!
8. **For Earth the Gift and Your Working Word, that the Earth has Meekness:** Heavenly Father and Supreme Judge, I thank you that the Earth, the living servant of mankind has heard my prayers and is now responding to my work given dominion in Father's name. Heavenly Father, I desire and believe that just like my Father Himself, I will not remain in my iniquity, I will wait in a spirit of love, responsive for the complete transmutation of what I have commanded the earth to do, in Father's mighty name. Amen!

Sign Talk: A Universal Signal Code, Without Appara, Hunting, and Daily Life Ernest Thompson Seaton,2016-08-06 In offering this book to the public after having had the manuscript actually on my desk for more than nine years let me say frankly that no one realizes better than myself now the magnitude of the subject and the many faults of my attempt to handle it My attention was first directed to the Sign Language in 1882 when I went to live in Western Manitoba There I found it used among the various Indian tribes as a common language whenever they were unable to understand each other's speech In later years I found it a daily necessity when traveling among the natives of New Mexico and Montana and in 1897 while living among the Crow Indians at their agency near Fort Custer I met White Swan who had served under General George A Custer as a Scout He had been sent across country with a message to Major Reno so escaped the fatal battle but fell in with a party of Sioux by whom he was

severely wounded clubbed on the head and left for dead He recovered and escaped but ever after was deaf and practically dumb However sign talk was familiar to his people and he was at little disadvantage in daytime Always skilled in the gesture code he now became very expert I was glad indeed to be his pupil and thus in 1897 began seriously to study the Sign Language In 1900 I included a chapter on Sign Language in my projected Woodcraft Dictionary and began by collecting all the literature There was much more than I expected for almost all early travellers in our Western Country have had something to say about this lingua franca of the Plains As the material continued to accumulate the chapter grew into a Dictionary and the work of course turned out manifold greater than was expected The Deaf our School children and various European nations as well as the Indians had large sign vocabularies needing consideration *Divine Love Astrology* Shiva Das, Mercy Ananda, 2014-10-21 Longtime astrologers Shiva Das and Mercy Ananda take readers through every aspect of astrology from its history principles components and meanings to its use as a tool to raise awareness and to understand possibilities in cause and effect With nearly 180 black and white illustrations including zodiac primary wheel and sign relationship depictions *Divine Love Astrology* provides a thorough education in this ancient system This essential guide embraces the immediate personal and practical applications of astrology and encompasses the broadest philosophical and universal values guiding us from Earthly mundane to the celestial Divine Not only do the authors teach readers the basics of the field but they also provide them with tools to reflect and develop intuitive understanding that will aid in reading astrology charts and living a conscious life *Divine Love Astrology* will benefit those interested in becoming astrologers and help them through the use of astrology as a contemplative science develop their intuition Rather than proposing that we live our lives by astrological events or learn to stereotype people Das and Ananda help readers get in touch with their inner knowing enabling them to make conscious choices for themselves in the present With its spiritual and applicable lens *Divine Love Astrology* will help both professional astrologers and laypeople alike take charge of their lives from the inside out
