Speaking For Myself Again Four Years Of Labour And Beyond:

Political Parties in Transition? Ian Marsh, 2006 Australian politics have been dominated for nearly a century by two more or less continuous political groupings Labor and the Liberal National Coalition But in recent decades Australians have embraced a new range of issues gender the environment indigenous rights while party membership has collapsed

Fashion, Women and Power Denise N. Rall, 2021-12-10 This book addresses the relationships between fashion women and power One of the constants within the book is to question the enduring relationship between women and dress and how these inform and articulate the ways in which women remain represented as either suitable or not for public office and their behaviour is informed through dress when they are in power The book critiques the interplays between politics power class race and expectation in relation to the everyday practice of getting dress and the more performative and symbolic function of dress as embodiment As never before women are in positions of political power and find themselves facing the maelstroms of mass media regarding their fashion their deportment and their right to govern The contributors offer a wide set of perspectives on women and their roles and their fashions when taking up powerful positions in Australia New Zealand United Kingdom and the United States From the United Kingdom the historical issues surrounding the movement towards rational dress for women seeking their rights to vote and exercise are interrogated The volume also explores viewpoints from East Asia such as the constricting role for common women upon entering the Imperial family in Japan From the United States come the troublesome media stories engulfing two significant American Democratic First Ladies Hillary Rodham Clinton and Michelle Obama From New Zealand the media reports on Prime Minister Jacinda Ardern upon her motherhood while serving in the office and on her clothing during the 2019 Christchurch massacre comprise a much needed contribution to the literature on women politics and dress Further the role of dress in politics broadly as a form of resistance will be examined in Australia from recent skirmishes over appropriate dress with ex prime minister Julia Gillard and other Australian female politicians The role of women and what their fashion selections mean continues via considerable debate during worldwide events Finally the theme of resistance and social media continues with an examination of protest dressing in the recent street battles in Hong Kong to how young Asian women have been influenced by the social media campaigns to encourage wearing the veil in Indonesia to Asian women negotiating femininity in political dress Primary readership will be among researchers scholars educators and students in the fields of fashion dress studies women and gender studies and media and history It will be of particular value as at graduate level and as a supplementary resource There may be some general appeal to those with an interest in the women or cultures at the centre of the discussions *The Cambridge History of Australian Literature* Peter Pierce, 2009-09-17 Draws on scholarship from leading figures in the field and spans Australian literary history from colonial origins indigenous and migrant literatures as well as representations of Asia and the Pacific and the role of literary culture in modern Australian society **Political Parties and Democratic Linkage** Russell J. Dalton, David M. Farrell, Ian

McAllister,2011-09-29 Political Parties and Democratic Linkage examines how political parties ensure the functioning of the democratic process in contemporary societies Based on unprecedented cross national data the authors find that the process of party government is still alive and well in most contemporary democracies *Australian Political Lives* John Nethercote,Tracey Arklay,John Wanna,2006-10-01 This monograph brings together some of the best practitioners of the art and craft of political biography in Australia They are simultaneously some of our best scholars who at least in part have turned their attention to writing Australian political lives They are not merely chroniclers of our times but multidisciplinary analysts constructing layers of explanation and theoretical insight They include academic professional and amateur biographers scholars from a range of disciplines politics history sociology public administration gender studies and politicians who for a time strutted the political stage The assembled papers explore the strengths and weaknesses of the biographical approach the enjoyment it can deliver the problems and frustrations of writing biographies and the various ways the project can be approached by those constructing these lives They probe the art and craft of the political biographer

Ministerial Careers and Accountability in the Australian Commonwealth Government Keith M. Dowding,Chris Lewis,2012-09-01 This book examines the roles responsibilities and accountabilities of Australian cabinet ministers It examines the sorts of jobs ministers do what is expected of them what they expect of the job and how they are supposed to work together as a team It considers aspects of how they are chosen to become ministers how they are scrutinised by parliament and the media and how ministers themselves view accountability It also looks at the causes of calls for ministers to resign examines scandals around ministers and assesses ministerial accountability Who's who in Australia ,2006
