Bradley, 2021-10-01 OutKast the Atlanta based hip hop duo formed in 1992 is one of the most influential musical groups within American popular culture of the past twenty five years Through Grammy winning albums music videos feature films theatrical performances and fashion And And 3000 Benjamin and Antwan Big Boi Patton have articulated a vision of postmodern post civil rights southern identity that combines the roots of funk psychedelia haute couture R B faith and spirituality and Afrofuturism into a

style all its own This postmodern southern aesthetic largely promulgated and disseminated by OutKast and its collaborators is now so prevalent in mainstream American culture neither Beyoncé Knowles's Formation nor Joss Whedon's sci-fi western mashup Firefly could exist without OutKast's collage aesthetic that we rarely consider how challenging and experimental it actually is to create a new southern aesthetic An OutKast Reader then takes the group's aesthetic as a lens through which readers can understand and explore contemporary issues of Blackness gender urbanism southern aesthetics and southern studies more generally Divided into sections on regional influences gender and visuality the essays collectively offer a vision of OutKast as a key shaper of conceptions of the twenty-first century South expanding that vision beyond long-held archetypes and cultural signifiers The volume includes a who's who of hip-hop studies and African American studies scholarship including Charlie Braxton Susana M Morris Howard Ramsby II Reynaldo Anderson and Ruth Nicole Brown
