Speaking For The People Representation In Australian Politics:

Speaking For The People Sawer, Marian, Zappal, Gianni, 2013-05-09 At a time when there is major change taking place in Australian politics as old loyalties are eroded and there is increasing evidence of alienation of some sections of the electorate from perceived elites this analysis of the weaknesses in existing methods of representation is most timely Dr Dennis Woodward Monash University Without the belief that others can represent their interests citizens will withdraw their trust from parliamentary institutions Today this trust is fragile Politicians appear to have a different set of policy priorities from those of the people they represent We are now witnessing demands for citizen initiated referenda a popularly elected president and other means of bypassing the role of elected representatives *Speaking for the People* explores for the first time the distinctive ways in which Australians have thought about and practised representation incorporating a ground breaking analysis of non parliamentary institutions of representation Whether and how meaningful a voice can be given to all groups within our society is one of the many questions this book addresses Marian Sawer and Gianni Zappal bring together old and new concepts of political representation and highlight what is distinctively Australian in our practices of representation

The Oxford Handbook of Australian Politics Jenny M. The Ethical State? Marian Sawer, 2003-01-01 The ethical state a state committed to the common good and equal opportunity was a central tenet of the social liberal theory that emerged in Britain in the late nineteenth century Here Marian Sawer explores how the new nation of Australia enthusiastically embraced the ideal Translated as the fair go and accepted by major policy makers on both the left and right of politics social liberalism gave rise to the distinctively Australian institution of wage arbitration and to other aspects of the welfare state such as public education parks and pensions For early Australian feminists it offered the alluring prospect of equality with men A century later the idea of the fair go may still resonate in political rhetoric but liberalism has become a somewhat tarnished ideal The dream of the ethical state lies in tatters eroded by economic rationalism and user pays ideology and degraded by political machination Has the social liberal vision of the state as a vehicle for social justice completely run its course Sawer argues no Her timely book offers an astute critique of the challenges facing social liberal thought and issues a rallying cry for its revival

The search for democratic renewal Rob Manwaring, 2014-12-01 Why is the search for democratic renewal so elusive This book examines both the political and policy implications of efforts by the centre left to transform democracy This is a story not only about democratic change but also the identity crisis of centre left political parties The book offers a fresh critique of the Big Society agenda and analyses why both left and right are searching for democratic renewal Drawing on high profile interviews and examining an in depth series of comparative cases the book argues that the centre left s search for democratic renewal contains a range of policy and political aims contradictions and tensions It will be of interest to students academics researchers interest groups and policy analysts interested in consultation democratic renewal labour politics and Australian and British politics

Mainstreaming gender, democratizing the state Shirin Rai, 2018-07-30 This electronic version has been made available under a Creative Commons BY NC ND open access license Published in association with the United

Nations this book builds on the existing body of literature on gender and democratization by looking at the relevance of national machineries for the advancement of women It considers the appropriate mechanisms through which the mainstreaming of gender can take place and the levels of governance involved defines what the interests of women are and how and by what processes these interests are represented to the state policy making structures Global strategies for the advancement of women are considered and how far these have penetrated at national level illuminated by a series of case studies gender equality in Sweden and other Nordic countries the Ugandan ministry of Gender Culture and Social services gender awareness in Central and Eastern Europe and further examples from South Korea the Lebanon Beijing and Australia

The Public Legitimacy of Minority Claims Plamen Makariev, 2016-10-04 Problems involving minorities still constitute a significant challenge for public policies in countries such as the ones on the territories of the former Soviet Union and Yugoslavia Unassimilated facing the cultural non transparency of their lifeworlds and usually without autonomy their problems are quite different from those in Western Europe and North America This book presents a study of public policies concerning the national ethnic and religious minorities in the countries of Central and Eastern Europe It explores the opportunities available for applying the model of deliberative democracy to the domain of designing and realizing minority policies It examines the possibility that minority groups can influence and ideally even pre decide minority policies by legitimizing claims concerning their needs and rights in a way that leaves democratic public opinion no choice but to support them Adopting a novel approach to the public legitimization of minority claims it proposes that the general public s evaluation of the credibility of minority claims should focus on the procedural qualities of the intra group ethical political discourses through which these claims are articulated and substantiated This text will be of key interest to students and scholars of public policy minority politics the politics of Eastern Europe political theory and comparative politics Australia Marian Sawer, Norman Abjorensen, Philip Larkin, 2009 On many criteria Australia has been a pioneering democracy As one of the oldest continuing democracies however a health check has long been overdue Since 2002 the Democratic Audit of Australia a major democracy assessment project has been applying an internationally tested set of indicators to Australian political institutions and practices The indicators derive from four basic principles political equality popular control of government civil liberties and human rights and the quality of public deliberation Comparative data are taken from Australia s nine jurisdictions as well as from three comparator democracies Canada New Zealand and the United Kingdom to identify strengths weaknesses and opportunities for reform Some of the findings are disturbing For example Australia has fallen well behind in the regulation of private money in elections and in controlling the use of government or parliamentary resources for partisan benefit Transparency and accountability have suffered from relatively weak FOI regimes and from executive dominance of parliaments For those studying democracy or wanting to reform Australian politics The State of Democracy provides a wealth of evidence in a well illustrated and highly accessible format Internationally it is an important contribution

to the democracy assessment literature and pushes into new areas such as the intergovernmental decision making of federalism **The Cambridge Handbook of Social Sciences in Australia** Ian McAllister, Steve Dowrick, Riaz Hassan, 2003-08-07 First published in 2003 The Cambridge Handbook of Social Sciences in Australia is a high quality reference on significant research in Australian social sciences The book is divided into three main sections covering the central areas of the social sciences economics political science and sociology Each section examines the significant research in the field placing it within the context of broader debates about the nature of the social sciences and the ways in which institutional changes have shaped how they are defined taught and researched **Realising Democracy** Graeme Orr, Bryan Mercurio, George Williams, 2003 This book examines the law of elections in Australia It explores Australia's rich history of electoral law innovation as well as exciting contemporary challenges such as electronic voting and party regulation Topics covered also include the centenary of the first uniform federal franchise the Gore v Bush 2000 US presidential election and the role of scrutineers in the electoral process The volume draws together as contributors a range of insiders and other Australian and international commentators with long experience in electoral administration and electoral law Authors include leading lawyers political scientists historians and electoral administrators **Australian Politics at a Crossroads** Matteo Bonotti, Narelle Miragliotta, 2024-02-29 As the 21st century proceeds apace Australia faces new and old challenges both domestically and internationally These include managing complex governance issues preventing democratic fracture balancing an ever shifting geopolitical strategic order addressing the recognition and identity demands of marginalised groups and responding to crises and urgent policy challenges such as climate change Bonotti Miragliotta and the other contributors to this volume analyse and evaluate the challenges which confront Australia by locating them in their national and comparative context The various contributions reveal that while these challenges are neither novel nor unique to Australia the way in which they manifest and Australia's responses to them are shaped by the country's distinctive history culture geography location and size The chapters offer a cutting edge analysis of these pressing challenges faced by Australia and offer reflections on how to address them The book is a valuable resource for scholars and students of Australian politics and of comparative politics in a global perspective *Keywords in Australian Politics* Rodney Smith, Ariadne Vromen, Ian Cook, 2006-06-13 Publisher description **Representing Women in Parliament** Marian Sawer, Manon Tremblay, Linda Trimble, 2006-09-27 Written by a major international team of authors this new study features twelve chapters on both new and established parliaments including Australia Canada New Zealand and the United Kingdom It tests the latest theories about women's political representation within Westminster style assemblies and is clearly organized into three key sections **Ethical Responsiveness and the Politics of Difference** Tanja Dreher, Anshuman A. Mondal, 2018-08-22 This edited collection focuses on the ethics politics and practices of responsiveness in the context of racism inequality difference and controversy The politics of difference has long been concerned with speech voice and representation By focusing on the

practices and politics of responsiveness listening reading and witnessing the volume identifies vital new possibilities for ethics and social justice Chapters focus on the conditions of possibility or listening as ethical praxis unsettling or disrupting colonial relationships and ways of listening that highlight non Western traditions and move beyond the liberal frame Ethical responsiveness shifts some of the responsibility for negotiating difference and more just futures from subordinated speakers and on to the relatively more privileged and powerful

The Secret History of Democracy Benjamin Isakhan, Stephen Stockwell, 2011-01-28 This book explores the intriguing idea that there is much more democracy in human history than is generally acknowledged It establishes that democracy was developing across greater Asia before classical Athens clung on during the Dark Ages often formed part of indigenous governance and is developing today in unexpected ways
