**Speaking in tongues** ,1991      **Religious Experience of the Pneuma** Clint Tibbs,2012-04-26 This book explores the Christian religious experience of the pneuma given in 1 Corinthians 12 and 14 The experience Paul mentions in these texts as well as the mention of spirits in three different places suggest that Paul was actually writing about communicating with the spirit world

**Speaking in Tongues - Glossolalia** Raymond W. Bond,2012-02-14 INTENSELY CONTROVERSIAL This tough and gritty book is straight from the trenches of the war over the Pentecostal phenomenon of Speaking in Tongues today Taking no prisoners the author takes on many of the most divisive aspects of the modern Speaking in Tongues phenomenon No punches are left out and no side on this very controversial subject are safe from this scalding book of insights The book points out some startling misuses and abuses that need to be considered when determining if Tongues are for Christians today This book is a must for those who think they have heard it all from all sides on this issue but feel unsatisfied In it is presented some unusual thoughts radical approaches and new understanding of the topic of Tongues Though not a Biblical study this book shares some very unorthodox personal insights to the subject As coarse as it is towards conventional understandings of Tongues this book does not condemn the practice just the presumptions Pentecostals will be surprised how there actually is more to Tongues than meets the ears Conservative Christians will be stunned at how frank the discussion is regarding Speaking in Tongues The overall tone is one of getting one's act together whichever side you land on the issues of Tongues Such points are made that if you are going to practice Speaking in Tongues at least know what you are doing and be aware of how God treats the phenomenon One thing is for certain You have never heard many of these thoughts before Whether you love or hate this book no doubt you will have some new things to consider regarding Speaking in Tongues today Considering how explosively controversial this book is I call it Shock and Awe for today's Pentecostal

Excerpt s from the book The Pentecostal mindset at best is to have pity on those not Filled with the Spirit or statements like It's their loss I can't say I've ever heard a Pentecostal say it was a loss to the Body of Christ or the ministry of Holy Spirit Many claim ecstatic experiences near death experiences or other religious and unusual phenomenon such as an awareness of a presence spiritual visions unusual vocalizations etc But stimulating the temporal lobe regions of the human brain with mild magnetic current can artificially induce many of those phenomena The atheist Michael Persinger has produced some fascinating research with his so called God Helmet The results of several brain scan studies concluded Speaking in Tongues did not involve the speech areas of the brain The precise area affected was unclear in its purpose but I believe the act of Speaking in Tongues privately in particular reflects a pliable mental state similar to deep meditation The repetitive sounds certainly resemble the practice of chanting but seem more deliberate Regardless of its veracity Speaking in Tongues is perceived by many outside Pentecostal circles as an object receiving excessive attention possibly qualifying as an icon of idolatry as others outside Orthodoxy consider images of Mary and saints as such Though considered irrelevant by many

sacrilegious by others the audio qualities of Speaking in Tongues have been evaluated in modern times from a scientific perspective It is apparent to me Speaking in Tongues in general is best understood as stimulus such as a kitten kneading massaging its mother s breast to encourage milk production That is to say expressions of Speaking in Tongues are submissive postures before God stimulating the grace of God to actively fall I have witnessed the mentally ill Speak in Tongues as a frightening manifestation of demonic activity while the same person and same audible sounds while under the Anointing of the Holy Spirit spoke praises to God First Corinthians: An Exegetical and Explanatory Commentary B. Ward Powers,2009-01-01 In most areas of this Epistle B Ward Powers has come to share the interpretation of Paul s meaning held by the Early Church Fathers although he explains and expounds those views This is particularly the case in relation to chapters 12 through 14 where in keeping with the Early Church Fathers the Reformers most Scripture expositors until recent times and many present day exegetes Powers expounds the interpretation that tongues refers to human languages spoken on earth The one major area where Powers parts company with the Fathers of the first Christian centuries is in relation to matters of sex and marriage divorce and remarriage and attitudes to women generally Here Powers explains that Paul is more affirming of sex marriage and remarriage and women than many early writers and some modern writers have understood him to be We need at times to take considerable care he writes to understand the meaning of what Paul says to the Corinthians and in coming to terms with how this teaching is to apply to us in today s world But when we have arrived at our understanding of these things then there is no question this is the Word of God to us and we must take it very seriously indeed We cannot just dismiss it offhandedly and simply say Well that is just Paul s opinion and we can take it or leave it Not at all Paul has explained clearly that what he writes comes with the inspiration and authority of the Holy Spirit of God

*Pentecostal Theology* Keith Warrington,2008-10-07 An introduction to the subject of Pentecostal theology by a leading scholar in the field **Biblical and Theological Studies on the Trinity** Rob McIver,Paul Petersen,2013-12-31 The word trinity is not in the Bible The expression of the doctrine was developed over a long period and finalized only in the fourth century Many Christians who want to be biblical have questioned the official church doctrine on the Godhead The following collection of articles from a a Seventh day Adventist conference in Sydney emphasizes however that the concept of the trinity is thoroughly biblical The book covers a variety of aspects of the discussion of the doctrine both biblical historical and theological such as the trinity in the gospel of John the meaning of monogenes Kellogg and the trinity and Islam and the trinity **THE HOLY SPIRIT** Edward D. **Utter Mysteries to God** Kwabena Dautey Akufo, 2006-04 Utter Mysteries to God presents new insights into tongues speaking prophecy tongues prayer tongues and counterfeit tongues and its benefits and Holy Spirit baptism in the Old Testament New Testament and Church history **Andrews University Seminary Studies** Andrews University. Seventh-Day Adventist Theological Seminary, 1996 Christian Charismatic Movements Andrzej Siemieniewski, Mirosław Kiwka, 2021-10-11 The New Testament shows the early Church as having both stable institutions and dynamic growth in charismatic ministries In the twenty first century although many historically determined inessentials have changed the Church's structure remains fundamentally the same This study looks at New Testament ministries Eph 4 11 12 Baptism in the Holy Spirit and the history of the gift of tongues from the Acts of the Apostles through to the charismatics of our time to see how these elements contribute to the fast paced global phenomenon we call the pentecostalization of modern Christianity Our research shows that much of what appears to be novel in current ecclesial movements is the fruit of charisms that have been poured out from the beginning The disciples of Christ are still bringing out of his treasure what is new and old The Truth about Conservative Christians Andrew M. Greeley, Michael Hout, 2008-09-15 Ever since the reelection of President Bush conservative Christians have been stereotyped in the popular media Bible thumping militants and anti intellectual zealots determined to impose their convictions on such matters as evolution school prayer pornography abortion and homosexuality on the rest of us But conservative Christians are not as fanatical or intractable as many people think nor are they necessarily the monolithic voting block or political base that kept Bush in power Andrew M Greeley and Michael Hout's

eye opening book expertly conveys the complexity variety and sensibilities of conservative Christians dispelling the myths that have long shrouded them in prejudice and political bias For starters Greeley and Hout reveal that class and income have trumped moral issues for these Americans more often than we realize a dramatic majority of working class and lower class conservative Christians backed liberals such as Jimmy Carter and Bill Clinton during their runs for president And when it comes to abortion most conservative Christians are not consistently pro life in the absolute fashion usually assumed they are still more likely to oppose the practice than other Americans but 86 percent of them are willing to tolerate it to protect the health of the mother or when the woman has been raped and 22 percent of them are even pro choice What do conservative Christians really think about evolution homosexuality or even the meaning of the word of God Answering these questions and more **The Truth about Conservative Christians** will interest and surprise a broad range of readers especially in this heated election year

**Issues in Contemporary Pentecostalism** R. Keith Whitt, and French L. Arrington, Editors, 2012-09-19

Christian Mysticism Harvey D. Egan SJ, 1998-09-16 Christian mysticism is unique in its view of Jesus death and resurrection as the very cause and exemplar of the mystical life in all its purity Jesus saving death on the cross exemplifies the mystical letting go of everything consoling tangible and finite in order to surrender totally to the mystery of the Father s unconditional love In this introduction to Christian mysticism Reverend Harvey Egan S J presents four Christian mystics as paradigms of the classical tradition St Ignatius of Loyola St Teresa of Avila St John of the Cross and the unknown author of the Cloud of Unknowing From this foundation he moves to two contemporary figures Thomas Merton and Pierre Teilhard de Chardin each of whom reflects a contemporary transposition of the two mystical traditions the apophatic which emphasizes the radical difference between God and creatures and the kataphatic which emphasizes the similarity between God and creatures

*Catch the Fire* Michael Wilkinson, Peter Althouse, 2014-03-15 A recent phenomenon of charismatic renewal took place in Toronto in the mid 1990s Commonly known as the Toronto Blessing and operated by the former Vineyard Church leaders John and Carol Arnott the renewal was defined by reports of uncontrollable laughter weeping speaking in tongues animal noises and falling on the floor during worship Sympathetic Christians embraced these practices while others who believed that this form of worship boarded on spectacle rejected them By the end of the 1990s most people thought that the renewal was over Yet in the first decade of the twenty first century the authors a sociologist and a theologian heard rumors that the Toronto church now known as Catch the Fire was still holding mass meetings with upwards of 2 000 people in attendance They also learned of an emerging practice of soaking prayer an adaption of Pentecostal charismatic prayer that participants and leaders claim facilitates and expands the reception of divine love in order to give it away in acts of forgiveness reconciliation compassion and benevolence Soaking the authors reveal is a metaphor for practices like resting in the Spirit prayer for spiritual gifts healing prophecy impartation and supports overall charismatic spirituality Attending Catch the Fire conferences churches and house meetings in the United States Canada Britain Australia and New Zealand
