Speaking For God

Lynnie Lang

Speaking For God:

Speaking for God Witness Lee, 2001-11 **God Is Speaking, Are You Listening?** Linnie Lang, 2018-01-26 It all began when I finally desired quiet time in God's presence. He being my Lord and Savior gave me a need to hear encouragement and guidance from him. Knowing that I belong to my God Jesus died for my sins and I am filled with his Spirit gave me peace and confidence but I felt there was more I needed. I longed to hear from him. Was this really possible? How would I know it was him? I would enter my prayer time as usual with quiet meditation, praise and worship from my heart and lips. I'd then pick up my prayer journal for personal prayers, petitions and intercession for others. In my spirit I would at times receive words of affirmation during my prayer time. Then when finished I would be guided to pick up my pen and begin to write. I not only realized that God was giving me these words to write and encourage me with but also each one was always one page long. After almost a year I began to transfer them to my computer. As I did I was also given a title and a scripture to go with each one. All I knew was this ability was definitely God given to me for his purpose. Soon I was realizing it wasn't all for me. I was prompted to share them on occasion with others. This began a list of folks who wanted to receive them on a regular basis. The list continued to grow and God continued to encourage me through others to write more as he led me. What I thought was God was speaking to me only in reality he is able to speak to others through a devotional. Simple folk like me put down on paper. I pray they will bless and encourage all who read them as they have been for me. May this book always be a reminder to us that God is speaking are you listening? **The Secret Power of Speaking God's Word** Joyce

Meyer, 2004-08-26 1 New York Times bestselling author Joyce Meyer teaches readers how to create change in their lives and truly receive God's blessings. Includes powerful Scriptures covering over 50 topics such as patience, loneliness and wisdom.

Speaking With God's Voice Louis A. Miraglia, 2016-12-17 The world today groans under the weight of many crushing problems but it's not intellectuals, presidents or political parties who have the solutions. The rescue agents are born again believers who fall under the great commission and that's you. This command for you to go into the whole world is not given by One who would leave you an orphan. God will equip you but you must do it His way. Once you're a believer God appoints you to two roles immediately. One as the receiver of God's word, one as the deliverer of God's word. Many faithful men and women have little problem understanding the first role. They see themselves as student learners who must grow in God's word and get enlightenment by the Holy Spirit. Many faithfully fulfill the biblical prerequisites of prayer and preparation and they become quite good at understanding the scriptures. Over the years the Holy Spirit guides them into deeper and deeper insights into God's word. It is as they move into the role of deliverer of God's word that they have problems. Many people will shut them out. The delivery has failed to adopt a biblically required role change. To be effective in this new role God's messengers must speak with God's Voice. This means they must speak authoritatively and prophetically. These biblical prerequisites have been very much misunderstood and abandoned leaving the message from God's word a mere man made

endeavor God may bless this type of message but the only way to guarantee God's anointing is to deliver it His way with His voice This book explains in detail how these scriptural requirements are put into effect Remember The power of the Holy Spirit is available to ALL believers but it is not automatic A dear evangelical preacher of more than thirty years who pastors a church on the New York Pennsylvania border read this book and made the following comment I would highly recommend this book as required reading for every minister and ministerial student It is one of the most practical cries for and description of anointed preaching that I have read For too long the church has tried to dazzle people with new music new technologies and methods and missed the high calling of preaching the Word under the power of the Holy Spirit Thanks Louie for your inspiring words

Karl Barth probably the most significant theologian of the twentieth century In this new book Willimon explores that relationship explicitly by engaging Barth's work on the pitfalls and problems glories and grandeur of preaching the Word of God The Swiss theologian says the author expressed one of the highest theologies of preaching of any of the great theologians of the church Yet too much of Barth's understanding of preaching lies buried in the Church Dogmatics and other sometimes obscure sources Willimon brings this material to light introducing the reader to Barth's thought not just on the meaning but the practice of preaching as well
