Coleman, 2019-03-19 Lest you think that Dr Coleman has quit preachin and gone to meddlin in this sensitive topic of music and especially church appropriate music please give this book a chance Coleman draws from many sources both Seventh day Adventist and non Adventist to explain just how the type of music we use in church worship services affects our worship experience and our Christian experience When addressing the current trend of Contemporary Christian Music CCM he assures the reader that he is not against all CCM but cautions against using a song just because it may be popular or may draw a certain crowd into the church He shows how merely the use of contemporary music may attract people to attend church but it doesn't necessarily lead to a true conversion or the intentional discipling of those people Dr Coleman states The seeker sensitive model involved a de emphasis of traditional methods of evangelism and discipleship such as doctrinal preaching calling for repentance from sin and committing oneself to give Bible studies rather it focused on innovation and meeting the wants of people often dubbed felt needs The seeker sensitive model also caused people to view Christianity as something cool and made them feel comfortable in dressing down to attend church worship service sometimes in jeans and a t shirt However it resulted in producing spiritually weak Christians who were pastor dependent and not committed to making disciples for Christ Music ministry leaders and anyone who enjoys music in church will learn to be a little more discriminating in the choice of music after gaining the insights provided in this book *The Charismatic Movement* Charles Edwin Jones, 1995-04-28 indispensable for all theological libraries and upper division undergraduate and graduate collections generally METHODIST HISTORY the standard bibliographic source for the topic Recommended for any library supporting the study of religion in the present day U S CHOICE **Aimee Semple McPherson and the Making of Modern Pentecostalism, 1890-1926** Chas H. brilliantly united the sacred with the profane Anthony Quinn would play in the Temple band and Aimee would baptize Marilyn Monroe council Jean Harlow and become friends with Charlie Chaplain Douglas Fairbanks and Mary Pickford Based on the biographer s first time access to internal church documents and cooperation of Aimee s family and friends this major biography offers a sympathetic appraisal of her rise to fame revivals in major cities and influence on American religion and culture in the Jazz Age The biographer takes the reader behind the scenes of Aimee s fame to the early days of her harsh apprenticeship in revival tents failed marriages and poverty Barfoot recreates the career of this called and driven woman through oral history church documents and by a creative use of new source material Written with warmth and often as dramatic as Aimee herself the author successfully captures not only what made Aimee famous but also what transformed Pentecostalism from its meager Azusa Street mission beginnings into a transnational global religion
