Speaking For Ourselves Autobiographical Sketches By Notable Authors Ofs For Youn Adults:

New York Herald Tribune Books ,1934 *The Silhouette Sketch* Ann Mary,2021-06-28

The Silhouette Sketch A Half Memoir is an autobiographical piece of writing wherein confused teenagers and youth can draw inspiration and motivation to face the difficult situations in life The book helps you know why you are not alone in whatever you are going through Besides the book helps in guiding parents to understand their children better As a blended entity the book helps the readers to find their own self help from within and beyond Top Amazon Reviews Though the book has other realms on the prima facie what hooked my attention first was the authors honest sharing of the gaps in parenting she recieved She dares to talk about her childhood traumas emotional loneliness lack of support and motivation from the parents all of which cornered the child in her as an underconfident troubled soul Good parenting really has magical and therapeutic effects in children she asserts This book would always remain as an eye opener for the budding and ever growing parent in me Ann is honest and precise in her writing Mostly universal her anecdotes are aids to the healing souls Eager for a sequel Though this book is an autobiography I strongly believe that most people especially those in their teenage and early 20s could easily connect with Certain chapters actually made me numb The language is so poised
